

FAEIS Newsletter

February 26, 2007

We feature the **Family & Consumer Sciences Home Economics Teacher Education** discipline [CIP: 13.1308](#) in this newsletter. Below are several charts that summarize the data in FAEIS.

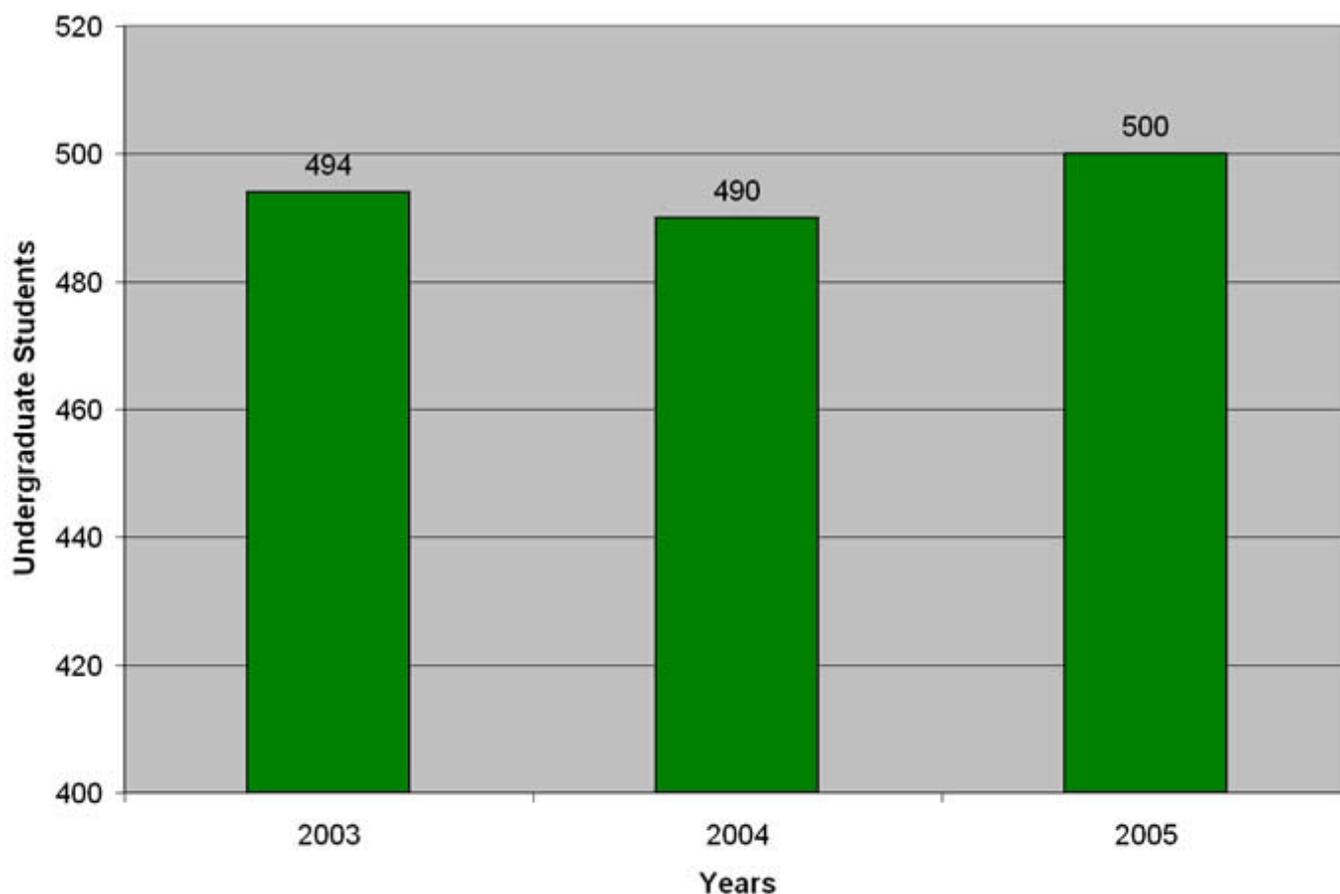

The enrollment data for 2006 was not included in this report due to continuing entry of this data. Enrollment data for 2006 remains preliminary and will be included in a future report. The data used in this report reflects current FAEIS data and should be viewed as a sample of the population of information for this discipline. To improve the data, please consider adding or updating your data.

We intend to create additional newsletters to feature other disciplines. We hope that you find these newsletters to be useful!

Yours truly,

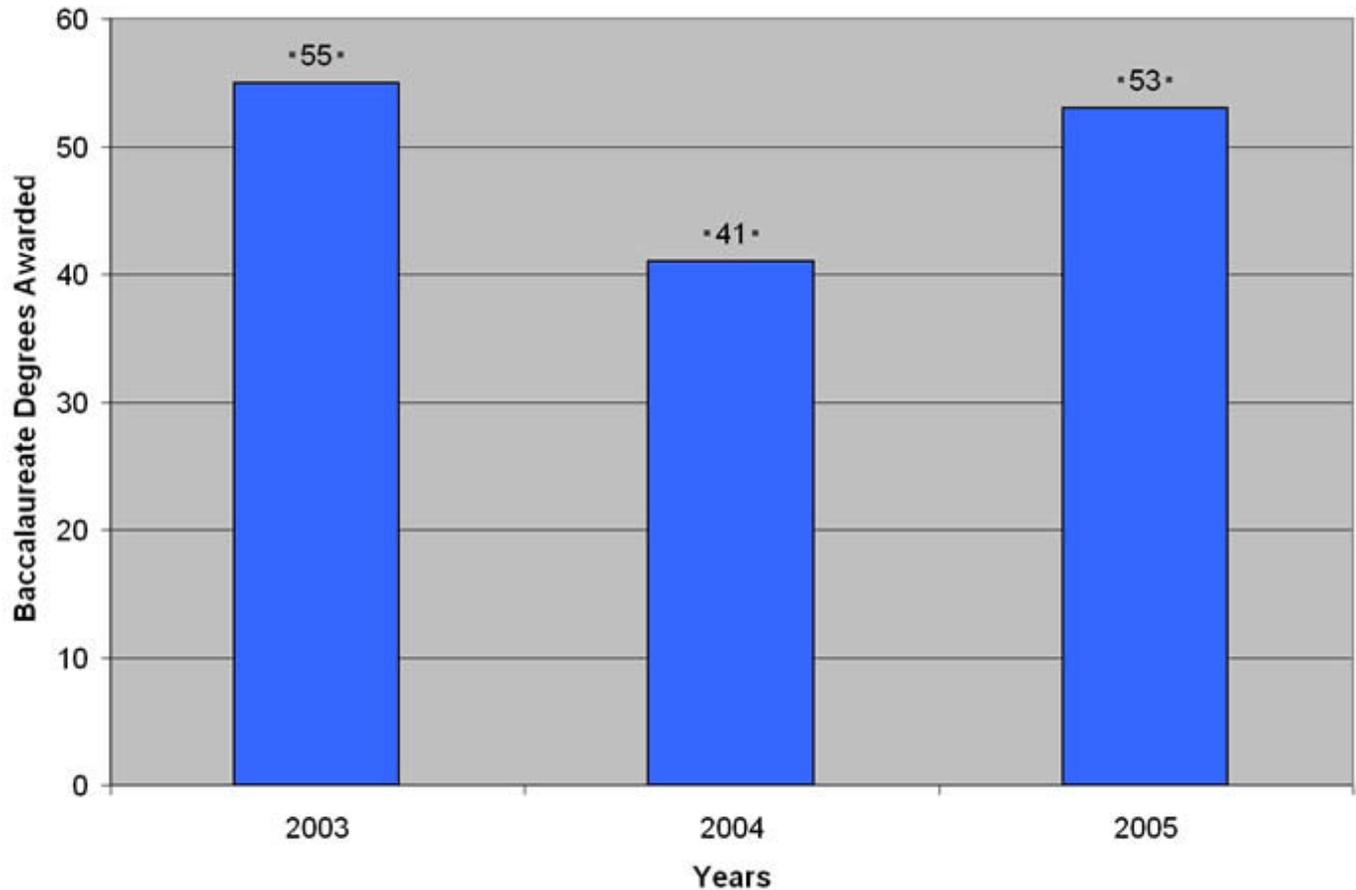

The FAEIS Development Team
