

**Copyright Release**  
August 19, 2022

This document serves as the copyright release as requested by the Virginia Polytechnic Institute and State University Graduate School ETD Submission process. This is submitted in partial fulfillment of the requirements of the degree of Doctor of Philosophy in Mechanical Engineering for the dissertation "Three-dimensional Fluid Flow Measurement Techniques with Applications to Biological Flows"

I, Roderick R. La Foy, claim copyright protection for my Ph.D. dissertation, "Three-dimensional Fluid Flow Measurement Techniques with Applications to Biological Flows" (2022). I hereby grant to Virginia Polytechnic Institute and State University and its agents the non-exclusive license to archive and make accessible, my dissertation [in whole or in part in all forms of media], now or hereafter known. I retain all ownership rights to the copyright of the dissertation. I also retain the right to use in future works (such as articles or books) all or part of this dissertation.
