Subject: Inclusion of book chapter I authored

Dear Rights and Permissions Department,

My name is Shiv Kale and I am a author of a book chapter (Assaying Effector Function In planta Using Double-Barreled Particle Bombardment Shiv D. Kale and Brett M. Tyler) in Plant Immunity edited by John McDowell. I would like to include this book chapter in my thesis and dissertation. I have already spoken to Dr. McDowell ([johnmcd@vt.edu](mailto:johnmcd@vt.edu)) and he has given the go ahead to contact the rights and permission department. I will require some type of document stating approval if approval is granted. Please let me know if I am required to fill out any paper work on my end. The thesis and dissertation will not be released publicly until May 2012 as I am imposing a one year wait period due to other unpublished data. Thank you for your time.

Regards,  
Shiv Kale
