

Copyright Release

08/13/2020

This document has been requested by the Signature Approval System hosted by the Virginia Tech Graduate School (<https://ess.graduateschool.vt.edu/>) and is submitted along with a PDF copy of my dissertation, “Robustifying Machine Learning based Security Applications”, in partial fulfillment of the requirements for the degree of Doctor of Philosophy in Computer Science and Applications.

I, Steve Jan, claim copyright protection for my Ph.D. dissertation, “Robustifying Machine Learning based Security Applications” (2020). In accordance with VT Graduate School requirements, I hereby grant to Virginia Tech and its agents the non-exclusive license to archive and make accessible, immediately, my thesis or dissertation [in whole or in part in all forms of media], now or hereafter known. I retain all ownership rights to the copyright of the thesis or dissertation. I also retain the right to use in future works (such as articles or books) all or part of this thesis or dissertation.
