WORD

In presenting the 1941 Bugle, it is the earnest desire of the editors to make this volume a faithful record of the events and activities which have gone to make the four years we have spent here so unforgettable in our lives.

We, of the graduating class have witnessed a tremendous growth in the size and prestige of V. P. L., but also a growth in spirit that is truly memorable. We can be justly proud of these forward strides.

This volume has attempted to depict this march toward a greater V. P. L., and to aid the memory in later years to recall the happy hours we spent at Virginia Tech.

DEDICAT

To John Edward Williams, Dean of the College, as an humble tribute to his fine qualities as a man, his patient tolerance as an administrator, and his sincere understanding as a counselor, we dedicate this forty-seventh edition of The Bugle.

Dean John Edward Williams, A.B., M.A., Ph.D., L.L.D.

ION

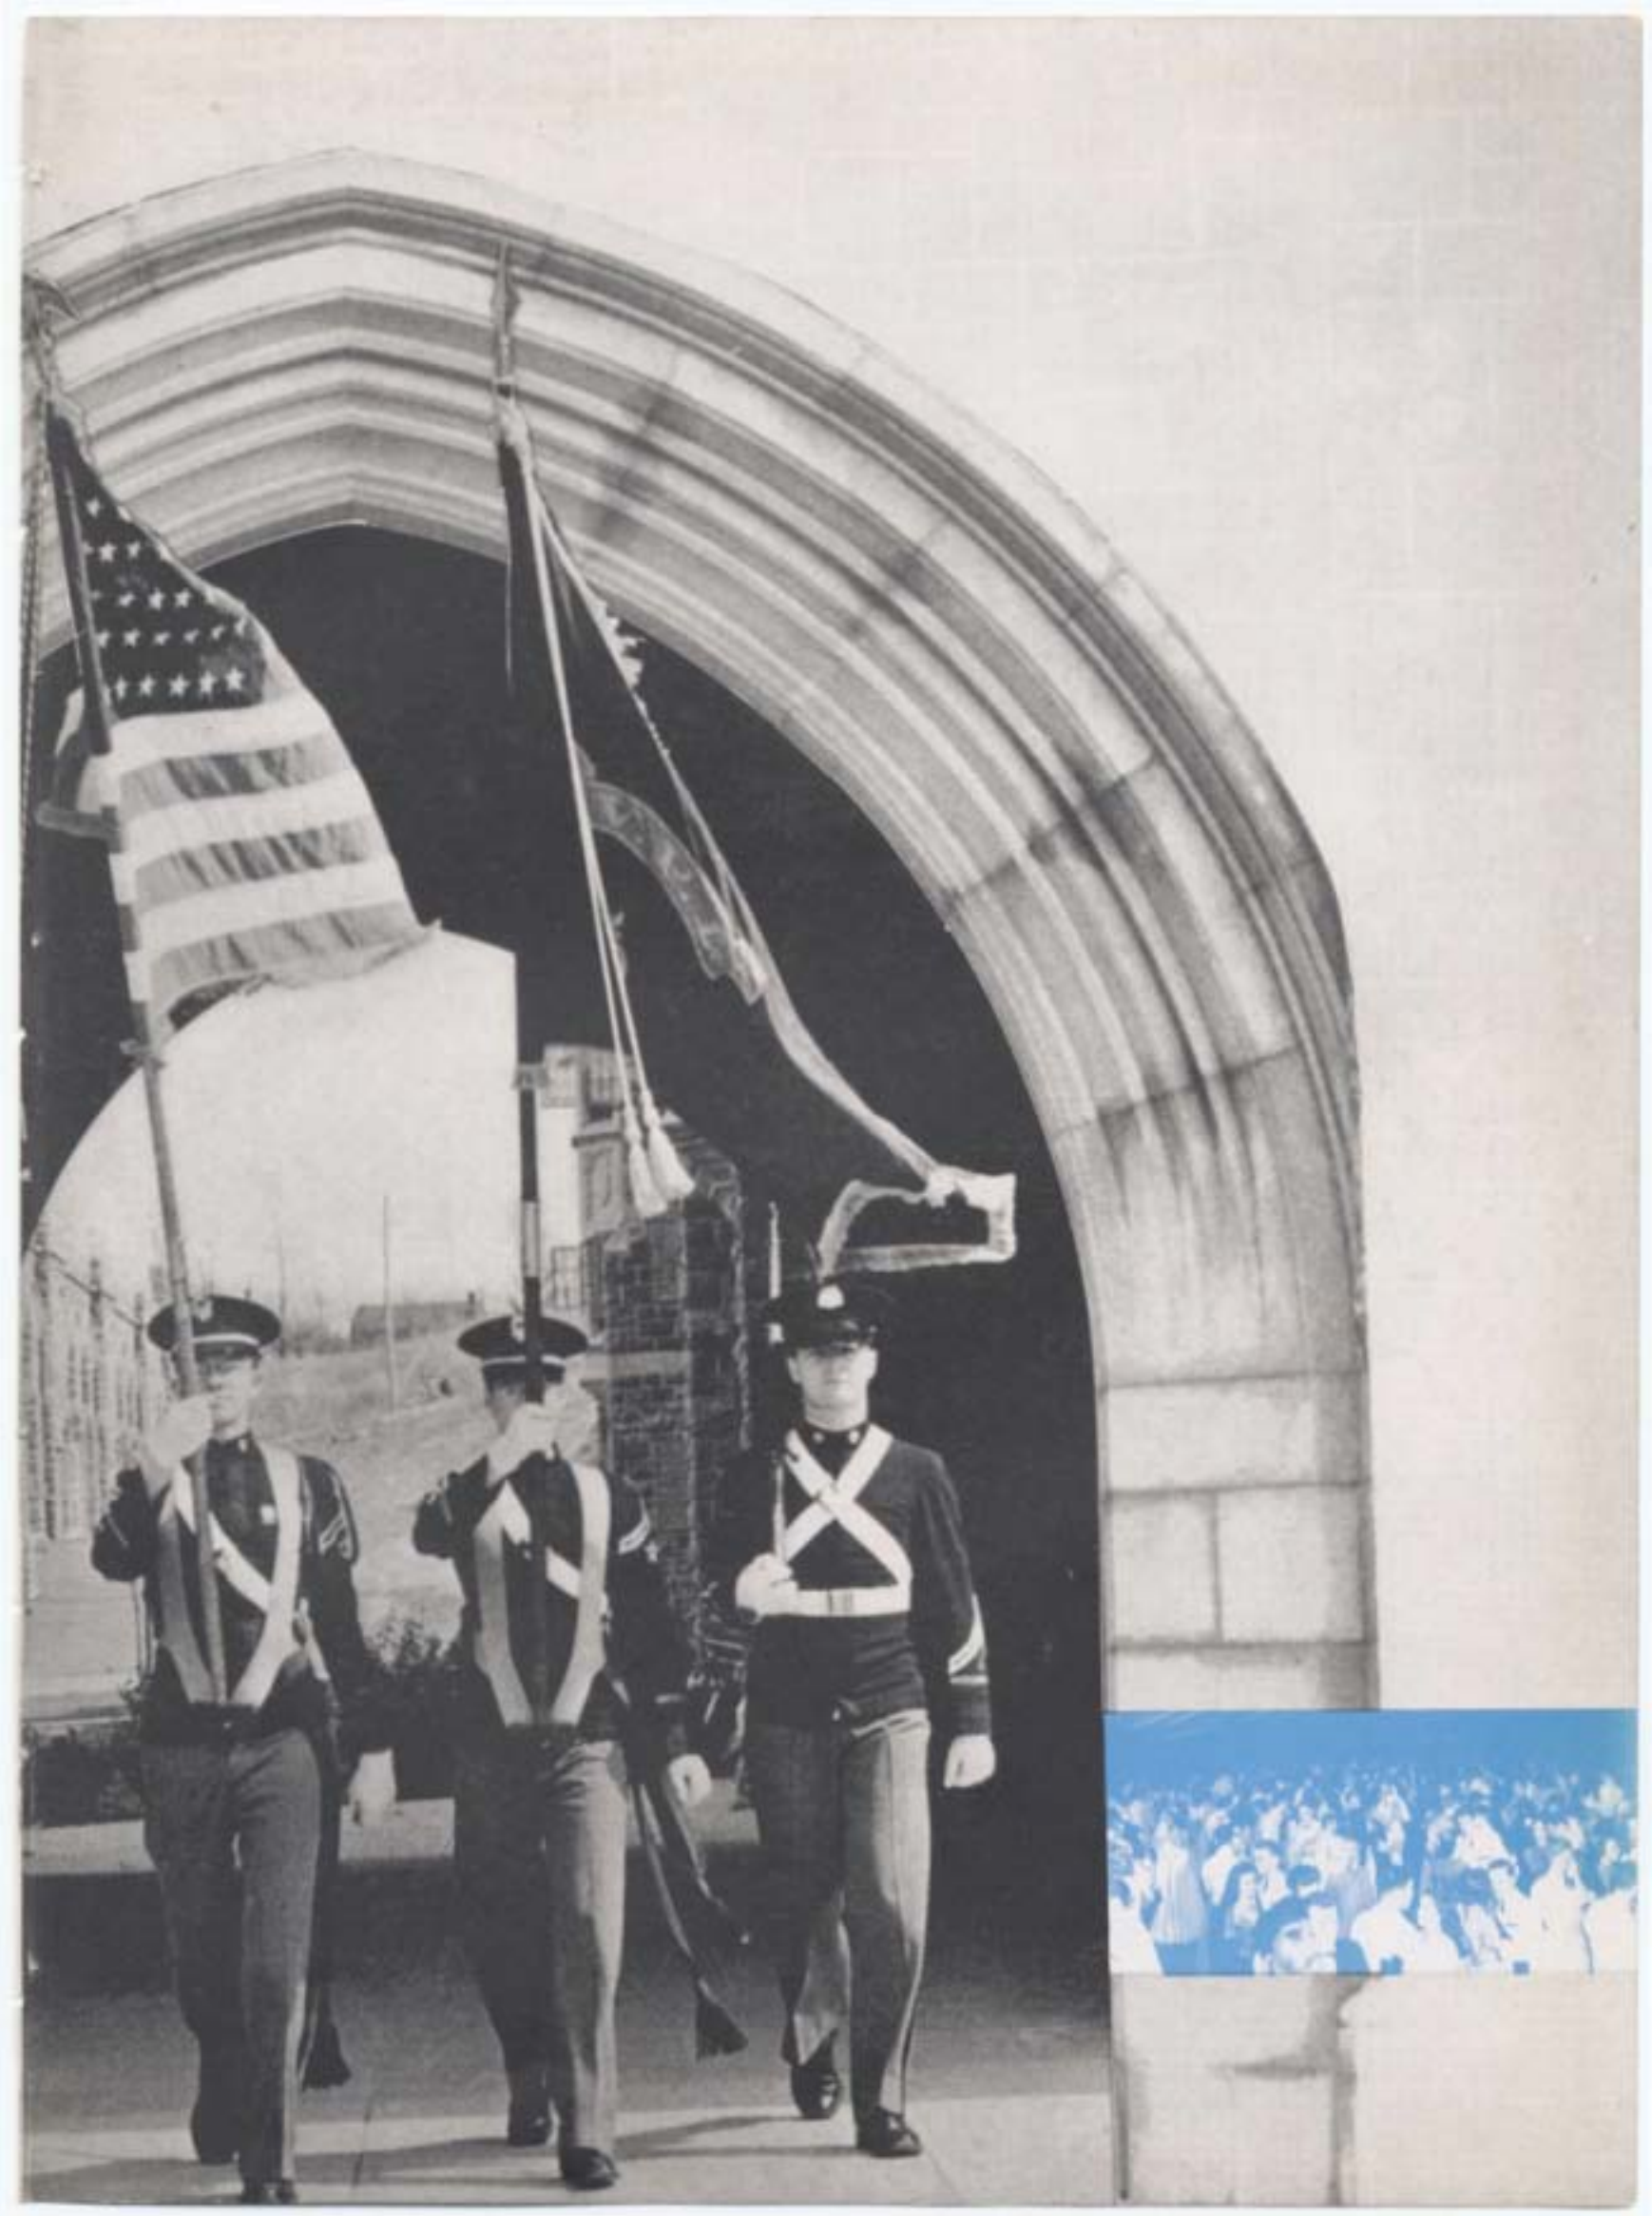

The COLLEGE

The College is the largest subdivision into which the school may be divided because the college is composed essentially of the classes. Therefore, this section of *The Bugle* contains the graduating class and the undergraduate classes, both military and civilian.

These classes have written the story which is pictured in these pages, and it is to depict their activities on the campus that this forty-seventh edition of *The Bugle* is presented.

JULIAN A. BURRUSS, Ph.D., LL.D.

President

To the excellent administrative ability of President Burruss may be credited the tremendous growth that has been Virginia Tech's during the past four years. The success of his policies and plans has resulted in a great stride toward a greater V. P. I.

JOHN EDWARD WILLIAMS

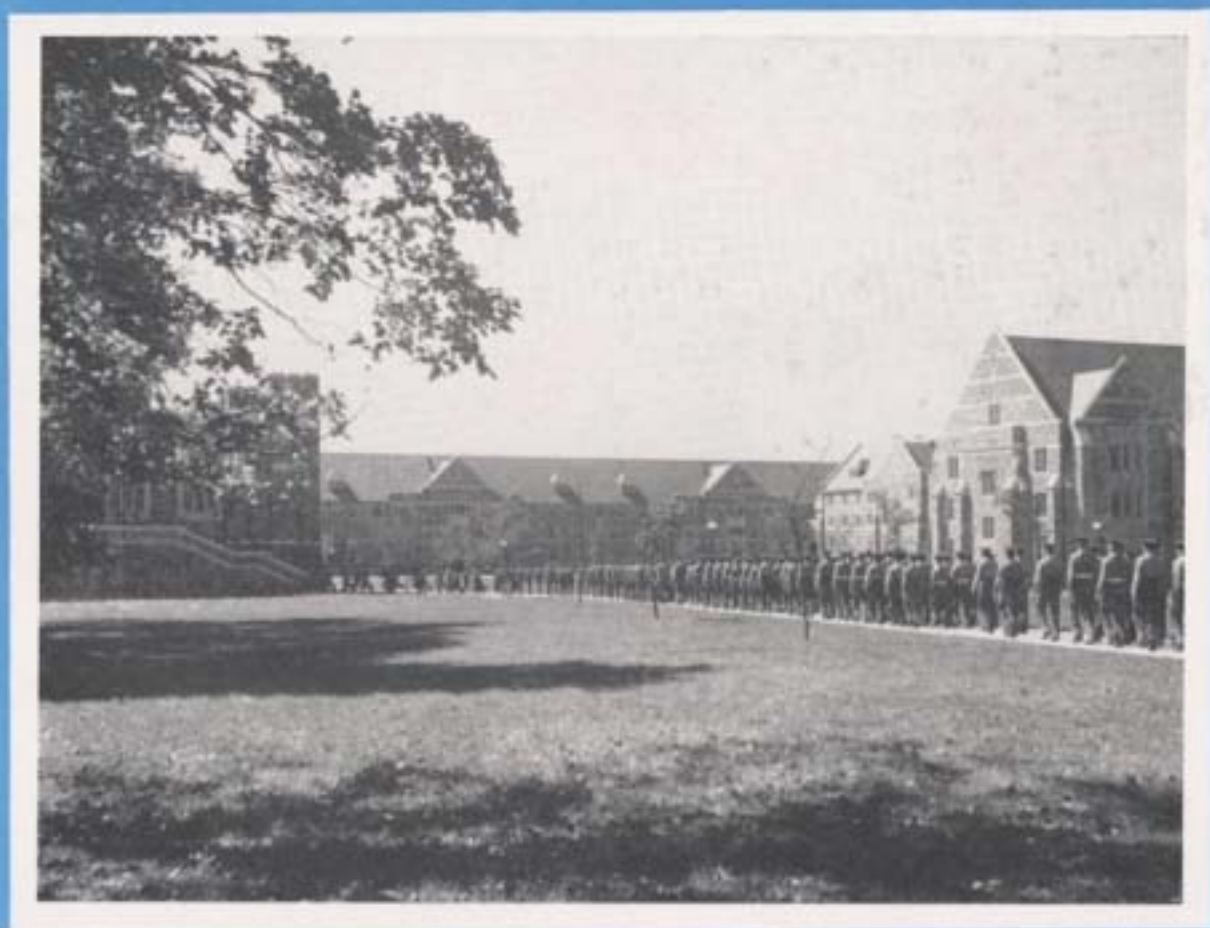

Dean of the College

As Dean of the College, Dean Williams has done everything in his power to promote the interests of the students and to serve the college to the limit of his capacity.

CIVILIAN OFFICERS

THOMAS FLEMING ARCHER
"POP"

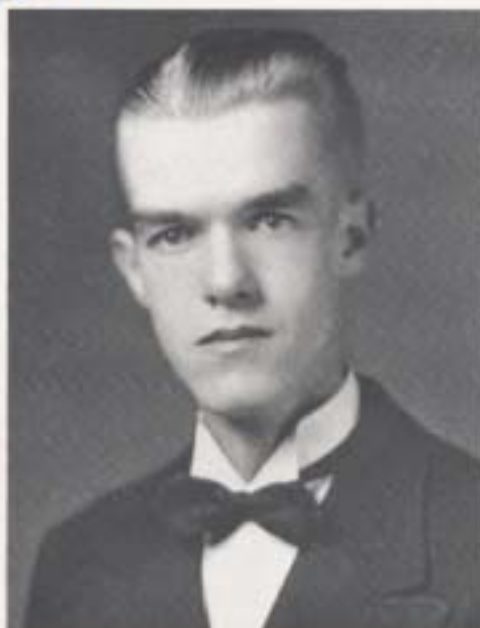

Chemical Engineering Petersburg, Va.

Freshman: Richmond Division, V. P. I.

Sophomore: Richmond Division, V. P. I.

Junior: Civilian; Phi Lambda Upsilon; A. I. Ch. E.

Senior: Civilian; Phi Lambda Upsilon; Tau Beta Pi; V. Pres. A. I. Ch. E.; Petersburg Club.

SAMUEL EVANS ASHWORTH
"SAM"

Business Administration Bluefield, Va.

Freshman: Bluefield College.

Sophomore: Bluefield College.

Junior: Civilian Student's Union.

Senior: Civilian Student's Union.

ARCHER
BAILEY

ASHWORTH
BARNs

ARTHUR LEON BAILEY
"ART"

GEORGE FRANCIS BARNs
"GEORGE"

Mining Engineering Old Orchard, Maine

Animal Husbandry Pocahontas, Va.

Freshman: Pvt., Co. E; Freshman Track; Intramural Track.

Freshman: Civilian Student Union.

Sophomore: Civilian; Mineral Club; Intramural Track.

Sophomore: Civilian Student Union.

Junior: Civilian; A. I. M. E., Student Member; Mineral Club; C. S. B.; Intramural Track, Boxing.

Junior: Agricultural Club; Block and Bridle Club; Civilian Student Body.

Senior: Civilian; Student Member of A. I. M. E. Burkart Club.

Senior: Sigma Delta Psi; German Club; Aggie Club; Block and Bridle Club; Civilian Student Body.

CLASS

STANTON BAKER BIGGS
"BIGGS"

Civil Engineering *Lake, Md.*
Freshman: Bluefield College.
Sophomore: Bluefield College.
Junior: Civilian; Varsity Basketball; A. S. C. E.;
 Monogram Club.
Senior: Civilian; A. S. C. E.; Monogram Club.

ESTHER EVELYN BILLER
"KETONE"

Home Economics *Pasadena, Cal.*
Freshman: Western Kentucky State Teachers Col-
 lege.
Sophomore: Western Kentucky State Teachers Col-
 lege.
Junior: Biology Club.
Senior: Biology Club; B. S., General Science.
Graduate: Biology Club; Y. W. C. A.; Home Eco-
 nomics Club; Major, Household Equipment.

BIGGS
BILLMYER

BILLER
BOOTHE

FRANK WILLIAM BILLMYER
"BILL"

GROVER CRAIG BOOTHE
"BUCK"

Chemistry *Victoria, Va.*
Freshman: Shepherd College, Shepherdstown, West
 Virginia.
Sophomore: Shepherd College, Shepherdstown, West
 Virginia.
Junior: Virginia Tech, Civilian News; Mid-Vir-
 ginia Club; Civilian Student Body.
Senior: Chemistry Club; American Chemical So-
 ciety; Mid-Virginia Club; Y. M. C. A.; Civilian
 Student Body.

Agricultural Economics *Pulaski, Va.*
Freshman: Berea College, Kentucky.
Sophomore: Southwest Virginia Club; Civilian Stu-
 dent Union.
Junior: A. E. S. S.; Southwest Virginia Club;
 Civilian Student Union.
Senior: A. E. S. S.; Southwest Virginia Club;
 Civilian Student Union.

MAXWELL BRYANT
"DICK"

Agricultural Education *Blairs, Va.*

Freshman: Agricultural Club; Seminole Club.

Sophomore: Agricultural Club; Seminole Club.

Junior: Agricultural Club; F. F. A.; Seminole Club.

Senior: Agricultural Club; F. F. A.; Seminole Club.

SARAH-ELLEN BURCHARD
"DOLLY"

Home Economics *Manassas, Va.*

Freshman: Madison College.

Sophomore: Madison College.

Junior: Home Economics Club; Y. W. C. A.; Civilian Student Body; Glee Club; Secy., Maroon Mask.

Senior: Home Economics Club; Civilian Student Body; Y. W. C. A.; Secy., Maroon Mask; Co-ed Advisory Council; Glee Club.

BRYANT
BURKHOLDER

EDMUND W. BURKHOLDER, Jr.
"BURK"

Mechanical Engineering *Princeton, W. Va.*

Freshman: Bluefield College.

Sophomore: Bluefield College.

Junior: Civilian; Intramural Sports; A. S. M. E.

Senior: Civilian; Intramural Sports; A. S. M. E.; West Virginia Club; Y. M. C. A.

BURCHARD
BUSH

MILTON McMURTRIE BUSH
"CAP"

Electrical Engineering *Petersburg, Va.*

Freshman: Civilian; Intramural Sports; Y. M. C. A.; A. I. E. E.

Sophomore: Civilian; A. I. E. E.; Y. M. C. A.

Junior: Civilian; Eta Kappa Nu; Omicron Delta Kappa; Secy. and Treas., A. I. E. E.; Petersburg Club; Secy., Engineering Council; Treas., Civilian Student Body.

Senior: Civilian; Eta Kappa Nu; Omicron Delta Kappa; Chairman, A. I. E. E.; Petersburg Club; Chairman, Engineering Council; Pres., C. S. B.

CLASS

MARY VERONICA CAPRON
"MARY"

Home Economics *Blacksburg, Va.*

Freshman: Virginia Polytechnic Institute.

Sophomore: Mary Washington College.

Junior: Biology Club; Y. W. C. A.

Senior: Biology Club; Home Economics Club; Y. W. C. A.

WM. SPAULDING CHAIRSELL
"WILLIE"

Civil Engineering *Richmond, Va.*

Freshman: V. P. I. Extension, Richmond, Virginia.

Sophomore: V. P. I. Extension, Richmond, Virginia.

Junior: Intramural Sports; A. S. C. E.; Richmond Club; Y. M. C. A.; Civilian Student Body Senate.

Senior: Intramural Sports; Editorial Board, Virginia Tech; A. S. C. E.; Richmond Club; Cabinet, Y. M. C. A.; Civilian Student Body Senate.

CAPRON
COLI

CHAIRSELL
COVINGTON

GUIDO JOHN COLI
"COLI"

Chemical Engineering *Richmond, Va.*

Freshman: V. P. I. Richmond Extension.

Sophomore: V. P. I. Richmond Extension.

Junior: Intramural Sports; Newman Club; A. I. Ch. E.; Phi Lambda Upsilon; Richmond Club; Civilian Student Union.

Senior: Intramural Sports; Newman Club; A. I. Ch. E.; Phi Lambda Upsilon; Tau Beta Pi; Richmond Club; Civilian Student Union.

JACOB HARGIS COVINGTON
"JACK"

Chemical Engineering *Keyser, W. Va.*

Freshman: Potomac State School of West Virginia University.

Sophomore: Potomac State School of West Virginia University.

Junior: Civilian; Phi Lambda Upsilon; Student Chapter, A. I. Ch. E.; Glee Club; Senate.

Senior: Civilian; Phi Lambda Upsilon; Phi Kappa Phi; Tau Beta Pi; Student Chapter, A. I. Ch. E.; V. Pres., Civilian Student Body; Glee Club.

LEWIS DANIEL CROOKS
"DANNIE DEEVER"

Business Administration Richmond, Va.

Freshman: Pvt., Co. E; Intramural Football; Cotillion Club; Richmond Club.

Sophomore: Civilian; Cotillion Club; Richmond Club.

Junior: Civilian; Cotillion Club; Richmond Club.

Senior: Civilian; Cotillion Club; Business Club; Richmond Club; Executive Committee.

JOHN NATHANIEL CROWE
"JOHN"

Agricultural Education Richmond, Va.

Freshman: Civilian; Freshman Basketball; Y. M. C. A.

Sophomore: Civilian; Intramural Sports; Agricultural Club; Future Farmers of America.

Junior: Civilian; Intramural Sports; Agricultural Club; Future Farmers of America; Richmond Club.

Senior: Civilian; Intramural Sports; Agricultural Club; Future Farmers of America; Richmond Club.

CROOKS
DeHART

CROWE
DE LISLE

MARY ESTELLE DeHART

Business Administration Blacksburg, Va.
(Accounting Option)

Freshman: Business Club; Womens Student Union.

Sophomore: Business Club; Womens Student Union.

Junior: Y. W. C. A.; Business Club; Southwest Virginia Club; Civilian Student Body.

Senior: Phi Kappa Phi; Y. W. C. A.; Business Club; Corres. Secy.; Southwest Virginia Club; Civilian Student Body; Womens Student Body.

ROBERT GEORGE DE LISLE, JR.
"JACK"

Biology Brooklyn, N. Y.

Freshman: Civilian; Intramural Sports.

Sophomore: Civilian; Intramural Sports; Biology Club.

Junior: Civilian; Intramural Sports; Varsity Golf.

Senior: Civilian; Intramural Sports; Varsity Golf; Biology Club; Short-Wave Club.

CLASS

ANNE FLOYD DICK
"NANCY"

Home Economics Nassawadox, Va.

Freshman: Madison College.

Sophomore: Madison College.

Junior: Home Economics Club; Eastern Shore Club; Y. W. C. A.; 4-H Alumni Club; Civilian Student Body.

Senior: Ed. and Bus. Staff BUGLE; Ed. Staff Guide; Home Economics Club; Pres., Y. W. C. A.; 4-H Alumni Club; Civilian Student Body.

LLOYD C. EBERHARD, JR.
"EBER"

Mechanical Engineering Richmond, Va.

Freshman: Richmond Division of V. P. I.

Sophomore: Richmond Division of V. P. I.

Junior: Civilian; Intramural Valley Ball; Pi Tau Sigma; A. S. M. E.; Richmond Club; Y. M. C. A.

Senior: Civilian; Pi Tau Sigma; A. S. M. E.; Richmond Club; Y. M. C. A.

DICK
EDGERTON

EBERHARD
ELLIS

GEORGE LUTHER EDGERTON
"EDGIE"

RAYMOND C. ELLIS
"RAY"

Mechanical Engineering Portsmouth, Va.

Freshman: V. P. I. Extension, Norfolk.

Sophomore: V. P. I. Extension, Norfolk.

Junior: A. S. M. E.; Norfolk Club; Senator of Student Government.

Senior: Cotillion Club; A. S. M. E.; Norfolk Club.

Mechanical Engineering Richmond, Va.

Freshman: V. P. I., Richmond Division.

Sophomore: V. P. I., Richmond Division.

Junior: Intramural Sports; A. S. M. E.; Richmond Club.

Senior: Intramural Sports; A. S. M. E.; Richmond Club.

WALLACE ROCKWELL EVANS, JR.
"DUMB BUNNY"

Mechanical Engineering Boydton, Va.

Freshman: Civilian Student Union; B. T. U. Club.
Sophomore: Civilian Student Union; B. T. U. Club.

Junior: Civilian Student Union; B. T. U. Club; A. S. M. E.

Senior: Civilian Student Union; B. T. U. Club; A. S. M. E.

DAVID RAPHEAL FOURNEY

Mechanical Engineering Blue Jay, W. Va.

Freshman: Civilian.

Sophomore: Concord College.

Junior: Swimming Team; Intramural Basketball; A. S. M. E.; West Virginia Club; Newman Club.

Senior: Intramural Sports; A. S. M. E.; West Virginia Club; Newman Club.

EVANS
FOX

FOURNEY
FUNNELL

L. O. FOX, JR.
"SONNY"

Mechanical Engineering Ansted, W. Va.

Freshman: New River State College.

Sophomore: Intramural Basketball, Track; A. S. M. E.; West Virginia Club; Civilian Student Union.

Junior: Varsity Track; S. I. E.; West Virginia Club; Civilian Student Union.

Senior: Varsity Track; Senator, Civilian Senate; A. S. M. E.; S. I. E.; Senior Intramural Mgr.; Civilian Student Union.

JOHN EMSLEY FUNNELL
"JOHN"

Ceramic Engineering Norfolk, Va.

Freshman: Civilian; Student Branch of American Ceramic Society; Y. M. C. A.; Freshman Swimming.

Sophomore: Civilian; Student Branch of American Ceramic Society; Y. M. C. A.; Varsity Swimming.

VIRGINIA POLYTECHNIC INSTITUTE

The CORPS

For seventy years the Corps of Cadets has been the predominant influence on the campus at V. P. I. No other organization has contributed more to make Tech what it now is, and no factor on the campus has done so much to mold the character of the graduates.

The sense of responsibility, the code of life, the principles, and the lessons the student acquires from his life as a cadet serve him well in the years after graduation.

Nothing should give a student more pride than his membership in the Corps, and nothing will serve him more if he, in turn, serves it.

VIRGINIA POLYTECHNIC INSTITUTE

THE CORPS OF CADETS

The year has passed and you of the Class of 1941 are about to pass into the ranks of the alumni of V. P. I. Your transition is attended by forebodings and uncertainties as to what the future may hold in store. Many of you will be called to serve your country in its armed forces. Others will render no less important service in essential defense industries. For most of you, the immediate future is a question mark. And yet, beyond these dark uncertainties, a golden opportunity awaits your generation in restoring a normal way of life to the world after the present emergency shall have become an unpleasant memory. Your Alma Mater bids you godspeed confident in the knowledge that, whatever the eventuality, you will not fail her.

VIRGINIA POLYTECHNIC INSTITUTE

Regimental Staff

History repeats itself. The Royal Order of the Third Division is promoting another group of brothers into alumni membership. In leaving we take with us an undying pride in having been members of such an organization as the V. P. I. Corps of Cadets. Memories will often return to the "Passed Parade." We shall never forget—

"Leebo" Tait, the "ol' man," puzzling us all by being so competent, playful, serious, fun-loving, and fired with initiative all in the same breath.

"Stinky" Johnson, "second-fiddler," plotting and conniving to get his "Ole" busted so he could take over the command.

"Gus" Davis, sometimes called "The Voice," thrilling every hog in miles with his vocal gymnastics.

"Aggie" Allison, Supply Officer, making everyone the target of his good-natured mumbings.

"Barge" Meyers, Plans and Training Officer, bustling around like Old Mother Hubbard, getting his boys in and out of such places as the Roanoke Stadium and the Mess Hall.

"Brain" Castles, anti-fifth columnist, being unfaithful to his nickname.

"Butch" Coleman, administrative officer extraordinary, trying to keep the paths of his admirers from crossing.

"Flip" Boyette, Sergeant of Supplies, banking his first million on his brain child, "The Sentinel."

THE NINETEEN FORTY-ONE BUGLE

The Regimental Band, with Tom Bebout as captain, has had one of its most successful years since its inception in 1892.

The Virginia Tech Cadet Corps may well be proud of having one of the finest of bands, for because of their excellent showing in Roanoke at the Thanksgiving Day game they received the personal commendation of General Marshall, Chief of Staff of the United States Army.

VIRGINIA POLYTECHNIC INSTITUTE

First Battalion Staff

In the dusk the Infantry Battalion forms before the barracks.

The outsiders watching the formation wonder who the six proud men are who lead the infantry companies. To the men in these companies, those on the staff are well known. The staff is the nucleus of the battalion. Its job is the leadership of the Infantry unit at V. P. I.

The commander of this outfit is "Mussolini" Dickerson, the cadet Major who hails from Warrenton. His commands ring out across the drill field with a forceful tone, and this same force is behind his drive to make the Infantry Battalion the best.

His right-hand man is the Adjutant, "Taxi" Johnson of Roanoke, who also has a bit of resonance in his vocal chords.

Our Supply Officer is "Goat" Fraley whose keen wit keeps the battalion in good humor.

Next is our Plans and Training Officer, Dick Deming, whose job is to solve all complicated problems and keep us informed on all football scores.

"Lowgear" Jones, the Sergeant-Major and only "aggie" on the staff, keeps us informed as to the vitamins in the mess hall growley.

"Ghost" Williams, the Color Sergeant, guards "Old Glory" during all the parades. Ghost is known throughout the battalion as a person to be depended upon; for whenever we want something done correctly, we call on him.

THE NINETEEN FORTY-ONE BUGLE

Popularly known as the "Country Club" of the Corps, Company A is, nevertheless, at the top in military precision, conduct, and corps activities.

Enviied by all because of its friendly and seemingly effortless manner of doing things, A Company is taking its place as a leader of the corps in deeds as well as spirit. Led by Frank Bradley, one of the best liked men in the corps, and composed of men who are members by their choice, A Company has successfully done her duty.

THE NINETEEN FORTY-ONE BUGLE

Five times a consecutive winner of the blue citation cord and permanent winner of the Halsey Trophy is the emblematic record of the effort and cooperation that exist in Company B.

We of Company B give no little credit for the record that we have made this year to our officers. Captain Wright has marched us through a most successful year. He has not stood back saying "Do it," but he's been out in front saying, "Come on." Following him closely have been our lieutenants, Hounshell, Gray, Stevens, and Austin, and First Sergeant Turnbull. These men have worked loyally and conscientiously to maintain COMPANY B, the PRIDE OF THE INFANTRY.

THE NINETEEN FORTY-ONE BUGLE

This year C Company has been working at a disadvantage after being moved down to the "Old Stone Dormitory," but even this change did not destroy the determined spirit that has long been a part of the company. The military standard has been greatly improved this year under the leadership of Captain Bill Meeks and his staff of able officers, namely: Draper, Martin, Samuels, and Burford.

Second Battalion Staff

Each year a chosen few are selected to compose a group whose duties consist of battalion administration. We were picked, and this, our staff, proudly heads the Engineer Battalion of the V. P. I. Corps of Cadets.

In front is our Major, Jack Peebles; a leader we are all proud to know. With "Peep" pointing the way, the "Engineers" have approached that military perfection that we are all striving to attain. Behind him and to his right is Bernard Norvell, our Adjutant. In our opinion, this young man is unexcelled in the duties which he performs.

To his left is Lee Hensler, our Supply Officer; better known as the battalion work-horse. It is due to his untiring efforts that the needs of the battalion have been satisfied throughout the year.

Next in line is our Plans and Training Officer, Irving West. Give him a movement or formation to work out and he's right there with the goods.

Every staff has its "lover," and Bob Crow bears that coveted title. Romeo that he is, Bob couldn't be a better or more efficient Sergeant-Major.

Holding down the left pivot position is our Color Sergeant, "Bugle" Branch. Besides being a metallurgist of note, Bugle's military ability has been proven upon many occasions.

Now that we have passed review, we leave the field to those behind us. We have the greatest confidence that they will in turn lead the Engineers to even greater heights than they have yet attained.

J. Q. PEEPLES

THE NINETEEN FORTY-ONE BUGLE

Company E, the honor company of the second battalion, has established an enviable record both in scholastic and military circles. Outstanding for its high ideals, crack drilling, academic record, and sense of fair play, E Company has won the respect and admiration of the entire regiment.

Its officers, Captain Jimmy Dieffenderfer, and Lieutenants Johnnie Elder, Clyde Sesler, Earl Wall, and Preston Graves, are "tops." These men have aided greatly in the success the company has achieved during the past year.

THE NINETEEN FORTY-ONE BUGLE

Yes, we're "F Co.," and a pretty good company too. You see, this is the first year that we've all been in one barracks under one roof, and it has helped us get on our feet.

There were a fine bunch of officers with us this year; Pendexter as Captain, and Wilson, Cavandish, Smile, and Ayers as Lieutenants. With their help, we've tried to be a good part of the Regiment and help raise the standards of the Corps.

OFFICERS

THE NINETEEN FORTY-ONE BUGLE

Winner of the coveted Kohler Cup for proficiency in drill both years it has been offered in competition, G Company has again put forth with the traditional spirit and fellowship for which it is so well known.

Led by our competent cadet officers: Captain C. A. Tulloh, and Lieutenants G. W. Webb, E. R. Jackson, H. W. O'Grady, and H. K. McCahill, the company has succeeded in maintaining and extending its enviable record for excellence in all endeavors.

For this heritage, an infrequent combination of fellowship, proficiency, and spirit, the underclassmen offer their sincerest appreciation.

Third Battalion Staff

The Third Battalion, the oldest battalion of the Coast Artillery unit, is headed by a staff which is endeavoring to maintain a reputation for neatness, efficiency, and military bearing. The staff, composed of six enthusiastic and capable men, is loyally supported by three batteries which further uphold the spirit which is Third Battalion tradition.

Out in front is Major "Squeak" Smith who paces the battalion to mess every day excluding the week-ends. At this time he mysteriously disappears "up the valley."

Second in command is the Adjutant, Henry Lowe, who does his pacing as captain of the track team.

The Supply Officer, Pat Brown, purveyor of everything aeronautical, finds time on week-ends to execute a few loops over the Rockville schoolhouse.

The man in the middle is the battalion's capable Plans and Training Officer, "Aggie" Baird. "Aggie" is also one of our flying cadets. However, we've found that he does most of the organization's plans and training in bed.

The next man in line is our Sergeant-Major, "Chigger" Pierce, who has been a Techman only three years. Nevertheless, his overwhelming smoothness with the females of most of Virginia's schools has placed him in a position far ahead of most four-year-men.

The last of the Third Battalion Staff is the Color Sergeant, Odis Small. Odis' big problem is to convince one of the opposite sex that "Anchors Aweigh" sounds no better than "Tech Triumph."

THE NINETEEN FORTY-ONE BUGLE

As the session of 1940-41 closes, I Battery completes its fifth consecutive year as possessor of a red citation cord, the symbol of excellence of the Third Battalion.

Efficiently organized into a well trained, friendly, and active unit, I Battery boasts of a spirit seldom possessed by any other battery.

Commanded by Cadet Captain J. A. Howell and officered by Cadet Lieutenants J. O. Graves, W. C. Gray, C. H. Hudson, and P. Y. Richmond, I Battery continues to stride forward toward a goal of a better battery and an improved V.P.I.

THE NINETEEN FORTY-ONE BUGLE

From the ranks of Battery K rises a spirit, dauntless and unsurpassed, that makes each man strive to achieve excellence in military, scholarship, and athletics. Last year Battery K had the best drilled battery, best drilled squad, and best drilled private in the battalion. Battery K has supplied many men to social and honorary fraternities on the campus. Also, we have established outstanding records in intramural football, basketball, track, swimming, and volley ball.

The officers of this battery express their appreciation for the cooperation and loyalty given them by members of the battery.

THE NINETEEN FORTY-ONE BUGLE

Although L Battery does not wear the citation cord, it is still recognized as one of the best batteries on the quadrangle. During the past year, each and every member of Battery L has had as his prime desire the betterment of this organization in every possible way. By maintaining this spirit, we feel that we have reached our goal. Led by a truly splendid captain, Hugh Richeson, and a capable group of lieutenants: Norman Hill, Bob Richardson, Billy Graham, and J. D. Moore, L Battery has risen to new heights. It is to these leaders of the class of 1941 that we owe our success.

Fourth Battalion Staff

The Fourth Battalion, under the careful guidance and leadership of these six men, have made marked and rapid strides towards becoming the outstanding Battalion of the Corps of Cadets.

Proudly standing out in front as Major of the Fourth Battalion is S. C. "Buddy" Snead, Jr. Although many hours of his time are spent in supervision of this Battalion, Buddy spends much of his time at his home in Shawsville, Va. We wonder what the strange attraction of this metropolis "may be."

Second in command is F. V. "Fred" Benjamin, the Battalion's Adjutant who hails from Washington, D. C. His booming voice has snapped the Battalion to attention many times.

Next in line is W. T. "Bill Tom" Barns, the Battalion Supply Officer, who comes from the beautiful country of Tazewell. Liked by everyone, he is a true Techman in every sense of the word.

Then comes A. C. "Pete" Traynham of Richmond, Va. Pete is our Plans and Training Officer and he has displayed his athletic prowess on the gridiron for four years.

R. J. "Ray" Love is the Sergeant Major. Even though he is a Yankee, Ray is a valuable asset to the staff. For some unknown reason he is everywhere hailed as the "man of tomorrow."

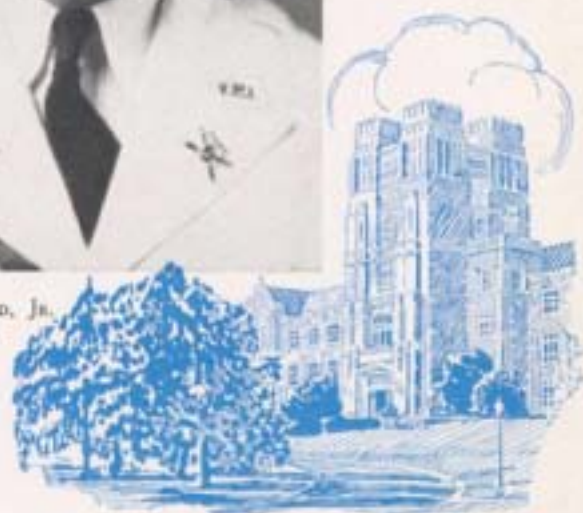

Last but not least is likeable R. C. "Roy" Thayer, whose home is in the hills of West Virginia. Roy has had the honor of carrying "Old Glory" at all of the parades and ceremonies during the past year.

THE NINETEEN FORTY-ONE BUGLE

Dubbed by many in the past "The Country Club," M Battery this year is doing the unbelievable. To the happy-go-lucky attitude of the past has been added a spirit of determination to "win the cord" which is unequalled in the regiment. The far reaching reputation of M Battery's qualities of friendship, leadership, and spirit are unsurpassable.

Able guided by Captain Bill Cross, First Lieutenant Sam McClanahan, and Second Lieutenants Bob Raup, John Richardson, and Doug Briggs; great things are expected of M Battery this year.

There has always been a fraternal feeling in N Battery and it will always continue to live.

Under the able guidance of Captain Budd the "fraternity" of previous years has become quite a military organization. The old spirit still survives, however, as the boys realize that in having a military organization there must be a "spirit"—the "Spirit of the Foreign Legion."

THE NINETEEN FORTY-ONE BUGLE

Cherished by us and envied by others, Battery "O" stands for military achievement, good fellowship, true spirit, and cooperation.

Together, under the leadership of our captain "Nookie" Brown, and his able assistants: Wolfe, Harrell, Lowman, Wiatt, Williams, and Osborn, we have worked and fought to keep in the ranks of our battery the coveted Citation Cord.

This year Battery "O" has led the way to a new order; namely, a determination to abide strictly by the regulations while retaining a feeling of dependence and comradeship among the members of this organization. We are truthfully proud of our record as a military unit.

Fifth Battalion Staff

Although the three batteries composing the Fifth Battalion are only two years old, it has been shown by them what time and a little hard work can do towards making a first-rate military organization. It has been an arduous task to build a good organization from the "melting pot" that the Battalion was in its infancy. However, if the progress in the past two

years is an indication of what is to be expected, make way for the Fifth Battalion. Leading the battalion this year was Donald MacLeod, who hails from Chevy Chase, Maryland, and who still feels that "he who never errs, and has only friends, does nothing."

The mouthpiece of the battalion, and second in command, has been Adjutant Warren Sutherland from Richmond, Virginia, who is probably best known for his work as Business Manager of this year's BUGLE.

Next we have Robert Radspinner whose home is also in Richmond, and who has served faithfully through the year as Supply Officer.

Our Plans and Training Officer, William Edmunds from Danville, Virginia, has led the staff scholastically as a proud product of the Chemical Engineering Department.

David Smith, who lives in Petersburg, ably held down the position of Sergeant-Major while maintaining a good spirit within the staff.

Last, but certainly not least, we have our gift from Roanoke, Jack Rees, who, as Color Sergeant, bore the colors on numerous occasions for regimental ceremonies.

THE NINETEEN FORTY-ONE BUGLE

Inaugurating its second year as a unit of the newly formed Fifth Battalion, R Battery has distinguished itself in all fields of endeavor.

In athletic competition, this battery has set and maintained a high standard of sportsmanship and prowess. Boasting of championships in two phases of intramural sports, the battery is well on its way toward repeating the victories of the previous year.

Under the guidance of Steve Gano the Battery has progressed to an eminent position as a military unit of the Corps of Cadets. With unceasing cooperation between its officers and men, Battery R has gained the reputation of a well trained and well unified organization. Its "esprit de corps" is irreproachable; its pride is unlimited.

THE NINETEEN FORTY-ONE BUGLE

When increased enrollment necessitated the formation of a new Coast Artillery Battalion last year, S Battery came into existence. Men selected at random from the six original batteries soon learned to cooperate with their new associates, and this baby organization proceeded to produce one of the most enviable records in the entire corps.

Leading this year's battle for the retention of the cord is Captain Johnny Bernard. Assisting Johnny are First Louie Tommy "Ears" Willett, and Second Louies Sam "Y. M. C. A." Marshall, Bill "Wild William" Slusher, and Henry "Sheep" Wooding. Handling the paper work and company supplies were First Sarge Cleo Hunt and Supply Sarge G. J. "Cap'n" Kidd.

THE NINETEEN FORTY-ONE BUGLE

In time of existence we are but a baby, and we are about as hard to classify and to generalize as any baby. Like the other batteries and companies we have over a hundred men; some of them care, some don't; two might be wise, two otherwise, but most of us are just ordinary. We claim not the badge of super efficiency nor do we throw about our shoulders the cloak of indifference.

Our barracks are happy hunting grounds for whatever you wish—a fourth at bridge, a victim for a blind date, or a discussion of the latest rumor. In fact, the latest rumor probably started in one of our famous "bull" sessions. Whether the undertaking be athletic, social or academic, one can always find ample representation from T Battery.

The

FEATURES

We wish to express our appreciation to Mr. McClelland Barclay for the time and attention he gave in selecting the beauties that appear in the Feature section. Mr. Barclay commented that in all the groups he had judged, these girls were outstanding for their beauty.

The candid shots that appear in this division attempt to give a cross-section of the experiences encountered on the campus. The dances, initiations, rat parades, formations, camp scenes, and the simple, everyday activities all are present to remind you what life at Tech was like in 1941.

The ATHLETICS

The growth in athletics at V. P. I. has been paralleled by a growth in the traditional Tech Spirit which has become famous throughout the entire southern conference.

Tech teams have always been noted for their determination, and it is only natural that this spirit be reflected by the Corps.

Although this year saw the resignation of Henry "Puss" Redd as head coach, athletics continue to play an increasingly important role in student activities.

Co-captain
JIM COLEMAN

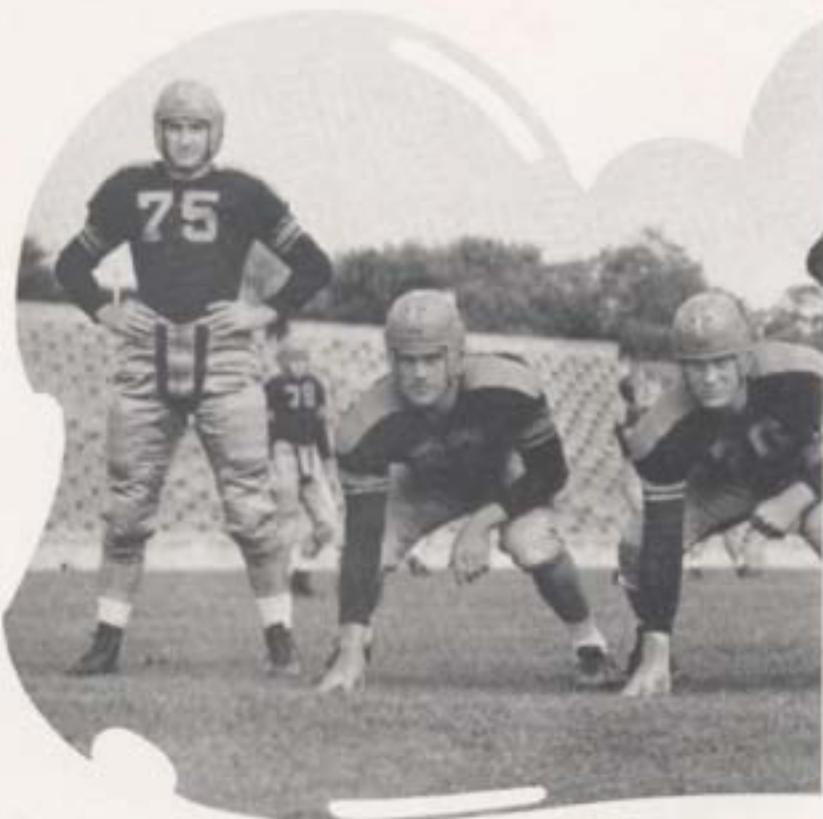

Co-captain
JOHN HENDERSON

Thomas, Kern, Warriner, Taylor

Henderson, Coleman, Ben Tate, Bill Tate, Zydiak, Anderson, Lawson

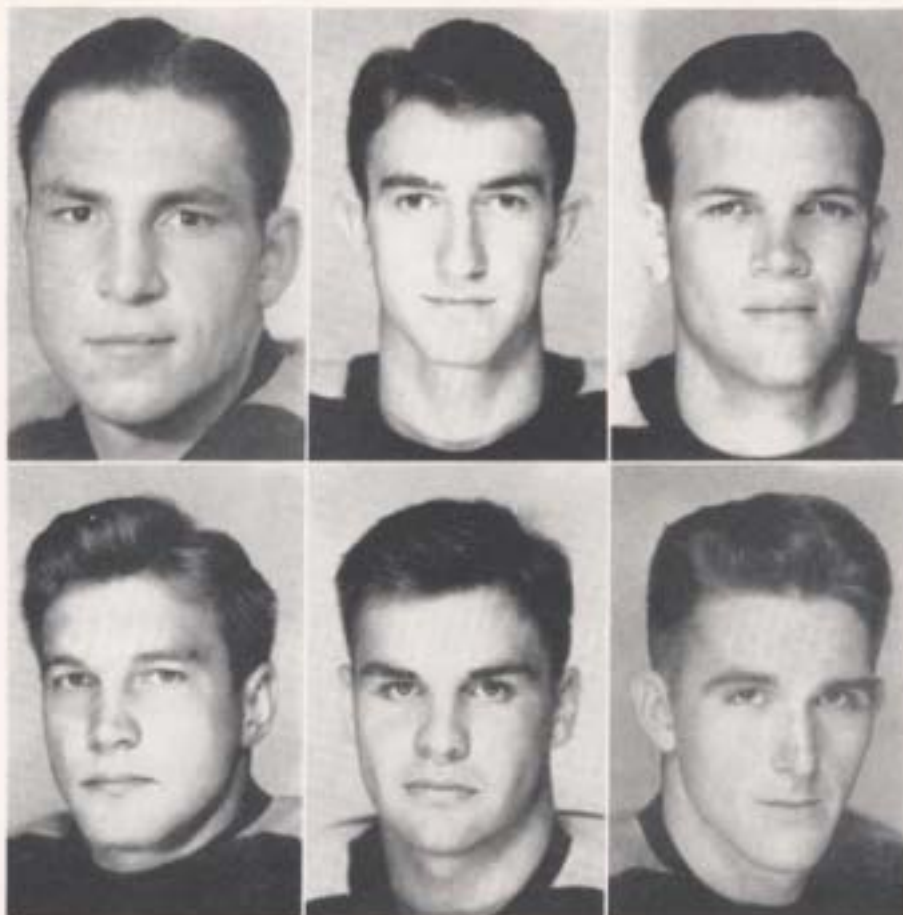

Coach Henry "Puss" Redd announced his resignation as head coach preceding the annual Thanksgiving day game last season, climaxing a 19 year period of successful coaching at V. P. I. Coach Redd immediately accepted the position of General Chairman of the Alumni Association. During his reign as head coach, Puss always turned out characteristic Tech teams, playing hard clean ball, accepting victory modestly and defeat graciously. Primarily interested in the welfare of "his boys," Puss acted as a counselor and advisor, a molder of character, and a teacher of sportsmanship of the first order.

FOOTBALL—1940

Finishing fourth in the race among nine state teams, the Gobbler eleven closed a successful season highlighted with wins over Virginia and Furman. The Tech eleven broke even in games won and lost, winning five and dropping five, but the Gobblers faced such opponents as Georgetown, Sugar Bowl contestant, and Marshall College, whose star back, Hunt, led the nation in points scored this year. Techmen receiving honors this season were: WARRINER—honorable mention All-American, All-Southern, and All-State; THOMAS—honorable mention All-American, All-Southern, All-State, leading state high scorer, second leading Southern Conference high scorer; ZYDIAK—honorable mention All-Southern, All-State first team; B. TATE—honorable mention All-Southern, All-State second team; HENDERSON—All-State second team; KERN—honorable mention All-State. Seniors on this year's squad included: Warriner, Hudson, Thomas, Coleman, Henderson, Todd, Graves, Traynham, Smith, Woolwine, and Taylor.

TECH 34—CATAWBA 12. The 1940 Gobbler football edition opened impressively one hot Saturday afternoon late in September as the Techmen took the count of a scrappy Catawba eleven, 34-12.

Touchdowns were scored by Warriner, Thomas, James, and Wheeler, as the Reddmen gathered power and confidence with every play. The Indians took to the air to score two touchdowns, but were totally unable to match the Tech offense.

MARSHALL 13—TECH 6. The Gobblers lost a heartbreaker to the big green wave of Marshall College the following week-end at Huntington, W. Va., despite the presence of a madly cheering senior class.

Tech led 7-6 until the final minute of play, when Marshall's Jackie Hunt, who later proved to be the nation's leading scorer, plunged over for the deciding tally. Outstanding for Tech were Coleman, Zydiak, Judy, and Tate in the line, while Warriner, Thomas, and Hudson carried the ball for substantial gains.

RICHMOND 13—TECH 7. The Gobblers gladdened the hearts of returning alumni on homecoming day with ten minutes of inspired fighting football, but wilted for the remaining fifty minutes as Arthur Jones led the Richmond Spiders to ultimate victory.

The game was three minutes old when Wheeler slipped around end and dashed for a touchdown, as the Gobbler forwards put the entire Richmond secondary on the ground with vicious blocking. McClure added the extra point and Tech led 7-0. The Spiders soon came to life however, and although the Techmen threatened twice more, the game ended with Richmond leading, 13-7.

BILL JAMES

ROGER McCLURE

WILLIAM AND MARY 20—TECH 13. Playing heads-up football and utilizing all breaks, Tech's injury-ridden squad was still no match for the battering Indians of William and Mary on October 12 in Richmond.

The Gobblers opened strong, with Thomas scoring on a fake reverse on the fourth play of the game. McClure added the extra point. The boys from Williamsburg shortly evened the count, and went ahead in the second quarter 14-7. The third quarter saw another Indian tally, but in the final period Buckeye Warriner recovered a W. and M. fumble on the Indian four-yard stripe, and John Smith slashed across to pay dirt. The game ended W. and M. leading 20-13.

GEORGETOWN 46—TECH 4. Tech journeyed to Washington on the night of Friday, October 18, and completely outplayed the Hoyas of Georgetown for the first 10 minutes of the game. At that point however, superior weight and numbers began to tell, and the Hoyas began to march. The last half of the game was completely dominated by Georgetown, and although in the final quarter the Gobblers once broke through the Hoya line to block a kick and add two points to their score, they were obviously outclassed. Final score, Georgetown 46, Tech 4.

TECH 21 — WASHINGTON AND LEE 0. The men from Blacksburg unleashed all of their power and fury in Lynchburg to trounce the W. and L. Generals 21-0. It was Tech's ball game throughout, and clearly showed the potential power of the Gobblers.

BEN TATE

ALTON BELCHER

Tech scored first on a pass, Hudson to Lawson. Warriner accounted for the second, terminating a 40-yard sustained drive, and Thomas utilized the famed "Tech Reverse" to gallop 60 yards behind perfect blocking for the third tally.

TECH 6—VIRGINIA 0. Completely outplaying a bewildered Cavalier eleven, the Gobblers finally slipped into high gear at Norfolk on November 2. Featuring a slashing ground attack led by Warriner, Wheeler, and Thomas, and deadly aerials by Hudson, the Redmen gained 272 yards to Virginia's 92, and collected 12 first downs while the Cavaliers were making five. Tech's touchdown came after Warriner had brought the ball to Virginia's 33 by repeated line smashes. At this point Hudson faded back and tossed a fingertip pass to Thomas on the 5-yard stripe. Thomas scored standing up.

TECH 38—FURMAN 21. The Gobblers reached their peak against favored Furman, trouncing the Purple Hurricane 38-21 with a brilliant display of offensive power.

Tech drew first blood when Buckeye Warriner plunged over in the first quarter. The Redmen scored again almost immediately, with Herb Thomas carrying the ball on a perfectly executed reverse. Furman fought back valiantly, and from this point on matched the Gobblers touchdown for touchdown. Tech's final score came when Thomas slashed off tackle from the Furman 10-yard stripe. McClure's trained toe accounted for 8 points of Tech's total in this game, scoring five extra points and one field goal in the closing minutes of play.

MASON BLANFORD

HENRY MOREHEAD

BILL JOHNSON

RALPH UNTERZUBER

"BURR" REYNOLDS
Manager

TECH 10—CENTRE 6. Playing completely superior ball, Tech spoiled homecomings for Centre College with a 10-6 victory, but was unable to run up the score due to frequent fumbles and inspired goal line playing by the Colonels.

Centre scored first in the opening minutes of the game after a V. P. I. fumble on their own 32. Tech retaliated late in the first period, Herb Thomas using the "Tech Reverse" to good advantage. McClure's placement split the uprights. The final score came late in the fourth quarter when McClure booted a field goal to increase Tech's lead 10-6.

V. M. I. 14—TECH 0. Waging a courageous and fierce battle, Tech's light line was slowly overpowered on Thanksgiving day by a gigantic forward wall from V. M. I. Outweighed at 20 pounds to the man, the fighting Gobblers held their opponents at bay until the second quarter, when the Flying Squadron took to the air and scored on a pass from Muha to Catlett. The Lexington steam roller scored again in the fourth, with Muha again carrying the ball.

Tech's individual performers were perhaps the more brilliant than those of V. M. I., with Wheeler and Hudson bringing the stands up roaring time and again with superb running, kicking, and passing. Bill Tate and Bill Zydiak played stellar ball in the line, with Kern, Anderson, and Henderson ably assisting.

C. H. MAST

Basketball

The Gobbler courtmen turned out to be the hard luck team of the season. Winning only 8 of their 22 games, the hardwood artists put up such a spirited battle in each contest that seven of their losses were by three points or less.

The Techmen lacked height this season, but almost made up for this deficit by added speed and fight. This year's five had no individual star, but was composed of five steady ball handlers who capably performed their jobs. Montgomery, Crawford, and Henderson provided a vicious offense, and Rubin and Mast could be depended upon to turn in excellent defensive performances. The center position was amply held down by Ingram and Haff, while Schneider and Howell also saw plenty of action. Prospects for next season are extremely bright, as this year's freshman five had a highly successful season, and only three seniors will be lost to the varsity by graduation.

Boxing

The 1941 Gobbler leather-pushers, under the able leadership of Coach Jules Medwin, developed into one of the outstanding contenders for the Southern Conference crown, and were by far the best boxing squad to represent Tech in a number of years.

The Techmen easily handed defeats to the University of North Carolina, The Citadel, Clemson, and the University of Maryland. The squad's only defeat was at the hands of the University of Virginia in a postponed match in which several key members of the Gobbler squad were absent.

The boys from Blacksburg placed third in the Southern Conference meet, despite injuries to several of the key men. Bobby Andrews won the Southern Conference 125-pound title, and Andy Glass and Kent Belmore both reached the finals.

With a number of lettermen returning and an unusually fine group of freshmen coming up, the prospects for next year's team appear very bright.

Wrestling

Tech's grapplers had a somewhat unsuccessful season, winning only one of six contests, but the Gobblers showed great fight and spirit and provided fast and furious action in all events. The only Tech entry to win consistently was Bill Zydiak, 175 pound grappler, who was defeated only once. Zydiak was undefeated in three years of college competition until decisioned by Swift of V. M. I.

The wrestling outlook for Tech is somewhat brighter for next year, several new men from the highly successful freshman squad being expected to add materially to the Gobblers' chances of victory.

FULLER, DEEKENS, KING, TALLANT, FREEMAN, BEVEL, LILLY, RYAN
 RICHMOND, OWEN, WEINSTEIN, RUBIN, PHIPPS, CRAWFORD, BARNES, FLORSHAK, LAIRD
 VASSAR, MAST, OWEN, TRICE, HENDERSON, GIBSON, NICODEMUS, FUSSELL

Baseball

The Tech nine, with their eyes on the "Big Six" title, has experienced one of the most successful seasons that they have had in a number of years. Under the capable leadership of Captain Bill Trice, the team has showed an unusually fine display of pep and enthusiasm. The Gobblers, on their toes every minute of each game, have played heads-up baseball, as was shown in their victories over V. M. I., William and Mary, and the University of Richmond.

The pitching staff, although not strong, has steadily improved under Coach Red Laird's excellent guidance. The leading factor in the Techmen's success is the unusually heavy hitting of Trice, Henderson, Florshak, Weinstein, Rubin, and Mast.

With only a few seniors on the squad, and the excellent crop of this year's freshmen coming up, the prospect for next year seems particularly bright.

Track

DR. J. G. HARRAR
(Coach)

V. F. MONTA
(Co-Capt.)

H. A. LOWE
(Co-Capt.)

J. REES
(Manager)

The Gobbler cinder artists forcibly brought spring sports to the attention of the campus this year by completing the most successful track season in several years. Coached by Dr. J. G. Harrar, the thinclads opened strong by taking N. C. State 72-54 on a rain-soaked track. The following week the Techmen won a 75-50 victory over the Davidson Wildcats with several key men missing.

Outstanding on this year's squad were Paul McMullen, sophomore dash man and hurdler, Victor Monta, co-captain and ace discus heaver, Bill Shipe, veteran middle distance runner, and Henry Lowe, co-captain and consistent point maker in the middle distances.

Missed next year will be Monta, Lowe, Shipe, Etheridge, Bise, Smith, Todd, and West, but this year's powerful freshman squad should aid materially in filling the gaps left by graduation.

WILSON, COVEY, WEST, UNSER, CARTER, WYATT, SCOTT, STEWART, GILLETTE
REES, SPANGLER, BISE, BALL, ETHERIDGE, THOMAS, ELLIS, MONTA, SMITH, SHIPE, FOX, HARRAR

Swimming

BATES, WELLINGTON, QUINELL, DOW, MCCURDY, SHANKEL, TALLANT
HAMILTON, WEST, HAMMACK, JORDAN, DABNEY

Although winning only one of eight meets the Gobbler Mermen showed vast improvement with each contest, and their two final meets with V. M. I. and Ohio University were lost by five points and one point, respectively.

Golf

RUPERT, NORRIS, BELTON, IRWIN, DELISLE

The Tech swingers this season completed what proved to be one of the most successful years of golf V. P. I. has ever had. With no outstanding star, but with strong consistent team play the Gobblers showed up well against many of the best teams in the East. Graduation will hurt them only slightly, and a strong team is expected to result next season.

Rifle Team

An unusual display of enthusiasm and cooperation marked a highly successful season of four victories and two defeats for the V. P. I. marksmen. Victories were registered over North Carolina State, the Montgomery Rifle Team, the Beckley Rifle Club, and the Bristol Rifle Club. Tech's defeats were suffered at the hands of George Washington University and the Virginia Military Institute.

The highlight of the season proved to be the results of the N. R. A. National Intercollegiate match at Washington, D. C., in which the team placed fifth in the district. In this meet Harold Ritter tied for high score in the Eastern District.

The entire squad will return next year, making the prospects for the coming season very bright.

W. R. GENTRY
(Captain)

Athletic Council

The Athletic Association was organized September 26, 1891, at a meeting of the Corps of Cadets. It is a self-governing, formally-organized body of regularly matriculated male students of the college. The purpose of the association is to foster, maintain, promote, manage, and conduct all forms of intercollegiate athletics at Virginia Tech, and to assist insofar as is possible with the intramural and physical education program. Members elect the officers of the Association and vote on all matters requiring attention.

Since the Association is incorporated as a non-stock corporation under the laws of the State of Virginia, the Athletic Council serves in the capacity of a board of directors, and formulates the policies and plans of the Association and sees that they are carried out. The Council is composed of three students, four faculty members, one member of the General Alumni Association, and the Director of Athletics. The student members of the Council must be members of the Association.

PROF. JONES, DR. HATCHER, DEAN WILLIAMS, W. L. YOUNGER, L. R. BROTHERS, DR. O'SHAUGHNESSY, W. L. TATE, O. M. GLASS.

The **ACTIVITIES**

There is no truer indication of the growth of Tech than the increase in the number of activities and organizations on the campus. This past year, the organizations have not only increased in number, but have grown in size and activity also.

These numerous activities relieve the monotony of regimented lives, and, by broadening the student's experience, prepare him for the years after graduation.

THE NINETEEN FORTY-ONE BUGLE

W. S. Cross, Jr.
Editor

The 1941

The Editorial Staff has attempted to make this, the forty-seventh edition of THE BUGLE, a true representation of the year's activities here at Virginia Tech.

Within these pages may be found pictures of the rigid military formations, the dance scenes, the candid campus shots, the rat parades, and the thousands of other activities which go to make up life at V. P. I.

EDITORIAL STAFF

Having an enviable record of past successes to live up to, *The Virginia Tech* made a better than creditable showing during the last school year under the supervision of Editor John H. Elder. With a more complex staff organization than heretofore used, Johnny succeeded in producing a more newsy paper, one that was of greater interest to more readers.

A circulation increase, more advertising, and greater efficiency have meant but one thing to *The Virginia Tech* this year—more funds, and as a consequence, more pictures and a more readable paper. As the Business Manager, R. M. Biggs, Jr., has made an enviable record, and has won the whole-hearted support of his entire staff.

Needless time and work have been dispensed with in both the barracks and mailing circulations. As a result, the Co-eds and the Civilian Students receive their papers at the dormitories, and each cadet receiving his copy at his room, at an earlier time. Through personal contacts and through the mail a greater number of advertisers has been reached. Compactness of organization, cooperation with the editorial staff, and willingness to work have resulted in an increased efficiency of the staff.

The Virginia Tech Engineer

EDITORIAL STAFF

The *Virginia Tech Engineer* is an engineering journal published four times a year by the students in the School of Engineering. Its purposes are: to present, in a useful manner, material on engineering; to publicize V. P. I. engineers, graduate and undergraduate, and the things they are doing; to foster interest in technical writing, not only for the members of the staff, but for any student engineer who has a worthwhile contribution.

An effort has been made by this year's staff to serve these purposes and to maintain the high standards that have characterized the *Engineer* since its founding.

Only through the effective cooperation of both the editorial staff and business staff was this year's *Virginia Tech Engineer* made possible. Throughout the year these twelve men have devoted their time and energy toward making the *Engineer* a more representative spokesman for engineering activities at V. P. I. Their reward is the satisfaction of seeing their labor materialize into a more than worthwhile publication.

The Sentinel, a brain storm of P. H. Boyette, was introduced on the Tech campus for the first time during the past school year. The publication, which is a complete schedule of all the activities of V. P. I. for the year in the form of a bound calendar, met with the approval of the students in a manner far in excess of the expectations of the originator. After the success of the publication in its first year, plans have been made for its continuation as a permanent activity of Virginia Tech.

Publication Board

The publication board, composed of the editors and business managers of *THE BUGLE*, *The Virginia Tech*, and the *Virginia Tech Engineer*, with Professors G. T. Baird, R. H. McNeil, and E. R. Price as faculty advisors, is the guiding body of publications of the V. P. I. campus.

As its most important duty, the board has the annual selection of the editors and business managers of the three student publications. Each candidate has an opportunity to present his qualifications and plans for the forthcoming year to the board, and selection is made on the basis of ability and merit.

Cotillion Club

The Cotillion Club of V. P. I., founded in 1913, takes for its sole purpose the improvement of social conditions within the student body. Since its foundation, the Cotillion Club has constantly maintained this purpose.

Each year brings forth more progress in their attempt to enrich this school's social standing. At the present time, under the able leadership of S. T. McClanahan, the club has been especially successful in presenting a group of dances which have been equal to or better than any previous functions.

In the future, the Cotillion Club will continue to provide dances that will uphold those things which insure everyone a most enjoyable time and reveal the true spirit of V. P. I.

German Club

Founded in 1892, the V. P. I. German Club, by combining the abilities of a very capable group of officers with the whole-hearted cooperation of the other members, has realized another year of great progress.

The purpose of the German Club has always been to provide the highest type of social life for the entire student body. That this purpose has been upheld is evidenced by the fact that the four sets of German dances are among the outstanding events on the college social calendar.

The German Club is composed of those men possessing only the highest personal integrity and outstanding ability. Prevailing throughout this group is a feeling of associative friendship which is deep and true.

The departing seniors know that they are leaving behind them a more worth-while organization and that the seniors-to-be will continue to uphold the fine heritage of the present and past.

Bachelor Club

The Bachelor Club of V. P. I. has as its purpose the promotion of good fellowship in the senior class and the student body as a whole. The limited membership of this club is composed of those seniors whose congeniality has made them outstanding on the campus. Deep and lasting friendships are formed in this club, and thus, as this year's seniors leave the club, they will take with them many pleasant memories.

The Corps of Cadets

This year was the largest corps in the history of the Virginia Polytechnic Institute. The Corps of Cadets was established in 1872 with an enrollment of 132 members. Each year since, the body has increased in size until it reached an all-time high of 2,041 cadets this year.

The influence of the corps in student affairs is predominant. Social life centers around the corps, scholastic standards are set by it, and athletic teams are chosen largely from its ranks.

This year, as in the past, many fruitful suggestions have arisen out of the ranks of the corps; many of which, by agreement between the corps and the proper authorities, have been put into effect. Such whole-hearted support by the individual members of all principles and policies can best show what an effective influence the corps can be in moulding and building men of character. Its members leave but the corps continues as the standard for the undergraduate students at the Virginia Polytechnic Institute.

The Senate of the Corps of Cadets is composed of one elected member from each class in each battery or company. All legislative and governing power of the Corps of Cadets is vested in the hands of this important organization.

As in the past, the chief functions of the Senate this year were chiefly legislative wherein the problems concerning the general welfare of the corps were discussed and corrective legislation formulated.

Honor Court

Through thirty-three years of its existence, the Honor System at V. P. I. has become our most cherished tradition. When a member of the Corps of Cadets indicates that he might be unworthy of trust placed in him, it is the solemn responsibility of the Honor Court to try the offender, and if it finds him guilty to require him to leave V. P. I. either by suspension, resignation, or dishonorable dismissal, depending on the gravity of the offense.

The Court is presided over by a judge appointed by the President of the Corps. Cases are presented by the prosecuting and defense attorneys, who with their assistants are elected from the Corps at large.

The clerk is the Secretary of the Corps. A jury of twelve men is elected, three from each class. The President of the Corps acts as an Advisor to the Court.

It is largely due to the sincerity and fairness of this body that we take pride in our Honor System as one of the finest in the land.

The Executive Committee

The need for an organization that could successfully deal with offenders who bring disgrace and discredit to the Corps of Cadets resulted in the establishment of the Executive Committee. This committee, one of the younger organizations on the campus, has been in existence since the fall of 1939 and during this period has become an influencing factor in preserving and correcting corps standards. The committee also has the power of taking disciplinary measures among

the four classes when needed.

Under the leadership of P. H. Boyette, the Executive Committee has tried to render decisions that would correct the situation at hand, and yet set examples for young gentlemen of the corps to follow in the future.

The V. P. I. Student Branch of the American Ceramic Society was organized in 1935 to promote fellowship among the ceramic students and to bring them into closer contact with the ceramic industry. At the bi-weekly meetings short talks are given by the students and guests, and occasionally films are shown.

The activities consist of smokers, the annual picnic, and inspection trips to various ceramic plants.

The Agriculture Club

The Agriculture Club has well served its purpose of drawing the various agricultural curricular clubs together. It has been a source of training in cooperation and public spiritedness that cannot be equaled in the class room.

Under the competent leadership of the present officers and faculty advisors, the club has given an extremely interesting and educational series of programs this year.

American Institute of Electrical Engineers

The Student Chapter of the American Institute of Electrical Engineers is composed of those students pursuing the course of Electrical Engineering.

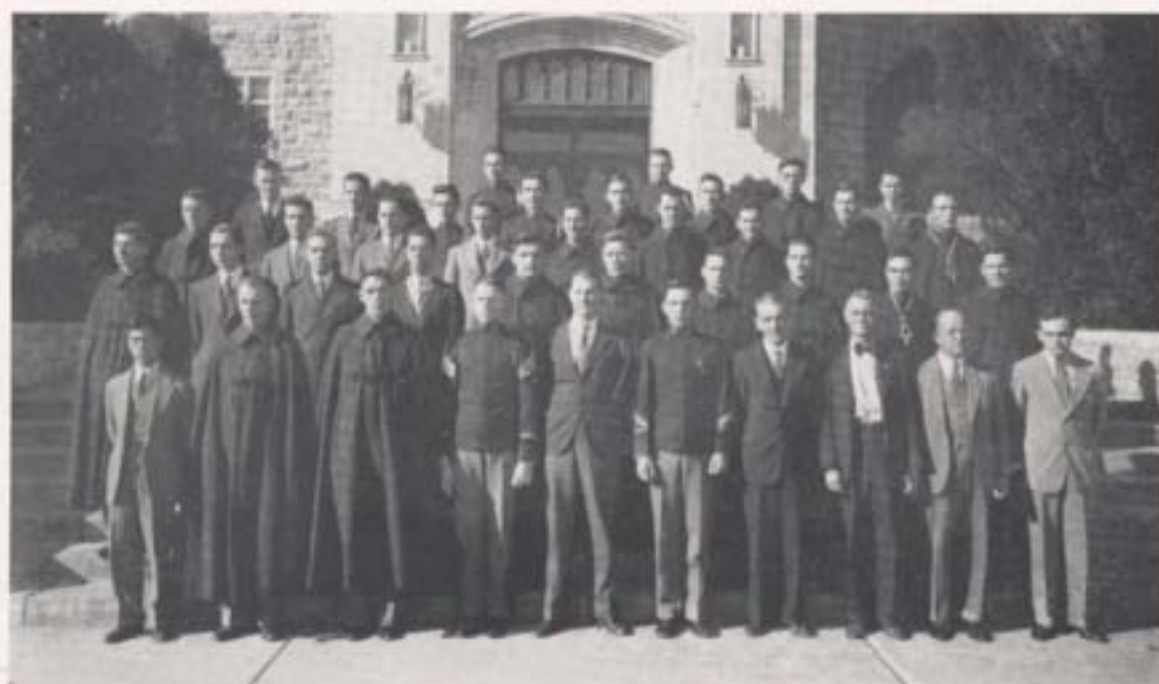

The purposes of this branch are: to give the future electrical engineer an insight into the problems he may have to face after graduation, to become better acquainted with the electrical and associated industries through various inspection trips conducted by the branch; to sponsor educational motion pictures and lectures.

The student branch of the American Society of Agricultural Engineers is a curriculum organization of students majoring in Agricultural Engineering. Its purpose is to promote participation in the discussion of current technical topics which apply to the field of Agricultural Engineering and to aid in the development of leadership.

Society of Industrial Engineers

The Society of Industrial Engineers is composed of boys enrolled in the Industrial Engineering curriculum here at Virginia Polytechnic Institute.

The S. I. E., although not a national organization, is ably fulfilling its purpose upon the V. P. I. campus. The increased enrollment of this year and the sincere interest of the members are proof of the benefits given by this society.

The student chapter of the A. S. M. E. is composed of those students who are enrolled in the Mechanical Engineering curricula. The purpose of the society is to give its members a wider insight into the field of mechanical engineering. In order to realize this aim, the weekly meetings of the chapter take various forms, such as: scientific talks, debates, educational pictures, smokers, and inspection trips.

The V. P. I. Biology Club was organized in 1932 to promote further interest in Biological Sciences and establish a firm fellowship among the students. Members of the faculty, as well as the students themselves are invited to give short talks and express their views on various biological phenomena. Any student enrolled in Biology, General Science, Home Economics, Pre-dentistry, or Pre-medicine is cordially invited to become a member.

The Engineering Council

The Student Engineering Council is the representative organization of the engineering students of V. P. I. It was founded to bring about a closer union of the engineering students; to promote and facilitate the advancement of the individual curricular clubs; to help solve problems confronting the students; and to represent the engineering students in their relations with the faculty of the engineering school.

The membership of the council is composed of two men, usually the president and secretary, from each of the curricular clubs; and the editor and business manager of *The Tech Engineer*. The Dean of the Engineering School is the adviser to the council.

The inauguration of the V. P. I. Conservation and Forestry curriculum in 1937 inspired the installation of the Forestry Club, and the completion of this school term marks the end of the first complete four year cycle of the curriculum and club. The main objective of the club is to form a bond among the prospective biological scientists interested in the conservation of our natural resources.

Horticultural Club

The Horticultural Club of V. P. I. was organized mainly to promote interest in the profession and to furnish a medium for obtaining horticultural information through group discussions and outside sources. Literature on the latest phases of horticulture, results of the latest experiments, and other various items of interest are discussed during meetings of the club.

The V. P. I. Railroad Club is composed of students enrolled in the various engineering courses who are interested in modern railway problems and operations. It is the goal of our organization to help create better understanding between the general public and railways by means of presentation of facts. Our railways are an essential and important part of our economic and national life.

Short Wave Club

The Short Wave Club was established in 1935 by a group of students interested in amateur radio.

With a large amount of equipment available for its members, the Short Wave Club has rapidly become one of the more interesting curricular clubs on the campus of V. P. I. The large 600-watt radio transmitter, W3GIC, furnishes many opportunities for contacts with other amateurs all over the world, and the numerous lectures given by club members and members of the faculty are of great aid in the furthering of interest in radio at V. P. I.

The Student Branch of the American Society of Agronomy was installed at V. P. I. during the 1938-39 college session. It replaced the old Agronomy Club.

Its purpose is to increase the fellowship among the four classes and to develop leadership in Agriculture. From time to time speakers, who have been out and worked in Agriculture, are brought in, in order that the undergraduates may realize some of the problems, with which the Agricultural worker is faced.

The Agricultural Economics and Sociology Society is composed entirely of students enrolled in the Agricultural Economics and Rural Society curricula.

The unique feature of the Society is its organization. The membership is divided between two parties, the Conservatives and the Progressives, each led by its own Party Leader. Guest speakers present problems of current interest at the semi-monthly meetings, and the two parties discuss the question presented from the opposing viewpoints.

The purpose of A.E.S.S. is to bring before the Society pertinent problems of our complex economic and social life and to encourage creative thinking about these problems by the members.

The Maroon Mask

For the past four years the rejuvenated dramatic club has been operating with commendable success under the name *The Maroon Mask*. During that time the club has very successfully produced many plays.

To be elected in *The Maroon Mask Honor Society* is the goal of every member. Such recognition indicates that the member has displayed a marked degree of interest, effort, achievement, loyalty, and ability, and the honor is given to only about ten per cent of the members.

The Monogram Club

The Monogram Club, composed of students who have made a monogram in a varsity sport, has the following objects set forth in its Constitution:

1. To maintain a close bond of fellowship between varsity athletes at Virginia Tech.
2. To foster and promote athletics at Virginia Tech in every possible way.
3. To contribute to the welfare of Virginia Tech at every opportunity.

With these objects in mind the members of the Monogram Club have contributed much in the athletic field at Virginia Tech.

Life Saving Corps

The Virginia Tech Life Saving Corps, organized in the fall of 1933 for the purpose of assisting in the operation of the college swimming pool, is composed of not more than twenty-five active members. Each man must hold the Red Cross rating of Senior Life Saving and Advanced First Aid and must be either from the faculty or student body. In addition, three months pool duty and a special test must be satisfactorily passed before active membership may be attained in the corps.

This group of men and women serve the college every day by instructing Life Saving and First Aid classes, guarding at the pool, and administering first aid where needed on the campus.

The Virginia Tech Life Saving Corps is a charter member of the Virginia Association of Rescue Squads and edits the association's monthly magazine, "The Virginia First Aider."

 GEORGE SAUL..... *Second Sax*
 EMMET PUGH..... *Third Sax*
 BILL PETTY..... *Fourth Sax*

The V. P. I. Southern Colonels Orchestra although consisting of only eleven men, proved to be a most efficient combination. Unique arrangements and fine execution of the members provided ample grounds for rating this band highly in the field of college bands in the South. During the holiday season, the Colonels enjoy tours abroad and in this country which bring favorable comments on this cooperative orchestra.

Congratulations, Graduates

For Peace of Mind

"No other investment has the flawless record of life insurance in these troublous financial times, and no other investment in any times or at any price is remotely capable of duplicating its granite-like stability, and of conferring upon its owners such lasting peace of mind."

—The Atlantic Monthly.

For seventy years this company has provided such peace of mind. Have you all that you need?

LEXINGTON, VIRGINIA

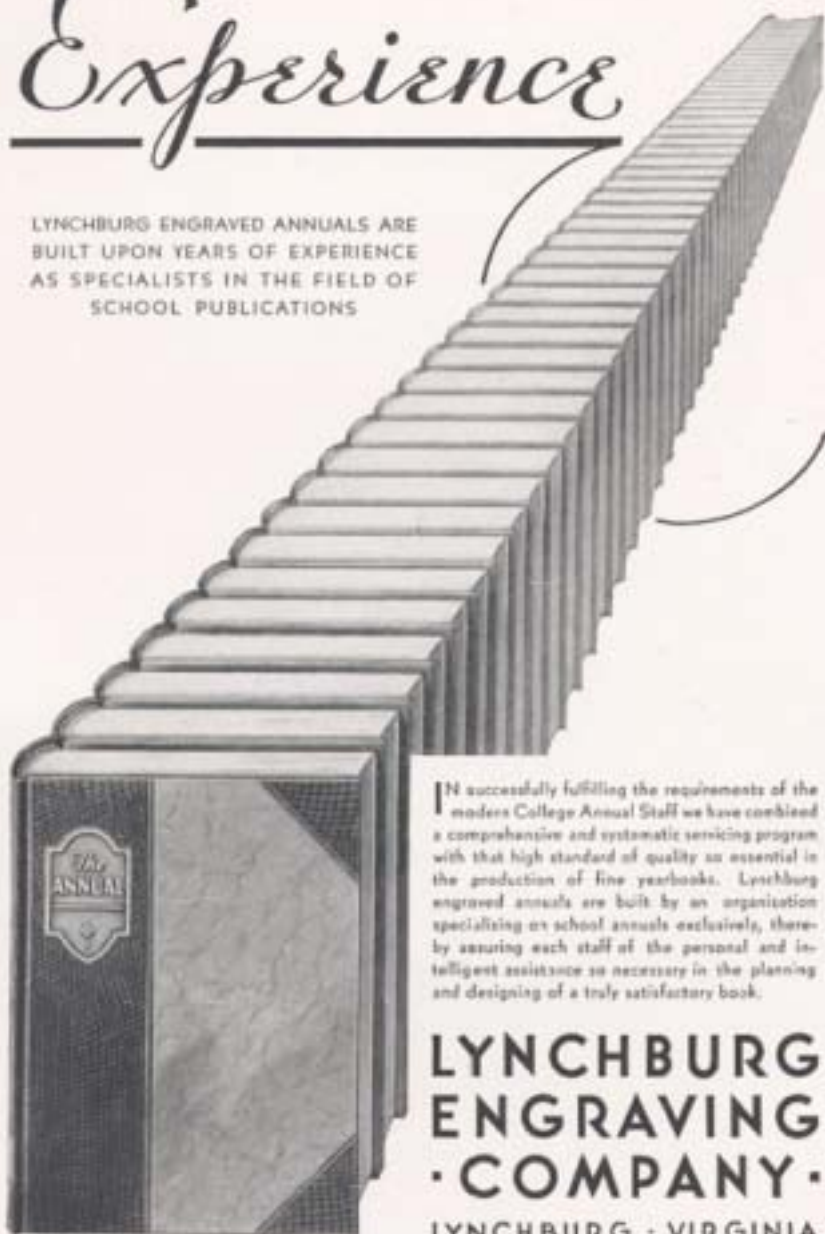

MORE than ever before, quality has become
an important factor in College Annuals.

Everything to express skill, technique, artistry, is revealed in our prints. They
are the only material proof of our ability, the only visible evidence of
the value of our photographs and workmanship.

OFFICIAL PHOTOGRAPHERS FOR 1941 "BUGLE"

Experience

LYNCHBURG ENGRAVED ANNUALS ARE
BUILT UPON YEARS OF EXPERIENCE
AS SPECIALISTS IN THE FIELD OF
SCHOOL PUBLICATIONS

IN successfully fulfilling the requirements of the modern College Annual Staff we have combined a comprehensive and systematic servicing program with that high standard of quality so essential in the production of fine yearbooks. Lynchburg engraved annuals are built by an organization specializing in school annuals exclusively, thereby assuring each staff of the personal and intelligent assistance so necessary in the planning and designing of a truly satisfactory book.

**LYNCHBURG
ENGRAVING

LYNCHBURG • VIRGINIA

Builders of Better Annuals

Creating
YEAR BOOKS
of *Distinction*

It takes more than "good printing" to create outstanding Year Books.

The J. P. Bell Company specializes in Year Books. First, by maintaining a Department of trained and experienced personnel that devotes its entire time to the planning and servicing of Year Books. Secondly, by maintaining a plant equipped with the most modern machinery, manned by skilled, efficient workmen.

There is a certain mark of Distinction on all J. P. Bell publications.
