

Official Student Organizations Receiving Funding Allocations During the Fiscal Year 2013-2014

The Student Activity Fee for 2013-14 was \$464 and used to support the operation, maintenance and debt service expenditures for Student Centers and Activities, the Center for the Arts and for support of various student activities as determined by the Student Budget Board. For 2013-14, \$1,327,176 was available to be allocated to support various student organizations, which included a base allocation of \$1,124,881 for fiscal year 2013-14, and \$202,295 of unspent and/or unallocated funds carried forward from the prior fiscal year.

Student organizations applying for student activity fee funding must submit budget requests to be reviewed by the Student Budget Board (SBB). Only organizations that have registered with the Student Centers and Activities, by the end of the fourth week of the Fall semester, are eligible to submit a budget request. All organizations may be asked to appear before the board to present their request and to answer questions of the board members. The board is governed by funding policies approved by the Commission on Student Affairs.

The Student Budget Board, a standing committee under the Commission on Student Affairs (CSA), is responsible for reviewing budget requests and making funding for University Chartered Student Organizations (UCSO) and University Student Life Programs (USLP) organizations and Registered Student Organizations (RSO). The Student Budget Board is accountable to the Commission for its funding decisions and for approval of its policies. Its membership is composed of students, staff, and faculty. The Student Budget Board is chaired and advised by the Associate Director of Student Centers and Activities, a full time administrative professional staff person in the Department.

Prior to 2013-2014 there has been an auxiliary board, the Registered Student Organization Budget Board (RSO BB) that had heard requests from all graduate and undergraduate Registered Student Organizations (RSO's). Beginning with the 2013-2014 year the Student Budget Board hears all funding requests and the RSO BB is no longer operating. These changes were approved through the Commission on Student Affairs in the Spring of 2013.
