Final App Design
What We Accomplished

Press the mic button to start recording

00:00

I wish to go to the movies
Lessons We Learned

❖ Communication is key!
❖ Managing time in a team
❖ How to make a project that can be modified by others
Future Application Development

❖ Implement storage for text scrawl
❖ Implement landscape-mode support
❖ Add customizable colors and fonts
❖ Speech-to-text support
Thank you!

Special Thanks to -
