Good afternoon,
I am a Masters of Landscape Architecture student in the U.S. and ran across your project at Highland Park Villas. I love how you were able to create the wooded aesthetic within the confines of the building and was wondering if I might gain permission to use some of your images in my case study for my thesis work.

Sincerely,

Dear Will,

Thank you for your interest in our project Holland Park Villas. I am happy for you to use some images in your case study. Please find enclosed a series of photographs of the completed scheme, which should be credited to Gillespies/John Sturrock.

Best of luck with your thesis.

Kind regards,

Karina
