+ 'Obtaining Permissions from IOP to use figures' flowchart

+ How do I get permission to reuse figure(s) from articles published under the subscription model in IOP journals or its partner journals?

+ What does 'published under the subscription model' mean?

+ I am the author of an article published by IOP under the subscription model. Can I reuse figure(s)/text from my own work?

+ I am the author of an article published by IOP under the subscription model. Can I reuse the figures in another article to be published by IOP?

+ I am the author of an article published by IOP under the subscription model. Can I reuse the figures in another article to be published by IOP?

+ I am the author of an article that I am going to submit to be published by IOP. Can I reuse figures from another article already published by IOP under the subscription model?

+ As a third party (not the original author of the article), can I request permission to republish figures/text from an article published by IOP if the article was published under the subscription model?

+ As a third party (not the original author of the article), can I use an article published by IOP for lecture and classroom purposes if the article was published under the subscription model?

+ Can I request permission to republish an article published by IOP if the article was published under the subscription model?

+ What does 'published under the gold open access model' mean?

+ Under which Creative Commons licence does IOP publish its gold open access articles?

articles:

---

**+** Do I need to get permission to reuse original figure(s)/text from an article published under a CC BY licence?

---

**+** Do I need to get permission to reuse original figure(s)/text from an article published under a CC BY-NC-SA licence?

---

**—** May I include the Final Published Version of the article in my research thesis or dissertation?

Upon transfer of copyright, IOP and/or the copyright owner grants back to authors a number of rights. These include the right to include the Final Published Version of the article in your research thesis or dissertation. Please include citation details and, for online use, a link to the Version of Record. IOP's permission will be required for commercial use of an article published as part of your thesis. IOP does not allow ProQuest to publish or sell the article as part of your dissertation.

---

**+** May I reuse supplementary data forming part of the article?

---

**+** May I reuse supplementary material forming part of the article?

---

**+** May I reuse the video abstract of an article?

## **Permissions queries**

Any questions should be addressed to [permissions@iop.org](mailto:permissions@iop.org).

We aim to provide an initial response to queries within two working days.
