The **BUGLE** **1 9 3 2**

IN 1872 V. P. I.
was established as
a college with but
one building. To-
day that building
stands as an im-
mortal shrine
to the past.

DEDICATION

FROM infancy V. P. I. has grown into an influential school of learning, and plans are being formulated for an even greater V. P. I.—the V. P. I. of the future. It is to this V. P. I. that we dedicate the 1932 Bugle.

TO Dr. J. E. Williams, Dean
of the College; Professor G.
T. Baird, Faculty Advisor of
the 1932 BUGLE; the entire
Senior Class; and all adver-
tisers in the 1932 BUGLE;
we, the staff of the 1932
BUGLE, express our appre-
ciation for the invaluable ad-
vice and co-operation given
us in assembling and pub-
lishing this volume.

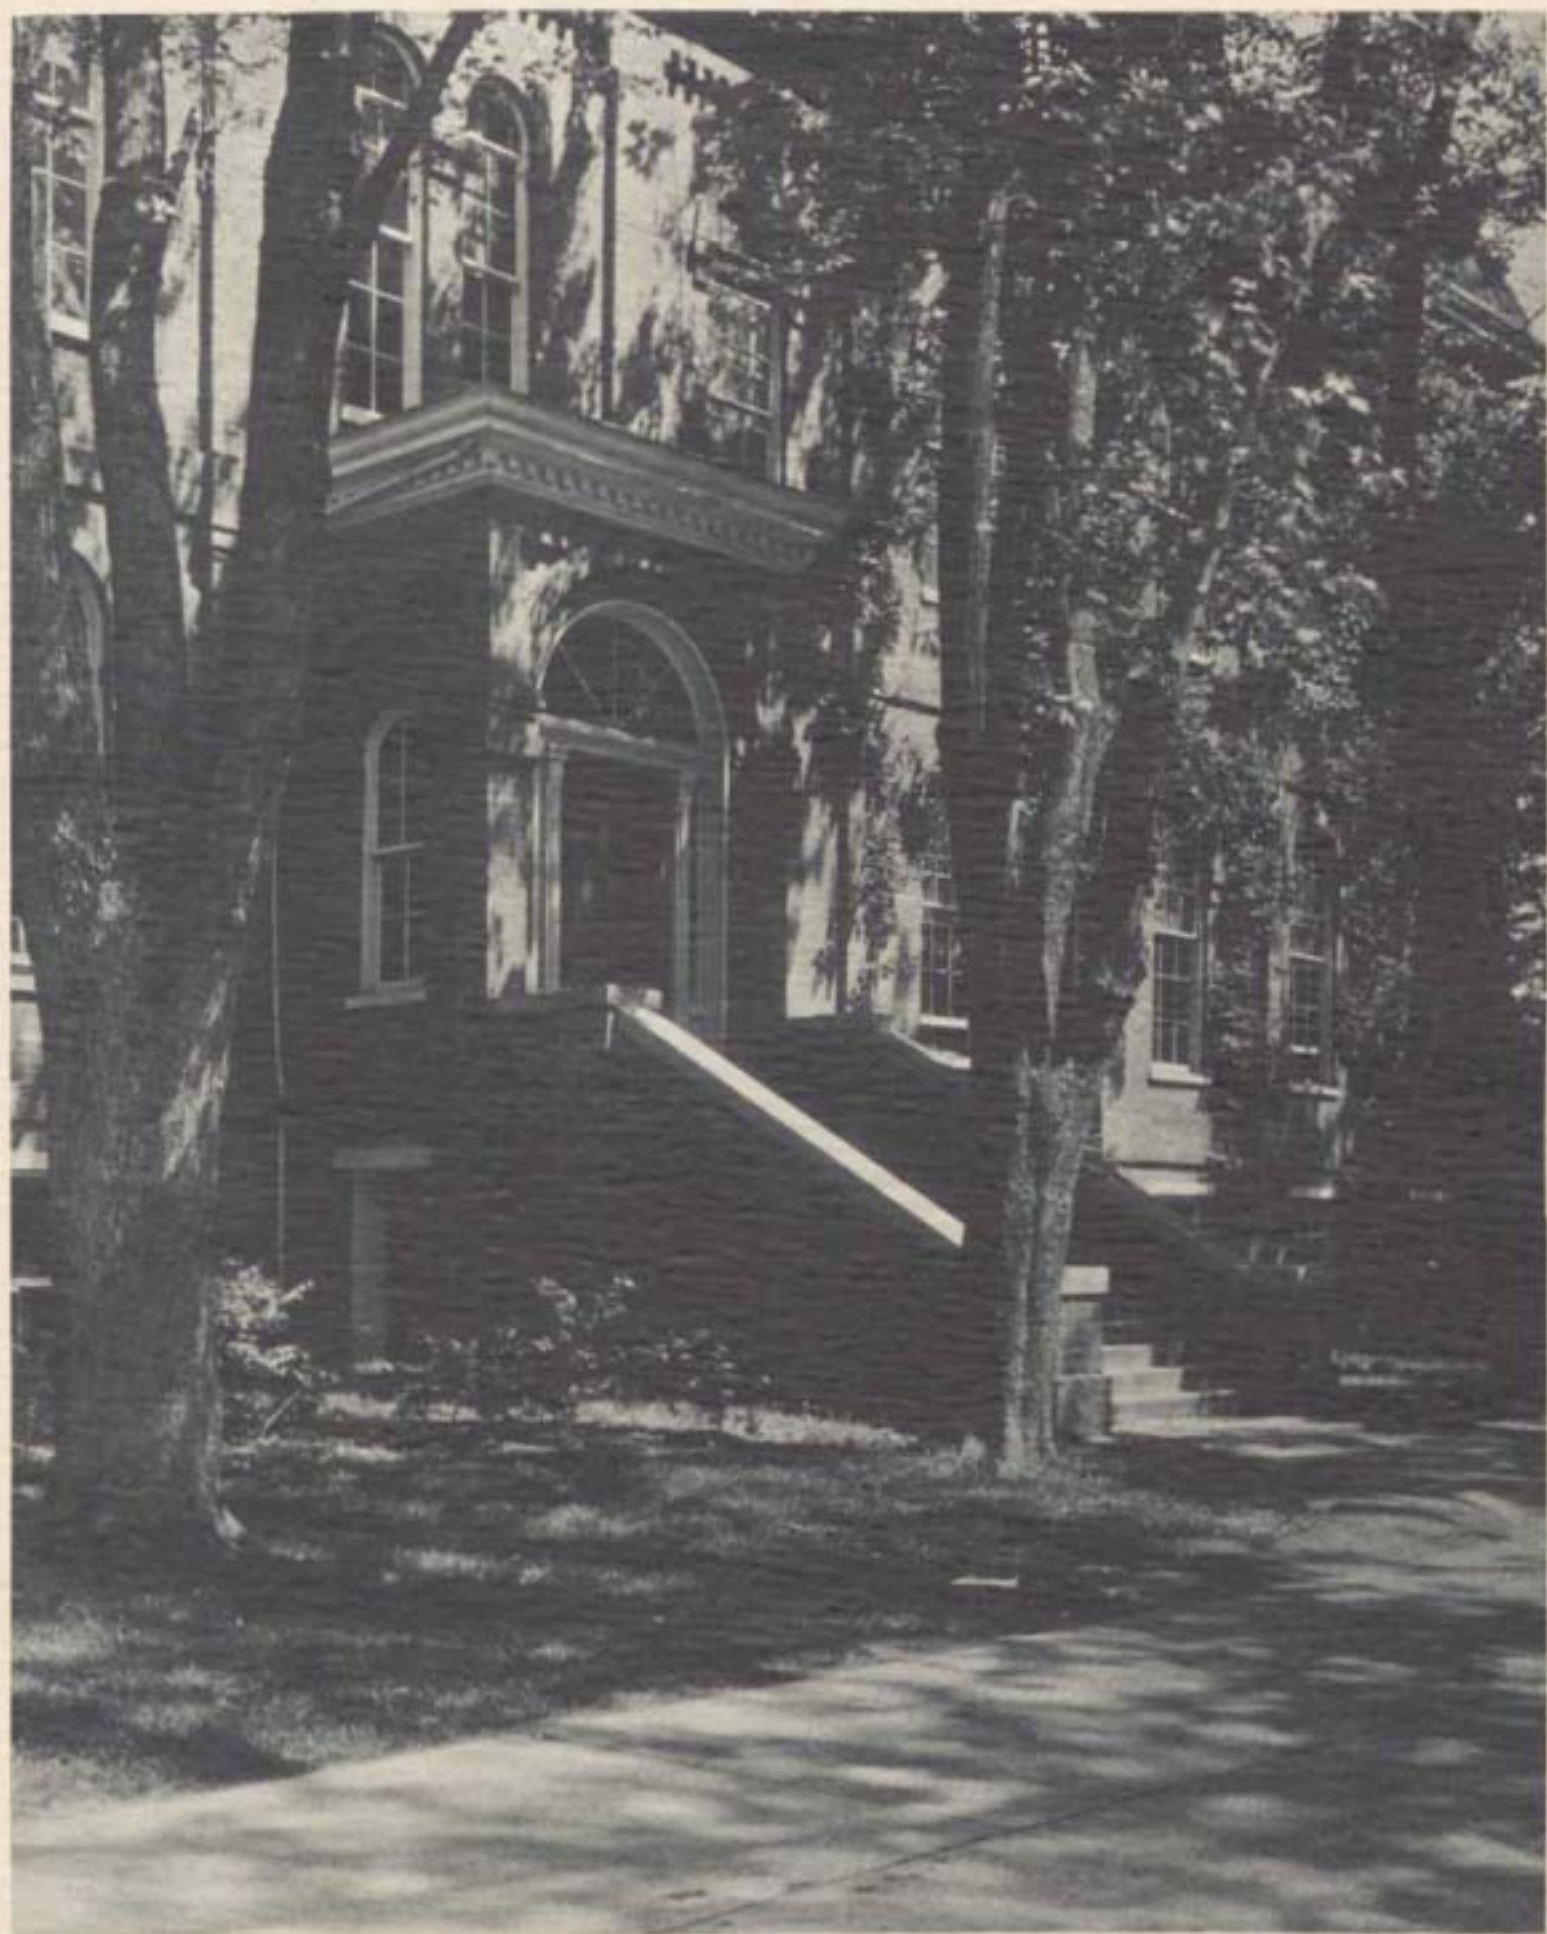

COMPETENT administration raised V. P. I. from its insignificant beginning to its present position. To-day, the intricate machinery still remains in able hands. We look to the future for even greater administrative efficiency.

ELDRIDGE ARNOLD GREENE

CAPTAIN, INFANTRY

United States Army

(Honorary Member of the Class of '32)

Captain Greene, detailed to V. P. I. in September, 1927, came to us from the 11th Infantry at Fort Benjamin, Indiana. He attended Wake Forest College for two and one-half years, was commissioned in the Reserve Corps and called to active duty in 1917. He has served in the grades of First Lieutenant to Major in the Reserve Corps and National Army on active duty to July, 1920, when he was commissioned as Captain in the Regular Army.

Captain Greene has been at V. P. I. for five years and we all know him as a good Officer, a friend of every Cadet, and a man who will be hard to replace. We consider it an honor to have such a man as honorary member of our senior class.

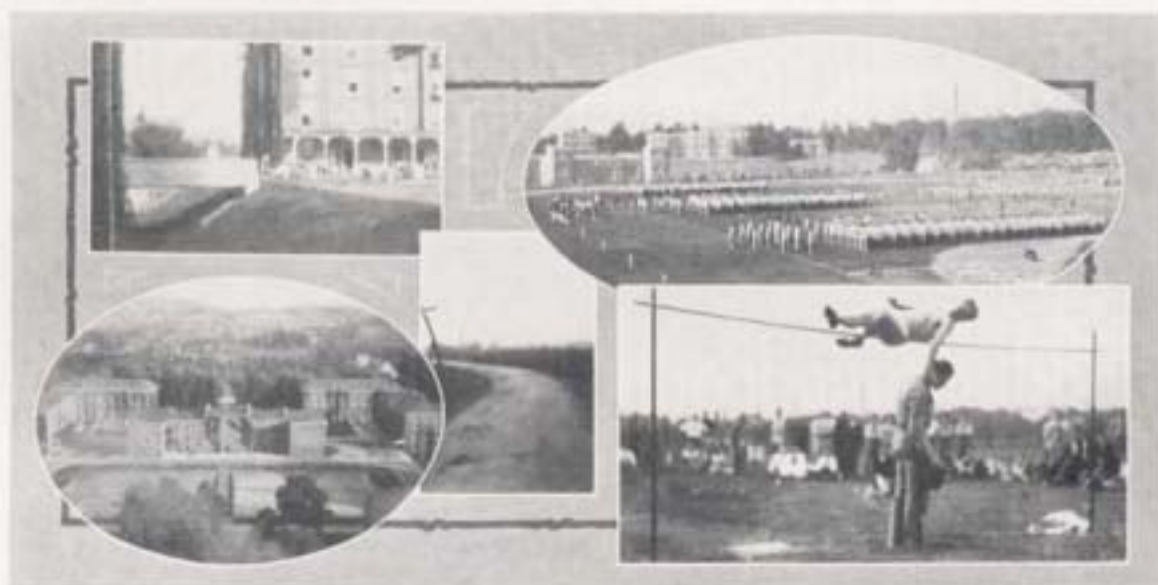

Captain Greene, the Class of '32 salutes you!

Senior Class History

The Class of 1932 is The Class that Met the Depression. The Class of 1931 was the first class to know that there was a depression—1932 grappled with the depression when it had almost become the panic.

I

We, as the class, were first depressed on the seventeenth day of September, year of our Lord nineteen hundred twenty-eight, when we stepped off the train in Christiansburg underneath the gray, dismal sky that is always a sign that school is opening in Blacksburg.

Successive minor depressions met us when we reached our abode of the next four years. We found we were no longer that august personage, the high school senior, before whom all the earth bows and scrapes. We were only college freshmen, "rats," whose purpose in coming to college was to run errands and wait on upper-classmen. At our introduction to the institution of the "crap meeting" our first night, we met our lords and rulers for the freshmen year, and had minor depressions implanted upon our rears at every exhibition of our ignorance.

But the Class of '32 was not one to stay long depressed. We got organized, elected Bill Copeland our president and settled down to make '32 the best class that had entered Tech.

Corps meetings were held and after much talking and to-do, we voted with the rest of the corps to make the corps trip to Norfolk. With everything new to us, we embarked on the train Friday night, partook of a generous late supper given us by our great supporter, "Pop" Owens, and learned how to convert ordinary day coaches into super pullmans fit for any cadet.

All our former glory returned in Norfolk for the day, for the Norfolk alumni did everything that they always do on corps trips to make us pleasantly remember Norfolk. Though we had to plough through the mud on the field for our review, we beat Maryland and there was a dance and The Girl afterwards.

More football and then Thanksgiving. Thanksgiving was Thanksgiving in Roanoke that first year, even though we had to wait through two long years of defeat until our junior year before we could see V. M. I. go down before our varsity. Our

rat year, our first year, was the best year of all for Thanksgiving despite our defeat, for Roanoke was a new and gaudy toy for us to play with. Friends to visit, private dances and the Military Ball—they were all for us and all new to us.

Back to Blacksburg we came, back to our first big set of dances, Thanksgivings. Then we had to settle down for three weeks of concentration before the pre-Christmas exams, so we thought, but influenza struck V. P. I. in the mild epidemic which swept the country. The infirmary overflowed into the German Hall and so many were ill that the authorities decided to suspend school and examinations until after Christmas. We had extra holiday, but it was shadowed by the exams upon our return. Religiously we decided to take our textbooks home, and religiously we carted them back after the holidays, unopened.

Winter and spring terms we found were as exactly as long as the fall term, though there are twice as many months in the winter and spring terms. Finals came and our emancipation from rat days. We were sophomores with three months of holidays, then to be the rulers of the rats.

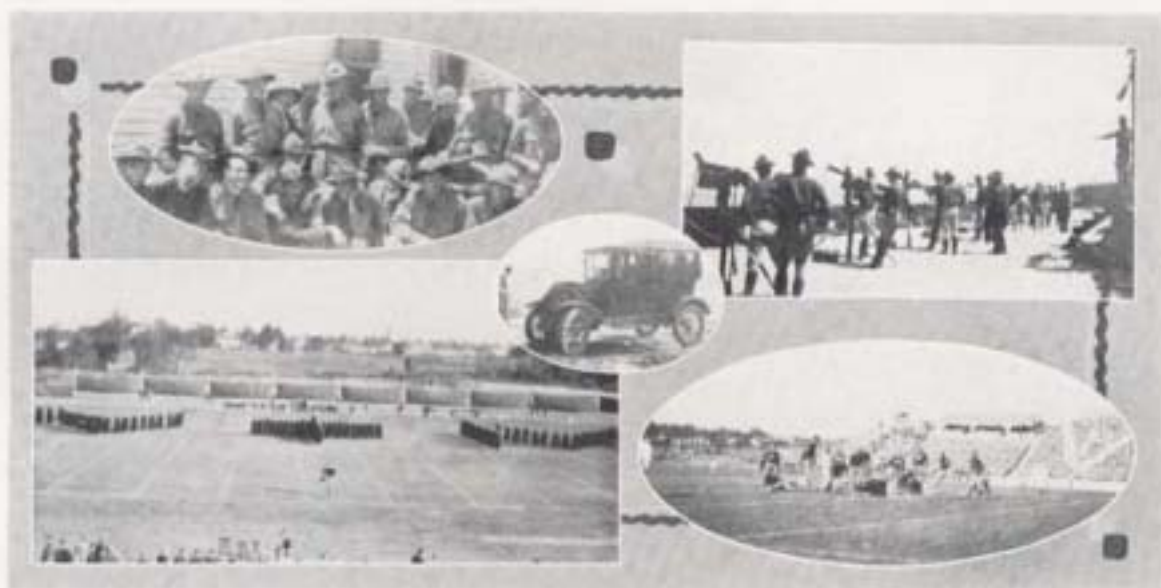

II

With our sophistication we came back as sophomores prepared to be rulers of all Tech, but we found that juniors and seniors expected to have a say in most matters and that professors expected sophomores to prepare themselves much more than freshmen. Well, we learned.

Corps trips again. To Richmond we went and defeated William and Mary in our first game with that ancient school. In Roanoke, V. M. I. defeated us again, but we knew we would come back. And while we were occupied with football and corps trips, in October, 1929, came the Crash of the stock market that was to affect us during our last two years.

Another year passed much like the first, except that we knew all of what was to happen. In the spring, we decided to change the officers of the class and elected Charlie Christian president.

III

Juniors, we came back in September, 1930, still more blase than our sophomore year. We took up our orderly regime and were much amused by the antics of the sophomores and freshmen.

Seniors and a great many of us juniors went to Richmond and saw Bird Hooper's "educated toe" defeat William and Mary 7-6, but on the corps trip to Norfolk, cheer as we might, we had to watch the varsity go down to defeat on the muddy field before Maryland.

In Roanoke, though, we knew our time had come, and the varsity beat V. M. I. 24-0, the largest score against V. M. I. since 1906 and Hunter Carpenter.

In a succession of classes, sports, dances, week-end leaves, and A. W. O. L.'s, bull sessions and dates, our junior year became history.

IV

Senior year. We were the admitted great of the school with capes, stripes and gold bands. We were great, but as the *Skipper* wisecracked, "A dark cloud of depression Hoovered over the land," and we had to maintain our glory with shorter pocketbooks and the prospect of joining the Six Million when we graduated.

We cut prices on everything we could. Dances were reduced in price, a club offer of three publications was made for the first time in history, and we economized. We determined to get the most of college education and seniors were organized in a number of curricula. We were seniors but we were also aware that in a few short months, Dad's pocketbook would not be backing us up.

Only one corps trip,—to Richmond, where William and Mary virtually beat us, though the score was 6-6. Depressing also, but we beat our old rivals, V. M. I., again in Roanoke on Thanksgiving.

The fall passed and the winter. Spring came on. We idled in the sun and enjoyed ourselves, for we knew Commencement was close and the fight to keep the wolf from the door.

Then we had that B.S. and the world to conquer. '32 as a class became history.

Varsity Football

"The team that might have been—" is an accurate summation of the 1931 V. P. I. football team, and the season's record forcefully substantiates this viewpoint. Endowed with a wealth of able material from the preceding year, and the most promising sophomores of a decade, Coaches Neal and Clark failed to extract the vital spark from their players, which is instrumental in winning championships.

Playing through a schedule which continued to call for the team's sustained efforts, the '31 varsity won only three games, while losing four and tying two. Spectators sat in the wooden stands of Maher Field in Roanoke on a cold November day and saw the Gobblers throw away their last chance to win the mythical state championship as they bowed to W. & L. 0-7. Only the defeat of V. M. I. on Thanksgiving Day redeemed this luckless eleven, which was heralded during early fall as a potential championship outfit.

Giving his utmost in every game, training doggedly day after day, seemingly performing in the opponent's backfield Saturday after Saturday, was V. P. I.'s most brilliant star—Harry Stark—whose sensational performances throughout the entire season against all types of opposition at left tackle earned for him an almost unanimous All-State choice, prominent mention for All-Southern tackle, and a beautiful watch from admiring New York City alumni.

Particularly disappointing to V. P. I. fans was the playing of Al Casey, heralded sophomore halfback, who failed to click as expected, except against Davidson College, when he hurried across two badly-needed touchdowns in the final quarter. Apparently, all the varsity players had their ups and downs, and with the exception of Stark, few men lived up to expectations. The '31 grid-iron machine was seemingly a misfit.

V. P. I., 33—King College, 0

Admiring and expectant V. P. I. fans smiled benignly as the Gobblers were off to a flying start with a 33-0 victory over the King College Mountain Tornado in Miles Stadium. Devastating was the offensive the sophomore backs launched behind the Tech line. Five minutes after the opening kick-off, Al Casey, playing his first varsity game, tore off a 35-yard run for the initial touchdown. Robison, sophomore fullback, rammed center for a second score to give V. P. I. a 14-0 lead as the first quarter ended.

Casey and Outley tallied twice more before the half ended to give the Techmen an imposing 27-0 lead. Gobbler mentors poured player after player into the game to observe their conduct under fire. The King Tornado, changing suddenly from a breeze to a cyclone, held Tech scoreless the third quarter. Hardwick scored the last V. P. I. touchdown and Groth's three extra points helped swell the total for a 33-0 victory.

V. P. I., 0—Georgia, 40

Undertaking perhaps their most ambitious schedule in years, the University of Georgia listed V. P. I. as their opening game, so as to be well prepared for the Yale battle the following Saturday. Into the far South to provide the fireworks went a confident V. P. I. eleven, only to suffer a 0-40 defeat.

The score, however, was not a fair criterion of the savage battle the Techmen waged in the face of superior odds. The V. P. I. eleven teamed up against Georgia's best to compile a total of ten first downs, and on three occasions, uncompromising Fate cheated the Techmen out of deserved touchdowns.

ROBINSON

In the third quarter, Casey, on a lateral pass, outsmarted Georgia's All-American end, "Catfish" Smith, and raced to the Bulldogs' 10-yard line before he was stopped. To the Georgians' 2-yard line smashed a determined Gobbler eleven, only to be hurled back on the last down. Later, Sam Hardwick, Gobbler halfback, returned Smith's kick-off 60 yards, only to have a second V. P. I. drive burn out on the Bulldogs' 14-yard stripe. And so the afternoon progressed to its inevitable end.

Instrumental in Georgia's 18 first downs and scorer of two of their six touchdowns was "Ripper" Roberts, All-Southern fullback, who was rarely stopped for no gain. Georgia's coach, Harry Mehre, experimented carefully with his varsity, and a clever mixture of veterans and sophomores succeeded in compiling a 26-0 lead at half time; a 40-0 victory as the Southern sun sank slowly.

V. P. I., 18—Davidson College, 6

A badly battered V. P. I. eleven took the field against an ambitious Davidson College machine the following Saturday in Blacksburg, was completely swept off its feet during the first half as the visitors amassed six first downs to the Gobblers' none to command a 6-0 lead at intermission.

Anticipating Tech enthusiasts became more firmly convinced that "dark Saturdays" were upon Blacksburg as Davidson clung bulldogishly to their slender lead as the third quarter ended. Stung to the quick by their overwhelming defeat of the previous week, Tech gridders had planted touchdown dynamite somewhere in Miles Stadium. It fell to Al Casey, sophomore halfback, to touch off the fuse, which blasted through the Davidson defenses for three touchdowns in the final quarter and an 18-6 victory.

Legs that moved with the rapidity of well-oiled pistons twice carried the fleet Casey to vital touchdowns, and Bill Porterfield, sophomore back, drove a scoring wedge through the fast-weakening Wildcat line for the third score.

V. P. I., 6—William and Mary, 6

V. P. I. enthusiasm was dampened abruptly as William and Mary studded their defenses with human shock absorbers to hold the Techmen to a surprising 6-6 tie in Richmond. Perhaps, the least thrilling game of the season, the contest took on a drab complexion as both teams butterfingers the ball at critical moments.

Most exciting quarter by far was the second when each team scored its lone touchdown. The unwieldy V. P. I. eleven finally clicked in the second period, and Carl Robinson, sophomore fullback, resembled a runaway mustang as he ripped the Indians' defenses for the score. Angry groans went up from the Tech contingent as Groth failed to kick goal.

With the consoling approach of the half, V. P. I. gridgers apparently became less cautious, too late saw William and Mary's "Happy" Halligan, versatile end, gather in Palese's unerring pass on the V. P. I. 45-yard line, and speed goalward for the tying score. Roberts' failure to kick goal deadlocked the score permanently. V. P. I.'s imposing array of 12 first downs to the Indians' 2 relates another sad chapter in the career of "the team which might have been—."

V. P. I., 6—Kentucky, 20

Satisfied Blue Grass gridiron fans sat in their home stadium one week later and saw their favorite Kentucky Wildcats win a hard-fought battle from the Techmen, 20-6. But smiles of smug satisfaction were not on Blue Grass faces all afternoon. Scowls of grim concern were in evidence during the first half as the Virginians stole the show by compiling nine first downs to Kentucky's eight, leaving the field at intermission on the short end of a threatening 6-7 score.

Kentucky's Coach Harry Gamage had not spent long afternoons teaching his gridgers to take advantage of the breaks of the game in vain, for when V. P. I. committed the inevitable early-game fumble, the Wildcats' fleet quarterback, Ellis Johnston, recovered, and placed Tech in a bad hole by rushing over the initial Kentucky touchdown.

Stung to the quick by this sudden outburst, V. P. I.'s Hardwick, halfback, flipped a quick pass to Groth, who slipped over for the score. Tech's failure to kick a goal gave the Kentuckians a one-point advantage at intermission.

Instrumental in Kentucky's great offensive in the third quarter was one of the South's ablest backs, "Shipwreck" Kelly, who accounted for four consecutive first downs, placing the oval within scoring distance, from where Kercheval, Wildcat fullback, took it over for a 14-6 lead. Not content with his lone touchdown, the Wildcats' Ellis Johnston took a V. P. I. punt in the final period and raced 58 yards for the final score for the 20-6 win.

V. P. I., 0—Maryland, 20

A stunned, somewhat bewildered homecoming crowd of 4,000 sat in Miles Stadium, October 31, and saw a great line-smasher in the person of Ray Poppleman, Old Liner fullback, lead a well-coached Maryland eleven to a 20-0 victory over Tech's greatly outclassed Gobblers.

The tense homecoming crowd premonitioned that thunder would eventually break loose in the crack Maryland backfield, and their hunch was correct. Launching two terrific touchdown drives in the second quarter, with Poppleman and Berger touching the pigskin down behind the final white marker, Maryland left the field with a 13-0 lead at half time.

With the best and able Berger out the second half because of injuries, Poppleman carried the offensive battle on alone, ripping through the scattered Tech defenses early in the third quarter for the final Maryland touchdown, after a 20-yard gallop. And having dealt the homecomers enough misery, Maryland rested on its earned laurels. Buckleholder Groth, Tech quarterback, and lineemen Seamon, Palmer, Stark, and Brown, were conspicuous on the outclassed V. P. I. line-up.

V. P. I., 0—Washington and Lee, 7

V. P. I.'s hopes of a second consecutive state championship were shattered in Roanoke as Joe Sawyer, first-deepening W. & L. back, appeared suddenly from nowhere, grabbed a hastily-tossed V. P. I. forward pass, and sped 80 yards for the touchdown which gave the Generals from Washington and Lee a hard-earned 7-0 victory. Except for this vital outburst in the second quarter, the Roanoke semi-classic was just another football game.

Harry Stark, 200-pound V. P. I. tackle, was easily the outstanding line-man of the day. It was this same Stark, playing the game of his life, who com-pletely stopped W. & L. backs at the line of scrimmage, who ran first General backs out of bounds, and who finally chased Sawyer across the goal line after the latter's 80-yard sprint.

V. P. I. tossed its golden chance to score away early in the game when W. & L.'s quarterback, Martin, fumbled on the first play. Tech recovered on the Generals' 15-yard stripe, but the Blue and White defense was impenetrable.

V. P. I., 0—Virginia, 0

V. P. I.'s gridiron machine continued to function on only a few cylinders in Virginia's new Scott Stadium and the Gobblers were lucky to emerge with a scoreless tie, after having assumed the defensive all afternoon. Only once late in the game were the Gobblers able to penetrate past mid-field. A buckless Virginia eleven, spurred on by the brilliant performance of its Captain Bill Thomas, played the Tech grid-ders off their feet. Virginia backs operated exclusively in V. P. I. territory and only Fate prevented the Cavaliers from scoring in the third quarter, when Thomas missed a touchdown by inches.

In the spotlight all afternoon, resulting from his greatest gridiron performance, was V. P. I.'s sensational Harry Stark, whose sterling exhibition caused Western Maryland's famed football coach, "Dick" Harlow, to remark: "Stark played an All-American game this afternoon if ever I saw such a performance turned in."

V. P. I., 15—V. M. I., 6

The football game for which V. P. I. fans had waited all season finally materialized Thanksgiving Day as a superb Gobbler eleven shook loose hidden shackles and defeated a splintered team from V. M. I., 15-6. Freshened V. M. I. line-men staved off a desperate Gobbler attack early in the first quarter on their own 3-yard line, and great was the joy in the V. M. I. stands.

V. M. I.'s able Bill Smith, All-State quarterback, caught the Tech second-ary taping in the second quarter, and passed to Fred Vrick, clever pass-engaging end, for the touchdown which gave the Lexingtonians a 6-0 lead at intermission.

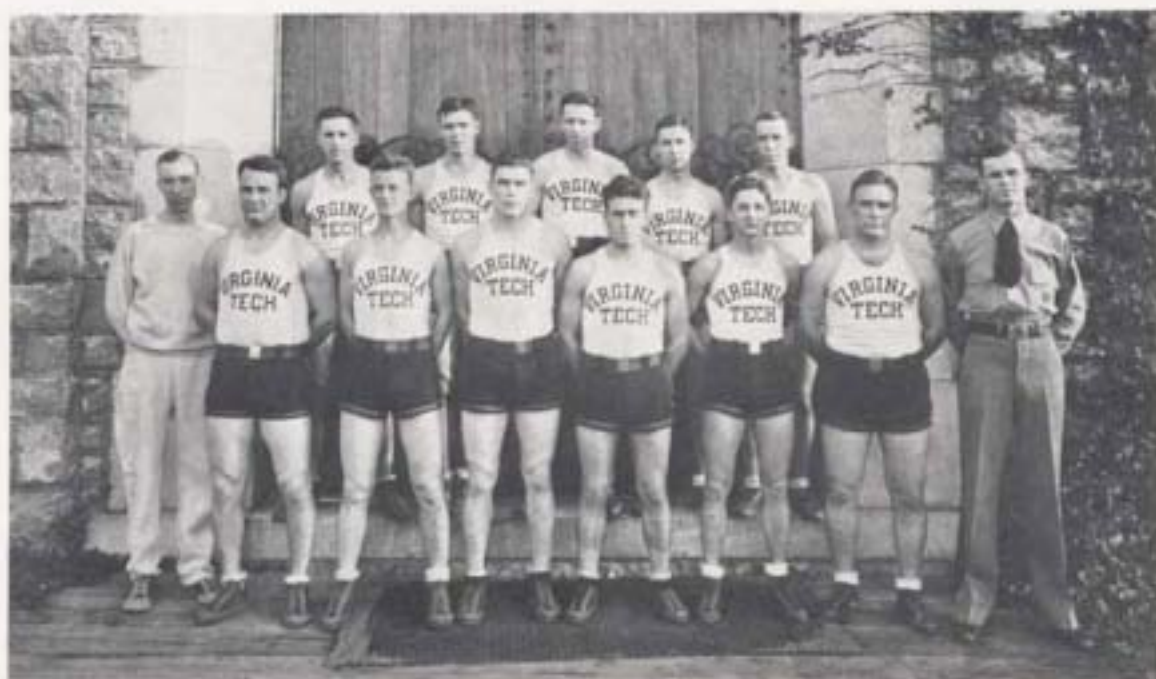

V. P. I.'s superior attack—244 yards from scrimmage to V. M. I.'s 13—accumulated its greatest momentum in the second half as Casey passed to Seamon for the tying touchdown, and the Tech machine squandered an 80-yard drive to take a 13-6 lead. Spectacular in this stalled drive and score of both the resultant touchdown and extra point was V. P. I.'s able Carl Robison, sophomore fullback.

The outcome of the game was never in doubt as Captain Brown, Stark, Harwick, Swart, Gentry, and Berke, played their last college game. The 1931 football season had closed.

Varsity Baseball, 1931

V. P. I.'s 1931 baseball team, although playing .500 ball for the season, suffered a slight eclipse in comparison with the previous brilliant season, when the Goldblers were crowned State Champions, Tri-State League Champions, and Co-Champions, with Alabama, of the Southern Conference. Graduation reached an unrelenting hand down into V. P. I.'s baseball melting pot and claimed seven sturdy veterans.

Young blood anxiously and willingly plugged the many loopholes, slugged and fielded as would be expected from inexperienced talent.

Lacking the superb support and terrific hitting power supplied them the previous season, Goldbler moundsmen found it ever-increasingly hard to win games. Mapp, winner of eight out of eight in 1930, lost many a game as unsteady rookies became wildly excited at critical moments.

Circumstances having been given proper consideration, the 1931 baseball team acquitted itself quite creditably as a whole. Winner of seven games, loser of seven others, along with two drawn contests, is the record of V. P. I.'s baseballers.

First game of the season was V. P. I.'s 10-9 victory over the University of North Carolina at Blacksburg. Off to a 5-run lead in the first three innings, with Barnard's home run and Sutton's triple exploding the dynamite, went V. P. I.'s make-shift baseball team. But certain inexperienced Goldblers became wildly excited under fire of varsity competition, threw thoughtlessly to the wrong bases, enabled the Tar Heels to take a 9-5 lead in the seventh inning.

Barnard's second home run enabled V. P. I. to knot the score in the eighth. Hardwick, Tech centerfielder, tripled in the ninth. Flatfooted was the entire Carolina infield caught as Nicholas and Hardwick worked a perfect hit-and-run play for the winning tally.

"Aggie" Land relieved V. P. I.'s tired Lloyd Marden in the eighth, limited the anxious Tar Heels to a lone single, received credit for his first college victory.

Off on an invasion of the Old North State, Lloyd Marden started his second game of the week against North Carolina State, but was soon relieved by Billingsley, who was in turn succeeded by Land. Continuing his surprisingly excellent hurling, Land yielded only one hit in three innings. Throughout the long hot afternoon the two teams battled nip-and-tuck. Shadows fell over the field and the score was still deadlocked 7-7. Night came on magic wings; the game was called by mutual agreement.

In ten innings at Chapel Hill, the best V. P. I. and the University of North Carolina could do was play to a 11-11 tie. Billingsley, V. P. I.'s contribution to the mound, was accorded rough treatment, relieved by "Aggie" Land in the sixth. Vicious Tar Heel batters collected 15 hits for 11 runs, but they erred the game V. P. I.'s way in the field.

Perhaps, the greatest game of the season was played in Blacksburg when the Goldblers noosed out Washington and Lee in the ninth inning to win 7-6. Two were out, two were on base, V. P. I. was two runs behind in the ninth when Pinch-hitter "Scrubby" Leonard came to bat. Implored to deliver the fatal blow, Leonard responded with a single to right field; the hit which sent V. P. I. on the road to victory. Reggie Mapp, V. P. I.'s ace right-hander, was touched sharply for 9 hits, but nevertheless received credit for his 12th consecutive victory as Leonard gave him zero-hour support.

V. P. I. started early, scoring 3 runs in the first inning. Losing a concentrated attack upon Mapp in the sixth and seventh, the Generals took a commanding 5-3 lead. Both teams scored another run each, and Tech went into the ninth still trailing, 4-6. Frantic, Coach Kircher combined two pinch-hitters, two substitute runners, two W. & L. errors, and Leonard's single to score the necessary three runs; win a great ball game.

Lloyd Murden won his first victory several days later when V. P. I. invaded Charlottesville and defeated Virginia, 5-4. After a team-mate had walked and advanced to second on a fielder's choice in the eighth, Johnny Nicholas drove home the winning run with a single.

V. P. I. proved no match for the University of Maryland at College Park and dropped a double-header by 4-9 and 7-14 scores. This twin defeat cost the Techmen the Tri-League leadership. Reggie Mapp was bested by Maryland's ace, Bill Mollwee, in an old-fashioned pitcher's battle, snapping the former's record of 13 consecutive victories. Limiting the Old Liners to 5 hits in the first game, Mapp would have fared better had he not issued six free passes, which eventually cost him the game. Three times did V. P. I. engineer desperate rallies; three times fast double-plays by Maryland's well-oiled infield choked off all attempts.

The Techmen were off to a 4-run lead in the second game, but Maryland came back with six runs in the second inning, added two more the third, completing the landslide with 5 more in the sixth. Maryland converted their nine hits off Billingsley and Land into 14 runs. Nicholas' three hits and Anderson's pair of safties kept the Gobblers in the running until "Bossy" Berger, cause of more sorrow in the V. P. I. athletic world than any other single opponent, iced the game with a homer which caught the bases jammed.

V. P. I. continued its unfortunate losing streak in Miles Stadium by dropping a double-header to Elon College by 6-7 and 3-15 scores. With the score tied 6-6 in the tenth inning of the opening game, Clark, Elon outfielder, outraced an infield roller to first, craftily stole second and third consecutively, scored the winning run on a perfect squeeze play.

Wildest game ever played in Miles Stadium took place the following afternoon when Elon swamped the Gobblers under a 15-3 score. V. P. I. was off to a 2-run lead in the first inning, seemingly relented for this lack of courtesy, generously contributed 11 errors in the visitors' cause. "Stud" Anderson, substituting for Hardwick in centerfield, secured four hits, including a homer.

The Techmen lost the first of two games to V. M. I. in Blacksburg by a 5-3 score, when his teammates' errors cost Reggie Mapp a shut-out. Into the

ninth inning with a 3-2 lead went V. P. L.'s ball club, but Bibb's wild throw to first with a double-play in sight gave V. M. I. the break for which they had waited. Swiftly they collected three hits, scored three runs, won their most important game.

Seemingly tired of losing game after game, V. P. L. recovered its batting eye to defeat Bridgewater College 10-9 in Blacksburg. Catching his first varsity game, V. P. L.'s "Red" Fleiss led the vicious attack on Mayers with two home runs. The entire Tech line-up gathered a total of 12 hits, including four triples and four homers. Billingsley, V. P. L.'s starring pitcher, coasted along smoothly until the sixth, when Bridgewater found him for three triples and a homer. Chandler performed the relief duty, held the visiting Eagles hitless.

Jack Jarrett, brilliant W. & L. moundsman, struck out 12 Techmen in Lexington and materially aided Washington and Lee to defeat V. P. L. 3-2. This was the first of two games in which the Goldblers participated on the same Friday afternoon; the Techmen playing V. M. I. later in the day. V. P. L. could only touch Jarrett for four hits, while the Generals' seige guns raked Murden and Chandler for 15 safeties.

V. P. L. lost its second game of the same afternoon when they bowed to V. M. I. on Alumni Field, 3-2. V. M. I.'s "Lefty" Williams and V. P. L.'s Reggie Mapp closed four years of intense baseball rivalry amid bitter competition. Williams gave up only 3 hits and struck out 10 Techmen, while Mapp was yielding four hits and striking out 5 Keydets. V. M. I. scored two runs in the seventh on two hits, a passed ball, and a wild pitch, for the hard-earned victory.

Back to Miles Stadium once more, V. P. L. defeated Emory and Henry in a double-header 4-3 and 1-0. Weidner's fumble at the plate of Ramsey's hurried throw in the ninth inning of the first game cost Emory and Henry the game, as two V. P. L. runners crossed the plate.

Co-Captain Reggie Mapp was in rare form in the second game, limiting the visitors to a long hit. Had it not been for Marshall's double, Mapp would have entered the hall of fame with a perfect game, as only 28 men faced him. Pinch-hitting for Morgan in the last inning, Fleiss singled, was replaced on the bags by V. P. L.'s Hardwick, who promptly stole second. The runner scored a moment later as Mapp singled to win his own game.

Mapp returned to the mound four days later in his last college game and held Virginia to four hits to win 6-1. V. P. L. totaled 13 hits off the Cavalier hurlers, which included Benny Palmer's four hits out of four attempts. And with the winning of this game, the season came to an official close.

Track Resume

Unearthing of statistical facts concerning famous track teams of the past points to only one iron-clad conclusion: "A championship cinder aggregation must possess all-around strength in every event of the sport." Teams depending upon the brilliance of several individuals are doomed prematurely to a pageant of defeat. Such a criterion is in order by which to judge the accomplishments of the 1931 V. P. I. track team.

Stars studded the roster of the V. P. I. track universe during early practice. However, these stars, though not limited in natural ability, were severely restricted in number. They performed brilliantly throughout the regular season, occupied the spotlight, broke records. While stars were delivering, other mediocre members of the squad yielded enough points in their respective events to drop all four dual meets, finish last in the state meet, complete perhaps the worse track season in V. P. I. athletic history.

Years ago, Shot-Putter ("Big Jim") Swart developed a peculiar passion for throwing missiles. Endowed with the physique of a Hercules (6 ft. 4 in. tall; wt. 230 lbs.), Swart developed unusual muscles in his huge right arm, learned to throw the shot with these muscles; also the discus. Easily the outstanding performer of V. P. I.'s often-outclassed track team, Shot-Putter Swart was never outdistanced by determined competitors, his surprising heaves never duplicated, twice he broke the Southern Conference record for the shot, set a mark of 47 feet 9½ inches to best former record one foot, finally elected captain for 1932.

Dimmed somewhat by the sparkling exhibition of Shot-Putter Swart, was versatile Sophomore Turner, point-winner in the pole vault, javelin throw, and running high jump. Only recently graduated from the ranks of freshmanhood, Sophomore Turner astonished track enthusiasts by twice breaking the state record for pole vaulting, by taking high-point honors against North Carolina State, by finally clearing the horizontals at 12 feet 2½ inches in state meet for best record on books.

Other V. P. I. track stars: Sprinter and Captain Stanley Rhinehart, Hurdler Julian Prebble, Miler Johnny Miles. These, with Shot-Putter Swart and Pole-Vaulter Turner, constituted a so-called "Big 5."

V. P. I., 59½—North Carolina State, 66½

Closest meet of the season was against North Carolina State at Raleigh, N. C. Until annihilation overtook them in the broad jump, last event of the day, V. P. I.'s tracksters were faced with the probability of victory, due mainly to Sophomore Turner's first in the pole vault and the javelin, his tie for first in the high jump. V. P. I. had no star to enter in the broad jump, had a premonition that they faced disaster. Result: Wolfpack made clean sweep of all three places, won the meet 66½ to 59½.

Prominent among V. P. I.'s achievements were: Swart's hurling of the shot and the discus; Turner's three firsts, giving his high-point honors of the meet; Prebble's first in the high hurdles, his second in the low timbers; Miles' great two-mile run.

The Wolfpack's eight first places featured Sprinter Floyd's double victory in the 100 and the 440 dashes, making him Carolina's high-point man. V. P. I.'s Turner broke the Gobbler record when he pole vaulted 12 feet, besides otherwise distinguishing himself in his first varsity appearance.

RHINEHART

MILES

PREBBLE

V. P. I., 541-5—North Carolina, 912-5

V. P. I. could have entertained little hope of victory against the University of North Carolina as they continued their unsuccessful invasion of Tar Heel domain at Chapel Hill the next day. For 10 years, the crack Tar Heel tracksters had lost no dual meets. They refused to risk their sensational record by taking the Gobbler's as set-ups, set to work viciously to annex eleven of the fourteen first places, handed V. P. I. its worst defeat of the season.

Especially bad the Tar Heels mastered the art of running the 100 and 200-yard dashes and broad jumping. Result of this excellency: a clean sweep for North Carolina.

Strange as it seems, star of this one-sided meet was a Blacksburg boy. But this blond, speedy Blacksburg boy, "Rip" Shuser, wore the victorious colors of the Tar Heels. One time in life, Sprinter "Rip" Shuser's ambition was to attend V. P. I. He met with little encouragement from V. P. I. athletic authorities, cast his lot with Carolina, became sensational footballer and trackster at Tarheel, probably realized something akin to revenge as he led the uneven assault upon the invading Techmen from his home town.

In 10 seconds flat, Sprinter Shuser blazed the 100-yard dash, a moment later, came within 2 of a record of equalling the Southern Conference record in the 220 low hurdles, became North Carolina's high-point man with 10 points.

Shot-putter Stuart had long cherished the desire to break the Conference record for the shot. Many times he came close, always inches short in the final measurement. His team trailing disgracefully against the Tar Heels, Shot-putter Stuart grew angry at the disappointing exhibition, threw the shot high and far, broke the Southern Conference record by a foot, the classic heave measuring 47 feet 9½ inches. Still angry, Hercules Stuart won first in the discus, tied Carolina's Sprinter Shuser for high-point honors.

V. P. I.'s Captain Rhinehart, runner the only other Gobbler first place when he won the 440. Hurdler Prebble, not quite good enough for a first place, lost the V. P. I.'s total in the low and high hurdles with seconds. The meet was too uneven; the Tar Heels' superb all-around strength running the Techmen ragged. Never did V. P. I. encounter such terrific opposition again.

V. P. I., 41—Virginia, 85

The track schedule continued to call for foreign invasions. This time V. P. I. dropped its third consecutive dual meet at Charlottesville to the University of Virginia, who more than doubled the score, 85-41. The Walloos, ever fond of Gobbler meets, could their best as they captured ten of the fourteen first places to hand the Techmen a terrific doubling.

Captain Wisner, Walloo sprinter, maintained his reputation as a great competitor by winning the 100 and the 220 dashes with comparative ease. V. P. I.'s chances in these events were reduced to practically zero as Captain Rhinehart, Tech's fastest son, sustained a torn muscle in pre-game starts, was forced to play role of spectator, saw Virginia's Wisner tramp home to easy wins in his pet events.

Wright-Man Stuart's victories in the shot and the discus, Pole-Vaulter Turner's first, Two-Miler Miles' win, accounted for V. P. I.'s four firsts.

V. P. I., 51 2-3—V. M. I., 74 1-3

Best of friends, but keenest of athletic rivals, is Blacksburg's Techmen and Lexington's Keydets. Any athletic event between the two schools is therefore invariably bitterly contested. In football, the underdog generally achieves a Thanksgiving victory in Roanoke, but in track it is upon the shoulders of the individual performer that the burden rests. And it is the team which possesses the greater versatile strength that wins on the cinder path. V. M. I.'s 74 1-3 to 51 2-3 victory over Tech is an excellent example of this sporting logic.

Performing in Miles Stadium for first time of the campaign, V. P. I. tracksters piled up an astonishing total of points in the field events early in the afternoon, lost the most important meet of the season when V. M. I.'s rejuvenated runners annexed every track event, except one.

Only V. P. I. trackster to break V. M. I.'s monopoly in the cinder events was fleet, black-haired hurdler Julian Prebble, who established a new stadium record of 25.1 seconds for the 220 low hurdles.

Most thrilling of all races to spectators was the 440-yard dash, won by Romm of V. M. I. in record time, 49.9 seconds. V. M. I. excelled in the middle distances, most grueling of all races, as Captain Ham Smith, Bond, and Wise, divided honors for first place in the half mile, the mile, the two-mile race.

V. P. I.'s Turner, crack pole vaulter, leaped 12 feet 2 inches to set new stadium record. Other Gobbler stars were hard to single out.

THE STATE MEET

Virginia, 63 1-3—W. & L., 53 11-12—

V. M. I., 25 3-4—V. P. I., 19

Amid the shattering of eight new varsity records, prominent among which were the pole vault record of 12 feet 2½ inches, set by V. P. I.'s Sophomore Turner, and a new Southern Conference shot record by Hercules Swart, the tracksters from the University of Virginia won the Lexington state meet early in May. Fleet-footed Generals of Washington and Lee placed second, V. M. I. slipped quietly into third. Previously defeated by both Virginia and V. M. I., the Techmen finished logically in last place, totaling 19 points.

Victor in three events, breaker of two records, capturer of individual honors, was Sprinter Wisner, captain and star of the victorious Cavaliers, whose 15 points stamped him high-point man, the most versatile track star in the Old Dominion. Wisner took only 9.9 seconds to cover 100 yards; 22 seconds to complete the exacting 220; both against heated competition.

Other record breakers: Captain Ham Smith, V. M. I., the mile run, in 4 minutes 23 seconds; Leigh Williams, W. & L., the 440 dash, in 49.9 seconds; Frank Speer, W. & L., the 120-yard hurdles, in 15.1 seconds.

Still fighting, but hopelessly outclassed, the shades of 1931 fell upon the gallant V. P. I. track team. Let each reader judge the team's accomplish-

Here's A Real Job For You!

The profession of life insurance presents uniquely favorable opportunities to the young man with a college background. It requires practically no capital. Remuneration is in direct proportion to the intelligence and effort applied.

If you are interested in a business that offers "guaranteed bonds" to a receptive public, write to our Agency Department.

Finals

TO the casual observer, finals constitute merely the melee of dances and the glamor of parades, but the week of finals plays a dramatic role in the life of every true Techman. Alumni, many of whom have not visited their alma mater since graduation, return to be greeted by the members of their respective classes. We witness with reverence those greetings between V. P. I. men of the past, and we cherish that glow on the faces of these men as they devotedly relate numerous anecdotes of their undergraduate days. It is difficult to realize that there has been such a stupendous growth and development in V. P. I. . . .

Seniors gather in little groups on the campus and formulate plans for the future, pledging an unswerving allegiance to each other and to alma mater. They linger here and there at their favorite haunts, fearing to leave, for they know not when they will return; but they, knowing that in the future lies a bigger and a better V. P. I., have a new hope, an earnest desire to come back again, during some other finals, perhaps. . . .

Underclassmen tirelessly parade through rain and mud, envious of those who have gone before them. But they, too, realize new responsibilities. V. P. I. is now their heritage; it is they who have to carry on; it is they who have a new trust to fulfill; it is they who must work for the V. P. I. of the future. . . .

*C*OLLEGE DAYS, as all other good things, must some day end! Finals, the thrill of every senior, means just this; but after all, there are other finals to look forward to as alumni, returning to Alma Mater to renew acquaintances. To those alumni, again making V. P. I. their home for that brief period during finals, we dedicate this, the Finals section of the 1932 BUGLE.
