# VIRGINIA TECH

SCIENCE

# SERVES OUR NATION'S INDUSTRIES

Since the beginning of time, men have constantly been anxious to develop themselves into useful beings who could contribute to the growth of their civilization. Some have chosen the realm of cultural or social endeavor, while others have worked to foster the ideals by which we worship and believe; still others have seen the growing need for research and diligent probing into the physical make-up of our world. Our course of study at V. P. I. has been focused upon a career which might easily fall into the category of mechanical or technical achievement.

That we be engineers, aggies, business students, or scientists is of no grave importance; that we are to be graduates of V. P. I. who shall contribute to the betterment of our world community is of utmost concern to each of us. As life is enjoyed and our college training helps us to be bigger persons, we can justifiably hold our heads high and proclaim that in setting an example of wholesome living as well as demonstrating technical proficiency we become our theme—Virginia Tech serves the nation's industries.

ENGINEERING

# THE 1949 BUGLE

# SALUTES

PROFESSOR CLAUDIUS LEE

Claudius Lee came to Virginia Tech as a student in electrical engineering and a part time instructor in the industrial shops. While an undergraduate, he was elected president of his junior class, president of the Engineering Club, president of the Maury Literary Society; served as captain of Battery "E"; and was voted the best officer in the Corps. In his junior year, a contest was held to determine a name for our yearbook, the first volume of which was then being edited; the name Claudius Lee submitted for this contest remains now as then, THE BUGLE. He served as business manager of that first volume, and at the request of his classmates, he accepted the position of editor of the second volume. Many of the traditions he introduced in the '96 BUGLE hold over even into this the fifty-second volume.

In later years he returned to his Alma Mater; he helped develop the EE Lab and devised the ingenious bell system now serving our campus. But contributions too numerous to mention continue past the bounds of material developments. Since his first day at Tech, Professor Lee has exhibited sincere interest in all matters concerning the students. As we view his most illustrious past, we begin to realize the limited scope of our own achievements. Claudius Lee, we humble ourselves to your greatness and recognizing you as a pillar of the genuine Virginia Tech, we proudly salute you, a true Techman!

# THE PRESIDENT

*To the Student Body . . .*

"Many years ago John Milton, in his famous Essay on Education, said: 'I call a complete and generous education that which fits a man to perform justly, skillfully, and magnanimously all of the offices, both private and public, of peace and war.'"

Milton's concept of education seems quite fitting today when the world is alert to the results of scientific investigation and industrial production on the one hand, and on the other the attempts of certain nations to set up new forms of government and others to preserve democratic ideals and programs.

History in these United States indicates that for a period of many years there has been a distinct correlation between the expansion and development of industry and the growth of the modern concept of a free society.

The training that you receive at V. P. I. should enhance your value to the State and Nation, because you are prepared to do definite, efficient, and honest work. Your contribution to the industrial improvement of your Nation will not be complete unless your efforts and activities result in both economic and social progress."

WALTER S. NEWMAN

# S ENIORS

As we viewed the tower for the first time, little did we know of life at V. P. I. Throughout our career at Tech, we have watched this vague concept develop into a rich memory never to be forgotten. One day surely to be remembered is graduation. Ah, yes, graduation—that day when we pause to reminisce about the past and wonder about the future, realizing that during those unpredictable but glorious college days experience taught us far more than any book. But now these days are gone and beyond our control; immediately before us lies a great new task. Yet, regardless of how difficult the future may be, we may always find renewed strength by remembering as the Apostle Paul once said, "Endurance produces character and character produces hope, a hope that never disappoints us, since God's love floods our hearts, through the Holy Spirit which has been given unto us."

Warwick, W. B.

# C LASSES

To prepare for an unpredictable sea of life is to strive with incessant vigor towards an ultimate goal of success in our academic pursuits. While endeavoring to achieve this end, the underclassmen may not fully realize their responsibilities as members of our school community; but the Juniors, Sophomores, and Freshmen are ever anxious to further our spirit of good will and brotherhood among students. As we have progressed through the stages of life at V. P. I., our Alma Mater has contributed the traditions and principles of wholesome competition endowed upon her by our predecessors and cherished so highly by all. This knowledge acquired through association with students and faculty alike has enhanced our ability to represent Virginia Tech serving the nation's industries . . .

# CORPS OF CADETS

From the grossest rat to the "Colonel" himself—all members of our Corps are proud of her record, both past and present. Defying the weather to stand a formation—embracing under the arch at Ring Dance—shining brass and shoes—marching down Jefferson Street—signing the last rat belt—these are the traditions through which we became filled with the true spirit of Tech. As we go out into the cold world and look back on our days at Tech, we shall always remember those priceless experiences we had in the Corps as being paramount in our college career. Those days, rough ones and smooth ones, represent the greatness of Virginia Tech.

# THE MILITARY STAFF

## TO THE CORPS . . .

"The Corps has become more than just a title which names the military student body. The Corps not only symbolizes the high standards of achievement in every field of student endeavor, but also identifies a spiritual quality possessed by V. P. I. graduates which inspires them to strive with undaunted energy, enthusiasm and loyalty to serve community, employers, state, Alma Mater and country whenever and wherever the challenge exists or need arises.

The Corps creates a spirit of unyielding service in the hearts of its members from the moment a new freshman enters V. P. I. The Corps devotes itself to service of its Alma Mater unceasingly while its members are undergraduates. The character development of the V. P. I. cadet is continuous, healthy and positive throughout his student progress by association with the spiritual influence with which The Corps fortifies him during periods of trials and tribulations encountered while preparing himself to become a useful citizen. It is with admiration and humility that we salute The Corps."

COL. T. W. MUNFORD

## *Virginia Tech Cadet Corps*

1. You're lucky to get that from Thalmann. 2. "Skipper" H. J. 3. Eddie "The Lawyer" Wright just can't decide which one to write to. 4. "The greatest athlete of them all," Tom Burns. 5. "Stripes" Galmer, graces of them all, just laughs at G. B.'s. 6. G. W. Jansa displays that grand old ability to eat more than any other white man at Tech. 7. Man of distinction George Vockwith, and birds in survey.

8. and 9. This performance really stunned V. M. L., a surprise. 10. The Pershing Rifle firing squad salutes the World War I dead at Armistice. 11. "March your companies to dress." 12. The Saturday afternoon poker club. 13. Rat runs, 1947 style. 14. Typical "A" Co. crowd; spring, 1948.

# F EATURES

Along the shady lane of a college career, which opens into a brand new world of unbounded opportunity, there are those treasured experiences which linger only as sweet memories; the Ring Dance, Homecoming, that Saturday night date with the girl of the hour, the game of the year with V. M. I., and innumerable others. But alas! we have within this, The Features, a pictorial resumé of those very things that put the joy and wealth into our college days . . .

# Momentous Memories

1. February—Dr. C. C. French installed as Vics-President—Welcome to Tech, Sir!
2. The wheels break ground for the new dorms.
3. Fred Price issues an athlete some duds.
4. Joe Price—"How You Feelin'?"
5. Your friend and mine, Miss "Lucy."
6. Noon at the Book Store.
7. Dr. Sandidge and Col. Munford—lighter moments.
8. This is how they cook it, Mess-Hall style.
9. The Westinghouse Chorus entertains in Burruss Hall.
10. The Faculty have parties, too.
11. But not like this!
12. "Shave or Shampoo?"
13. Is the crowd watching the horse or the rider?
14. The death of Pure Richard—Alpha Zeta initiation.
15. The Queen's car—Virginia Game.
16. Little Techmen.
17. Studying for exams?
18. Tech scores!
19. Typical Blackburg weather.
20. The power plant whistle—6:00 P. M.
21. What is this thing called "Open House?"
22. Drums roll for W. W. I Deal at Armistice Day service.

# Ring and Formal Dances

1. That great moment—the \$\$\$kiss.
2. Buddy Moreno shows off for the '0bers.
3. Charlie Mease and date.
4. and 5. Civilian Figure.
6. Cadet Figure beginning.
7. The crossed-sabre arch.
8. "Bearing out the fact that the most beautiful girls come to Tech."
9. T. D.—his trombone and his orchestra.
10. and 11. Typical dance scenes.
12. Johnny Livingston and Broadway Cowboy—Summer Formals.
13. and 14. Intermission.
15. As seen through a mirror.
16. and 17. "After the ball is over."

HEADING FOR A FALL!

VPI-36  
WM-O

# Homecoming

1948 marked a new era in the progress of homecoming celebration. For the first time in the history of the college, there was a float parade, which added even more color and merriment to the already elaborate Corps morning parade and the football game in the afternoon.

1, 7, 11. Barracks Decorations.

2-6, 9, 10, 12, 13. Floats.

8. The cheerleaders and car (?).

14, 15. The Corps in Miles Stadium.

# Rad- Tech

Far away over the Alleghenies toward Radford, lies a small establishment known as Radford Ordnance Works, and it is here that the First Battalion and a number of civic freshmen dwell. Known to this group as the "main campus," Rad-Tech is a temporary arrangement, making possible a greater enrollment during the rush period on already crowded educational facilities.

1. Rats operate at Rad-Tech formal.
2. The "Cat" company buccaneers.
3. and 4. A rat-upperclassman football game.
5. Inducive to joining the Cave Club.
6. and 7. Rad-Tech freshman basketeers in action.
8. "Don't stab me again, fellers!"
9. The ole southern hospitality.
10. Breakfast time.
11. Hello! How did you get here?
12. The book store "Bar."
13. The crowning of the queen.
14. Compression test—materials lab.
15. Get that bacteria!
16. Ceramic Lab.
17. Strike?
18. This is to prove that despite noble efforts on the part of instructors, poor Joe College still finds time for the bare necessities of life.

# Skirt

# Barn

1. Posed?
2. This is more like it!
3. Where are the Yanks?
4. Beer Keg?
5. He's my man.
6. Typical Hillcrest Bedroom.
7. "And so to Bed."
8. That Beautiful NEW dress! (And Engineer).
9. Q. C. Kid.
10. As Usual.
11. Unusual.
12. and 13. The girls entertain guests over Religious Emphasis Week.

# Life With Joe College

1. This slide rule should make it run.
2. A plane comes in at the Tech airport.
3. The source of those tickets.
4. Sweet Dreams!
5. Cheetah.
6. The riding ring—from the air.
7. and 8. Familiar scene to aggies (and cross country boys).
9. Library—late at night.
10. Another monogram initiation.
11. Misses Jacobs and Collum.
12. Main street, Blacksburg.

# A

# THLETICS

Football—Basketball—Baseball—Track—Cross Country—Wrestling—Swimming—or whatever sport may be under discussion: they all play a vital role in developing the kind of bodies and minds which a man who participates is justly proud. It is not personal gain athletes at Tech try to achieve; rather their goal is to bring distinction upon the college they represent when participating in intercollegiate events. Throughout the nation Virginia Tech's teams are known for their sportsmanship and respect for the opponent. To win, yes; but above even this our reputation is at stake, and with these thoughts paramount in their minds, our athletes fight boldly and fairly until the crack of the final gun—or the tape is broken—or the fact strike is called. . . . Such are Athletics at Tech. . . .

# FOOTBALL

## 1948

Coach Bob McNeish in his first year as head football coach was assisted by Mel Henry in the backfield, newcomer Stanley Pitts in the line and Paul Sizemore on the ends. Allan Learned as Junior Varsity coach and Ed Shockey as Freshman coach completed the football staff. Although showing an unimpressive record from the standpoint of victory, V. P. I. with able assistance from the team and the new coaching staff made great headway in rebuilding a team that all Techmen will be proud of.

### GEORGE WASHINGTON

Tech's fighting Gobblers opened their 1948 football season against a strong and revamped George Washington eleven at Miles Stadium. After pushing up and down the field for over a quarter, G. W. was able to score on a freak pass play. Tipped by one G. W. man, the ball bounced off the helmet of a Tech player and finally was caught by a second Colonial player in the end zone. G. W.'s only other score came after a sustained drive to Tech's four yard line where after five attempts they were able to push the ball across. Tom Burns and Bill Hegamyer played outstanding defensive ball while Bob Gilley's booming punts pulled Tech out of one hole after another. Andy Davis, G. W. back, was the most outstanding player on the field as he tore through the big Orange and Maroon line for large gains. The fighting Gobblers who failed to get their hands on the ball until late in the first quarter could not get their offense started. Tech's passing attack was hot and cold, but it was never able to click twice in succession. The final score was 13-0 in favor of G. W.

### VIRGINIA

A much-improved but underdog Tech eleven invaded Roanoke's Victory Stadium only to come face to face with the mighty Cavaliers who came out of the game with a 28-0 victory.

The Gobblers took the opening kickoff but were unable to

TOM BURNS  
Captain

gain against the stout Virginia line. Virginia, deep in her own territory set up the first score with a 57 yard pass play. Joe McCary and Johnny Papit spirited the running passing attack which resulted in the Cavaliers next two touchdowns. The last Wahoo's score came as the result of a blocked kick from the toe of Bob Gilley.

Ray Bensley, Tech's hard playing halfback, was a standout on both defense and offense. V. P. I.'s line, although greatly improved over the previous week could not stop the onslaught from the Virginia line which rushed through to throw Bud Fisher, the Gobbler's smooth working field general for loss after loss. Stand-outs in the Tech line were end, Bill Hegamyer, tackle Jack Ittner, and centers Tom Burns and Joe Church.

### TECH STARTERS

Ratliff, Neel, Beard, Fisher, Wings,  
Casta, Ittner, Burns, Church, Dutton, Orr, Meriwether.

*Front Row:* Orr, Collum, Walton, Leonard, Bensley, Bob Taylor, DeNardo, Zekert, Beard.  
*Second Row:* Webb, Dutton, Fracker, Burns, Frank Taylor, Chambers, Goodman, Smith, Zender, Loomis, Fisher.  
*Third Row:* Squires, White, Kernan, Lawler, Nosl, Kitts, Raugh, Wings, Forbes, Blair, Brashear, Robinette.  
*Fourth Row:* Stultz, Anderson, Vernon, Thomas, Ratliff, Meriwether, Hagamyer, Casto, Church, Ittner, Johnson, Rand, Melbrom.  
*Fifth Row:* Robinson (Mgr.), Hopkins, Hodgson, Howard, Whitman, Forrest, Oliver, Haboush, Wachter, Hargrove.

Although going down to defeat for the second straight game, the Orange and Maroon gridblers fought all the way.

#### MARYLAND

The fighting Gobbler's journeyed to Washington only to be turned back by a strong undefeated Maryland team 28 to 0. Ray Bensley's running and Bud Fisher's passing sparked Tech's initial drive of eighty-five yards to the Maryland goal where they were held on four successive plays for no gain. Guard Hubert Dutton's second quarter recovery of a fumble on the Maryland thirty nine initiated Tech's only other offensive thrust which was climaxed by Chip Collum's pass to Otey Meriwether on the Terp's one. Again the Gobblers failed to score while Tech's defense proved inadequate against Maryland's powerful ground and air attack. Harry Bank, the Terp's charging fullback twice crossed Tech's goal to set up the margin of victory.

#### WILLIAM AND MARY

Tech had its homecoming spoiled as the hard-hitting Southern Conference champs from William and Mary powered their way across the Gobblers goal to score in every period. McNeish's boys, while showing steady improvement in every game, were no match for a team that outweighed them 20 pounds to a man. The Orange and Maroon team's only scoring threat came in the opening minutes of play when the Indians kicked off after their first score. With Ralph Beard bucking the line and Bud Fisher passing the Gobblers moved the ball down to the Indian's 14 yard line before the big Green was able to dig in and hold Tech on downs. Jack Cloud, W. and M.'s hard plunging fullback accounted for two scores in the 30-0 Indian victory. Harry Walton and Ray Bensley were standout backs for Tech, as they played well both on defense and offense. Jack Ittner and Tim Lawler excelled in their line

Paul Sizemore, Mel Henry, Robert C. McNeish,  
 Staley Pitts, Joe Henning.

Ittner  
Orr

Meriwether  
Leonard

Bensley  
Burns

play by breaking thru the big Green line several times to nail W. and M. backs for losses.

#### DUKE

Tech's victory-hungry Gobblers invaded Roanoke the second time of the season to meet the undefeated and highly vaunted Duke eleven, who entered the game as 28 point favorites. From the very first whistle it was evident that such was not to be the case. Playing an outstanding defensive game which they carried to the Blue Devils from the opening kickoff, the fighting Gobblers shoved Duke

Ruff Going!

all over Victory Stadium for 59 minutes of football. Only for one minute were the Carolinians able to make their offense click. Tommy Hughes, a hustling Duke back, romped around right end in the middle of the second quarter to score the only and deciding touchdown of the game.

For the first time the big Orange and Maroon team showed signs of offensive power which had been lacking all season. Harry Walton and Jay Ratliff were particularly dangerous on punt returns as the Blue Devil's saftey man had to make desperate tackles to prevent them from going all the way. Dave Thomas ripped thru Duke's line and around end for long gains all afternoon. Tech's whole line played 60 minutes of heads up football breaking up one play after another. Jack Ittner, Tim Lawler, and Otey Meriwether were the standout linemen for the Gobblers as they tore the big Duke line apart time after time to throw the ball carrier for a loss. Ray Bensley and Ralph Beard, the stewards of the backfield, played their usual fine game.

### ARMY

A strong Army team, rated as one of the very best in the country, played host to the fighting Gobblers at West Point to run their record of undefeated games to 10. Snapping into the first quarter the Techmen put on a display of power and drive hitherto unshown this season. Sparked by the brilliant running of Beard, Ratliff, Walton and the excellent passing of Bruce Fisher, V. P. I. rolled the length of the field. Scoring for the first time this season the Gobblers were as determined a football team as the Cadets had seen in Michie Stadium for quite awhile. Army's initial score during the first period was not allowed to stand unchallenged as the Techmen put on a ripping drive the length of the field to score. Tech tallied on a jump pass from quarterback Fisher to end Ron Casto. Ralph Beard's conversion was good to give Tech a 7-7 first period deadlock with mighty Army. The underdogs from V. P. I. began to weaken and were overcome by the rolling Cadets who used a two platoon system with a continuous set of fresh players. Although playing against a combination of backs who had one of the greatest ground gaining records in football, the Techmen played their hearts out before going down in defeat 49-7. Fisher's passing was tops as he consistently threw to ends Ron Casto and

Top: Casto snatches—the ball.  
Bottom: The Squadron couldn't stop us—at first.

Otey Meriwether, Guard Tim Lawler and tackle Jack Ittner were decidedly outstanding in their line performance.

#### WASHINGTON AND LEE

Renewing the long rivalry between V. P. I. and W. and L. the two teams played their traditionally hard fought battle before a soaked Lynchburg crowd. Rated as pre-game favorites the Generals edged out the Techmen by a narrow 14-7 margin in the closing seconds of the game. Va. Tech, sparked by the fine running of Jay Ratliff, Roger Neel, and Ralph Beard, had almost complete mastery of the situation until the end of the first half. After driving the length of the field by ripping holes in the line, V. P. I. set up the score with a long pass from Fisher to Casto. Roger Neel carried over for the initial touchdown of the game and the conversion by Ross Orr was good. Throwing pass after pass, W. and L. desperately attempted to even up the game and scored as the period ended. During the second half both teams drove up and down the field showing plenty of spark but failing to score. Brilliant kick returns by Jay Ratliff highlighted the play as did Bob Gilley's booming punts whenever Tech was in trouble. Just before the final whistle the Generals again put on a display of passing which carried them over the Tech goal for the winning tally. W. and L.'s successful conversion ended the game leaving a beaten but spirited Tech eleven.

#### RICHMOND

Appearing before 12,000 spectators, mostly University of Richmond homecomers, V. P. I. spoiled their day with a 7-7 tie in one of the best games of the season.

Richmond's only touchdown was the result of a fumble on the Tech 28-yard line. Scoring immediately, the Spiders were out ahead 7-0 at the half.

From the opening whistle, the Gobblers set out with a determined offense and immediately drove the length of the field, only to be stopped by an intercepted pass on the Richmond eight. Sterling Wingo, playing his game of the year, along with Ralph Beard tore through the Richmond line for repeated

Gobblers sneak through Army line for another first down.

Dave Thomas breaks loose against Duke.

The Terps corner Wingo (11).

"Ripper" Rough Rumps.

Chip Chobbers Cavaliers.

setting up the initial touchdown. Bearl plunged over from the one to score and put Tech in front 7 to 0. The Cadets came rolling back in the second quarter with Thomason's passing setting up the score. The conversion was good and the first half ended in a 7-7 deadlock.

As the second half began, the game which had been a tight struggle blew wide open as Thomason threw passes from every angle with such accuracy that the fighting Gobblers were unable to form a defense against them. Although fighting all the way, McNeish's boys gradually fell behind as Thomason and Company swung into high gear and pushed across four touchdowns. Credit is due every man in the Tech line who played well throughout the contest.

gains. A Bruce Fisher to Ron Casto pass was good, but Tech was stopped just short of the goal. Soon after, Richmond took over and kicked out of danger.

Following the second half kickoff, Tech again showed a strong offensive punch by marching eighty yards to pay dirt. Making five first downs mostly engineered by Wingo and Jay Ratliff, Tech fought its way down the field and tallied on a toss from Fisher to Casto. As usual, Ross Orr's placement was good to tie the game at 7-7.

Fullback Roger Neel was outstanding in his line bucks, while Dick Goodman was brilliant defensively.

#### V. M. I.

Tech's Orange and Maroon team traveled to Roanoke for the annual Thanksgiving tussle determined to give V. M. I. a fight they would long remember. As the game started it appeared that the Gobblers would fulfill their promise. The Techmen took the opening kickoff and marched down the field with a pass from Fisher to Casto

All-State Sayre scores again!

Sampson hooks one.

## RESUME

V. P. I.'s fast and shifty ball handlers, coached by "Red" Laird had an average season this year, winning 10 games and dropping 13. Dick Sayre, the Gobbler's outstanding forward, scored over 300 points and displayed outstanding ball hawking to earn himself a berth on the first string all-state team. Bob Trombold, a sharp shooting guard, and "Tex" Tilson, an outstanding man under the basket, gained berths on the third team. George Sampson, Tech's sophomore center, was given honorable mention. The

Gobblers finished ninth in the Southern Conference play.

Starting off the '49 season, the Lairdmen lost six straight games, and things looked black, until V. P. I.'s flashy sophomores came to life to finish the rest of the season with a very respectable record. Tech's starting team was composed of two juniors, Bob Trombold and Ted Bacalis; and two sophomores, Dick Sayre and Tex Tilson. Sophomore center, George Sampson, alternated with Captain Bob Dickson at the pivot position.

After dropping a close decision to the Roanoke Rebels, the Gobblers left Blacksburg for what proved to be a disastrous road trip. They invaded northern Virginia and Maryland only to be turned back by George Washington, Quantico Marines, and the University of Maryland, all of whom had outstanding teams. Returning from the Christmas holidays,

"Shoot!"

Tech's ballhawks dropped games to Roanoke Rebels and the powerful University of North Carolina before finally hitting their stride. Sparked by Dick Sayre and George Sampson the speedy Lairdmen waded into Duke and William and Mary, two of the Southern Conference's top teams, sending them down to decisive defeats. Going out on the road again, the courtmen ran afoul of Washington and Lee, Duke,

*Front:* Sayre, Trombold, Farrer, Kiley, Platt.  
*Second:* Spruhan, Cole, Jones, Bacalis, Fisher.  
*Third:* Pohl, Tilson, Dickson (Captain), Laird (Coach).

Captain Dickson waits him out.

and University of North Carolina. Duke revenged her defeat at the hands of the Gobblers, while North Carolina again proved too much for the Gobblers. Returning home, the Tech speedsters had a rude awakening when University of Richmond handed the team a defeat on their home court. Bouncing back in the win column, V. P. I. rolled over University of Virginia and Roanoke College. Again the Lairdmen took to the road and revenge was the keynote. William and Mary playing on her home court revenged her previous defeat at the hands of the Gobblers. The next night, Tech also found sweet revenge when she invaded Richmond to hand the University of Richmond a setback. Upon returning to Blacksburg,

Tech's basketball team played their best ball of the season. With Trombold, Sayre, Tilson, Sampson, Dickson, and Bacalis taking turns sparking the team, the Orange and Maroon rolled to successive victories over V. M. I., Virginia, Washington and Lee, and Roanoke College. Journeying to Death Valley, the Gobblers were surprised by a strong Hampden-Sydney quintet. Tech then invaded Lexington and took their second game of the season from their arch-rivals, V. M. I. The final game of the season was a heart breaker. Hampden-Sydney, the Virginia State

Jones lobs one in against Hampden-Sydney.

Champion, came to Blacksburg and carried away a two point victory.

As a whole the season was a success. The team improved steadily with every game, and next year should be even better for Captain Bob Dickson is the only player who is not returning.

Ball Hawk!

## RIFLE TEAM

Composed of the best shots in the V. P. I. rifle club, the team represents Tech in all intercollegiate matches. Under the fine direction of Sgt. Birdwell, Burleson, Johnson, and Watkins, and supervision of Major Kurtz, the team fired matches with colleges as far distant as the University of Hawaii, and the University of Alaska as well as

shoulder to shoulder matches with George Washington University and Georgetown University. The Tech Sharpshooters are members of the Middle Atlantic Intercollegiate Rifle League and as proven in the Randolph Hearsh Rifle Match rate among the top fifteen teams of the country.

Second Row: Chestham, Montague, Hawes, Woody, Moore.  
Third Row: Smith, Merrin, Slayton, Dalton, Boehling.*

## BASEBALL — 1948

Tech's heavy hitters combined with the good pitching of Calvin Schadel, Bill Crump, and Gil Faison, to lead the Gobblers to its most successful baseball season in recent years.

Starting the season by invading Carolina, Tech tied Clemson, beat Davidson, and dropped a close one to Wofford. Returning home, the Gobblers won four games before dropping one end of a double header to Delaware University. After beating Hampden-Sydney, Richmond, and William and Mary, and losing to Washington and Lee, Tech left on a disastrous road trip which saw them drop three games straight to Virginia, Maryland, and George Wash-

ington. Back at home Tech won four out of five games.

Coached by Flake "Red" Laird, Tech won 14, lost 8, and tied 1 game. The Gobblers finished second in state competition and lost twice to only one team, Washington and Lee, one of those being played under protest.

Calvin Schadel, Tech's sensational freshman hurler, Woodey Slayton, a heavy hitting rookie right-fielder, and John "Pappy" Hawes, Tech's heavy hitting catcher, were elected to the Mythical All State Nine. Perry Frye was elected to the second team, playing first base for the first time this year.

*Captain Joe Foltz,  
and John Henry.*

*Schadel, Hawes, Montague, Moore.*

*"Red" Laird,  
Coach.*

## TRACK — 1948

An outstanding V. P. I. track team carried a record of 4 wins against 1 loss through the 1948 season. Placing fourth in the Carolina Relays and the State Meet and sixth in the Southern Conference Meet, the Tech barriers were led through a very successful season by co-captains Frank Magill and Bob McLeary.

V.P.I. 66 $\frac{1}{4}$	North Carolina State	50 $\frac{3}{4}$

Coach Lou Onesty;  
Co-Captains Smith, Brouse.

## SWIMMING — 1949

Captained by Bill Smith and Frank Brouse and coached by "Little Lou" Onesty, the swimmers experienced one of their best seasons in recent years.

Tech's splashers started the year with a decisive victory over Roanoke College. They then dropped hard fought battles to N. C. State, Duke, and U. N. C. before the tankmen finally hit their stride and

downed W. and L., Virginia, and W. and M. Tech's last meet was against a strong V. M. I. team who were able to outlast the Gobblers. In the state meet, the natators took a third place. This year's team had very few outstanding performers; instead, they presented a well rounded team which showed strong competition in every event.

*First Row:* Borden (Mgr.), Iddings, Hicks, Brouse (Co-Captain), Smith (Co-Captain), Newman, Onesty (Coach).  
*Second Row:* Dancy, W. W. Bessie, Kennet, L. E. Bessie, Blair, Roy.  
*Third Row:* Wood, Kolker, Slonaker, McKeithan, Booth, Cummings.

Those great "Tigers"

Varsity Squad (Second Row): Learned (Coach), Wright, Kenson, Williams, Blalock, Crooks, Wheeler, Morris, Oliver (Captain), Wachter, Bancom, Howard (Mgr).

## WRESTLING — 1949

Showing plenty of promise for the future, the matmen under the first year direction of coach Al Learned tangled with the best grapplers in the Southern Conference. Scrapping their way into three victories against one tie and four defeats, the Technicians made a place for themselves in the Conference Tournament. Captain Stew Oliver was runner-up in the light-heavyweight division, while Bancom finished third in the heavyweight competition, and Crooks and Kenson finished fourth in the 145 lb. and 121 lb. classes respectively. Captain Oliver went undefeated

throughout the entire season until the final match of the Southern Conference championships.

Whittle

## GOLF — 1948

Virginia Tech's well-rounded golf team turned back all competition this year to finish the season undefeated. Coach Preston Newman guided the team to the State Championship as they easily defeated every other team in the state at least once. Captained by Jim Lark, the championship squad consisting of Ed Ellison, C. R. James, F. F. Smith, John Whittle

and Connie Sellers, who showed outstanding play and fine individual ability throughout the season.

Paced throughout the season by John Whittle and Connie Sellers, the Gobblers opened by handing Harvard a decisive defeat. They then coasted to easy victories over Virginia, Washington and Lee, Richmond, George Washington, and V. M. I.

*Front:* Sellers, Newman (Coach), James.

*Back:* Lark (Captain), Smith, Whittle, Ellison.

Front: Brooks, Beard, Shelton (Captain), Middleton, Loving, Harvie.  
 Second Row: Smyth, Herboltzer, Neelton, Prongay, Seymour.  
 Third Row: Reid (Mgr.), Smith, Gibbens, Onesty (Coach).

## CROSS COUNTRY — 1948

The cross country runners under the able direction of Lou Onesty had a most spectacular and successful season. Captained by Curtis Shelton, the harriers took first place state and second place conference honors. In dual competition they posted wins over the University of North Carolina and V. M. I., while in a triangular meet the standing was Tech first, Uni-

versity of Virginia second, and Washington and Lee third. The only loss was to the University of Maryland.

Monogram winners for outstanding performance were Curtis Shelton, Ben Middleton, Joe Beard, Ken Loving, Bob Brooks, Frank Herboltzer, Buddy Harvie, Dave Prongay, and Bob Reid (Mgr.).

Brooks, Beard, Loving, Middleton, Shelton. Curtis Shelton, Captain, Seymour, Smyth, Neelton, Herboltzer, Prongay, Harvie.

Mock, Benninghove, Montgomery, Weaver, Whitescarver, Stephens, Altheart.

## CHEERLEADERS

In uniting our student body and leading Hokie teams to victory, our cheerleaders should never be overlooked. From the echoes of "Have you got it?," to the Old Hokies, heard from the lake to the stop light—from the bon fires to the ringing of Tech

Triumph through Miles Stadium—but greatest of all to the achievement of sportsmanly conduct by all Techmen, our cheerleaders deserve the honors—so seldomly awarded them.

"Monkey" Bove at Duke game.

Burnin' 'em up at homecoming.

# A

# CTIVITIES

The wealth of outside activities may be pictured as the horn of plenty, for here immeasurable experience and pleasure are afforded all who desire to participate. Herein lies the field of music, of journalism, of athletics, of social functions, and of learning to be better citizens. So extensive is this activity on our campus that a building called the Student Activities Building has been designated to house these busy people. Never a day goes by that somebody doesn't meet, plan or work on a group project in the SAB. By sharing in this activity through an exchange of ideas with students and faculty alike, one derives priceless benefits conducive to preparing him for the next big objective: that of serving the nation's industries.

Following the postwar reorganization and redevelopment that Bob Whitman and Herb Mandel so thoroughly accomplished in their '47 and '48 publications, we found it hard to make this, the '49 BUGLE an improvement over her predecessors. However, if there is improvement, credit should be given to Herb Mandel, who so successfully trained us to perform the job of producing this annual.

Our sincere thanks is extended to Mr. E. H. Crensey, Mrs. E. C. Magill, Joe Guthridge, Mrs. J. J. Fivecoat and Mrs. A. N. Cole for their ever-present interest, and their every contribution in producing the '49 BUGLE.

Under Bob Reid's superior guidance, the business staff increased circulation of the '49 BUGLE to a new post-war high by introducing to the students exactly how the BUGLE would benefit them, both in entertainment and tangible usefulness in later years. We believe that with this step forward, our yearbook circulation will continue its rise to even greater heights in the future.

This year's newspaper, staffed by approximately sixty students, has had for its keynote the establishment of a flexible, smooth working staff. The effects of organizational changes have been felt from editor to cub. Foremost in the plan was the aim of permitting greater flexibility which, in turn, demanded delegation of authority to sub-editors to a far greater extent than had been done in the past. The only mechanical change made has been in the make-up. Top award in critical competition against other Virginia college newspapers proved the success of the efforts.

A great deal of credit for the success of *The Virginia Tech* should be given Lee N. Trower, the business manager. His leadership has resulted in a record increase of the circulation and in the obtaining of a greater volume of advertising.

The prolonged efforts of the business staff members has brought about practice in salesmanship and journalistic management which will be of aid in their later life.

*The Virginia Tech Engineer* is the official engineering magazine on the V. P. I. campus. Published five times a year by the students of the School of Engineering, it devotes its pages and write-ups to the furtherance of engineering knowledge and covers the entire engineering field by the publication of articles by authoritative leaders in the profession, and by engineering students on the campus.

In September 1947, Joe Ayers, Tom Blaisdell and Ed Talmage initiated the project that was to result in W. U. V. T., the campus radio station. Since it first went on the air April 1, 1948, W. U. V. T. has brought many hours of enjoyment to the students of Tech. Due to the fact that W. U. V. T. is operated by students for students, it schedules only that type of program the student wants to hear. Everything, from classical music to "name bands" direct from the dance floor during formals, is included in W. U. V. T.'s program schedule. The station is truly "The voice of the Techman."

When *W. U. V. T.* was first organized, one of the conditions specified was that the station become an entirely self-sustaining organization. During the first three months of operation, in the spring of 1948, the station was able to pay off all capitalization and is now wholly owned by the Virginia Tech student body. This was accomplished by a staff headed by Bennett Nathanson, the first business manager of the station. It is hoped that *W. U. V. T.* will expand throughout the years until its coverage and facilities at Virginia Tech are equal to those of a first class commercial radio station.

The *Sentinel*, sponsored by the V. P. I. Publications Board, is a calendar containing previously scheduled social and athletic events. On each page of the *Sentinel* is a cartoon depicting some phase of military or civilian life at Tech. At one time the *Sentinel* cartoons dealt only with the "hardships" of the military, but due to the large influx of veterans, the "G. I. blues" now compose an appreciable part of the theme.

## CORPS SENATE

" . . . All legislative and governing powers of the Corps of Cadets shall be vested in an agency to be known as the Senate of the Corps of Cadet of the Virginia Polytechnic Institute, which shall be composed of senators elected from the Corps of Cadets."

Senators: Agnor, Akers, Ames, Bailey, Banks, Barlosdale, Clark, Carter, Dance, Faison, Foster, Fulcher, Garrette, Geiger, Glover, Green, Henley, Lane, Mackey, Miller, Nelson, Omps, Overstreet, Parker, Penaherrera, Pinkham, Puckett, Reed, Shelor, Smithson, Sykes, Taurman, Tignor, Umphlett, Webster.

## CORPS HONOR COURT

" . . . The Honor Court is the court composed of elected and appointed members of the Corps of Cadets, and is the supreme judicial body of the Corps of Cadets, and shall try all cases pertaining to violations of the Honor System . . ."

Officers: R. P. Farrell, Judge; B. R. Middleton, Associate Judge; L. M. Shelor, Secretary; A. A. Modena, Prosecuting Attorney; O. T. Kirby, Defense Attorney; D. W. Huffman, Assistant Prosecuting Attorney; P. L. Akers, Assistant Defense Attorney.

# CIVILIAN SENATE

"... The Senate shall be composed of members of the Civilian Student Body, elected for one academic year, to serve from the date of their election until the election of their successors . . ."

Senators: Albright, Baggett, Barger, Barlow, Barret, Beavers, Blair, Boud, Brogdon, Brown, D. L.; Brown, M.; Burke, Burton, Byrd, Cheney, Cook, Craig, Crews, Crockett, Cromer, B. G.; Cromer, K. G.; Crowell, Ellison, Farris, Fields, Fisher, Fleming, Graves, Gray, J. L.; Gray, J. C.; Grindstaff, Gillie, Hall, Harman, Harvey, Hawkins, Hodges, Horne, Honck, Hurt, Hylton, Jackson, Joyner, Kern, Lacy, Lewis, McClintock, McCoy, McIntosh, McNeil, Middleton, Morston, Nolan, Old, Parker, Parson, Pettinger, Potts, Powell, Price, C. M.; Price, R. M.; Prouty, Quirk, Genesis, Rigler, Rosenbaum, Ross, Seales, Shanks, Sharpe, Shelor, Showalter, Smith, Underhill, Waldrupe, Waller, Walters, Watt, Wikstrom, Williams, Wilson, Wolfe, Woodford.

# CIVILIAN HONOR COURT

"... The function of the Honor Court shall be to try all students' cases pertaining to the violation of the Honor Code . . ."

Officers: D. L. Moore, Judge; O. B. Roller, Associate Judge; L. S. Reams, Prosecuting Attorney; G. K. Ames, J. W. Powell, Assistants to the Prosecution; W. M. Moore, Defense Attorney; G. B. Wills, L. M. Wolin, Assistants to the Defense; Miss M. G. Moseley, Secretary; N. F. Lee, Baliff.

# CADET HONOR COURT JURY

The jury of the Cadet Honor Court is of a permanent nature, the jurors being elected from the Cadet Corps. There are three men from each academic class on the jury.

Jurors: Barham, Dorsett, Gallup, Hawkins, Jolliff, Knight, Lynch, Mackey, Malcolm, Montague, Ruffin, Smith.

# EXECUTIVE COMMITTEE

"It shall be the duty of the Executive Committee to guard and protect the reputation and name of the Corps of Cadets and recommend punishment for offenders who bring discredit upon the Corps of Cadets in matters not involving the Honor System in accordance with the provisions contained in the V. P. I. Military Regulations. The Executive Committee shall consist of two members from the Senior Class, and one each from the Junior, Sophomore, and Freshman Classes. The Vice-President of the Corps of Cadets shall serve as chairman of the Committee."

Members: R. M. Orr (Chairman), G. B. Vockroth, R. L. Miller, W. L. Proffitt, J. H. Barlow, D. E. Bonney.

## PUBLICATIONS BOARD

The functions of the Publications Board are to coordinate the activities of the represented publications and the radio station, to provide for systematic accounting procedure, and to insure maintenance of ethical standards by the respective member publications, including *THE BOOLE*, *The Virginia Tech*, *The Virginia Tech Engineer*, *The Sentinel* and radio station *W. U. V. T.*

Members: W. L. Dudley, Chairman; C. P. Mills, Vice-Chairman; B. Nathanson, Secretary; A. R. Fox, Treasurer; Prof. G. T. Baird, Comptroller; J. G. Ayers, Dr. R. E. Bates, T. E. Dunn, A. B. Hilton, Mr. R. D. Michael, Mr. H. H. McNeil, R. C. Reid, E. O. Talmage, L. N. Trower, G. B. Voekroth, G. G. Harman.

## ATHLETIC COUNCIL

The Athletic Association is a self-governing, fully organized body of regularly matriculated students of the college. The purpose of the association is to foster, maintain, promote, manage, and conduct all forms of intercollegiate athletics at Virginia Tech, and to assist insofar as is possible with the intramural and physical education program.

Members of the Council: R. V. Smith, President; Mr. W. R. Leggo, Alumni Representative; K. J. McBroom, Mr. J. P. Milhous, Dr. L. O'Shaughnessy, Mr. F. D. Rollins, Mr. E. V. Russell, Mr. W. L. Younger, E. H. Rand, Secretary.

## THE ADMINISTRATIVE COUNCIL

The Council of the Administration coordinates the matters involved in the operation of the college, and serves as the top advisory board to the president.

*Members:* Dr. W. S. Newman, President; Dr. C. C. French, Vice-President; Dean C. P. Miles, Dean of the College; Dr. T. B. Hutcheson, Dean of Agriculture; Prof. E. B. Norris, Dean of Engineering; Dr. C. R. Woodwine, Health Officer; Col. T. W. Mumford, Commandant of Cadets; Dr. L. O'Shaughnessy, Director of Graduate Studies; Mr. S. K. Cassell, Business Manager; Dr. R. E. Bates, Director of Student Affairs.

## THE ENGINEERING COUNCIL

It is the purpose of the Engineering Council to establish a representative body from the Engineering School, to promote the best interests of the Engineering School, and to coordinate their efforts with the administration of the college.

*Members:* C. M. Meuse, President; A. U. Meadows, Vice-President; S. J. Golladay, Secretary-Treasurer; M. E. Shamburger, Corresponding Secretary; Dean E. B. Norris, Dean J. W. Whittemore, Faculty Members; Akers, P. L.; Amos, R.; Ayers, J. G.; Barger, F. M.; Barksdale, B. H.; Clement, G. K.; Crim, F.; Donahue, R. M.; Eggleston, J. M.; Embler, J.; Emerson, C. G.; Forbes, J. M.; Golladay, R. J.; Gregg, H. T.; Hamlin, J. S.; Hinesock, B. A.; Keil, C. F.; Lipscomb, J. W.; Lambly, P.; McClannahan, H. C.; Mason, J. C.; Softsinger, R. B.; Quirk, V. P.; Shamburger, M. E.; Sheffield, C. B.; Singleton, A. E.; Sward, J. H.; Taliaferro, R. C.; Wallace, R. F.; Wheeler, W. H.; Wood, T. A.; Young, H. C.

*HONORARY*

# Phi Kappa Phi

It is the purpose of the Phi Kappa Phi to emphasize scholarship and character in the thought of college students, and to foster the significant purposes for which institutions of higher learning have been founded. Phi Kappa Phi has tended to stimulate mental achievement by recognition through election to membership. This membership is limited to those students who are among the upper one-eighth of their class. Only one-tenth of any class, however, may be elected.

## Pi Delta Epsilon

Pi Delta Epsilon is the national honorary journalism fraternity. It does not offer competition to the professional journalism fraternity but tries to promote undergraduate publications. The V. P. I. Chapter is the second oldest honorary on this campus, having been active since May 1, 1930, with the exception of the war years. Members are selected from juniors and seniors who have distinguished themselves in their participation in campus publications and the elevation of the cause of journalism are the objectives of this organization.

## Eta Kappa Nu

Eta Kappa Nu was founded in 1904 at the University of Illinois by a group headed by Maurice L. Carr. While the qualifications for membership distinctly stimulate and reward high scholarship, Eta Kappa Nu has a far broader purpose than merely to award a badge of distinction. As conceived by its founders and as carried forward by its membership during more than a generation, its aim is to assist its members throughout their lives in becoming better men in their chosen profession and better citizens. The main purpose is to promote fellowship among its members and to advance the profession.

# Block and Bridle Club

N. W. COYNER  
*President*  
Mrs. N. W. COYNER  
*Sponsor*

The Block and Bridle Club is an honorary organization whose objectives are to promote a higher scholastic standing among students of Animal Husbandry; to promote more interest in Intercollegiate Judging Contests, by presenting suitable prizes; to bring about a closer relationship among the men pursuing some phase of Animal Husbandry as a profession; to encourage students to take up a study of Animal Husbandry.

Although the Block and Bridle is primarily an Animal Husbandry organization there are included in the membership men in many other curriculum in Agriculture.

The local chapter sponsors a judging contest each fall for all students in agriculture; it also sponsors a Fitting and Showing Contest each spring and sponsors free stock judging teams to all major contests. The climactic event of each year is the widely known V. P. I. Horse Show.

# *CURRICULAR CLUBS*

## Agricultural Club

The wide variety of activities sponsored by the V. P. I. Agricultural Club provides training for each member in leadership, parliamentary law, public speaking, community activities, and cooperation among members and faculty. All members are constantly reminded of the latest advances in agriculture through books, magazines, and speakers secured by the club. With an organization designed for the development of the individual, all members upon graduation feel that they are much better equipped to serve their country as an agriculturist.

## American Society of Civil Engineers

The student chapter of the American Society of Civil Engineers is an engineering society organized to bring to its members a direct contact with the professional men in their curriculum, thereby acquainting the student with the practices of the profession in the field. It also serves to promote a feeling of fellowship among students who have a common aim, that of becoming proficient civil engineers.

## Business Club

The Business Club, formed in 1931, consists of students enrolled in the Department of Business Administration. Its purpose is to foster the individual growth and to create a feeling of fellowship among its members. Many outstanding business men address the club and keep the members abreast of the current developments in the business world. The programs reach a climax when a social is held at the end of each quarter.

## Agronomy Club

The Student Chapter of the American Society of Agronomy was reactivated at V. P. I. in March, 1947. Its purpose is to give the students a wider knowledge of the problems and scope of the field of Agronomy and to develop leadership and the art of working together for the benefit of the group.

# American Institute of Chemical Engineers

The Student Chapter of the American Institute of Chemical Engineers received a charter granted by action of the National Council of the Institute. The purpose of the National Council in fostering the Student Chapters is to provide opportunities for the professional development of students majoring in Chemical Engineering.

It is recognized that the professional associations made during student days are frequently valuable in later years and the professional attitudes acquired at this time set the pattern for later life.

The crowded technical curriculum in most schools creates a desire in the individual student for recognition in his own field. It is the proposed aim of the Student Chapters to fill this need in some measure.

## American Institute of Mining and Metallurgical Engineers

The Burkhardt Chapter of the American Institute of Mining and Metallurgical Engineers acquaints the student with some phases of his life's work. Various problems and current practices are presented to the chapter by means of motion pictures or addresses given by men of industry.

# American Society of Agricultural Engineers

A. S. A. E. is the Student Branch of the American Society of Agricultural Engineers at V. P. I. It is open to all students majoring in the field of Agricultural Engineering.

The club has a program every Tuesday night to promote student activity and leadership. It keeps abreast with the latest news in agriculture and especially those current technical topics related to Agricultural Engineering such as farm power and machinery, soil and water conservation, rural electrification, and farm structures. This is accomplished through reading material, student talks, motion pictures, talks by faculty members, and invited speakers. The club has a social each quarter.

## American Society of Mechanical Engineers

The purpose of the V. P. I. student branch of the A. S. M. E. is to broaden the student's acquaintance with the practical side of Mechanical Engineering, to keep each student informed about engineering progress, to develop the student's initiative and ability to speak in public, to enable him to establish fraternal contact with his fellow engineering students, and to meet engineers engaged in the active practice of mechanical engineering.

## Biology Club

The V. P. I. Biology Club was organized in 1932, to promote further interest in the old and new advances in biological sciences. The club emphasizes social life as well as individual expression of scientific views to establish a firm fellowship among the students. Faculty members and students are invited to give short talks on various biological phenomenon. All persons interested in biology and its various branches are eligible for membership.

# Chemistry Club

The Chemistry Club is an organization for the purpose of furthering companionship and interest among students enrolled in Chemistry. A variety of programs such as talks by members of the faculty, motion pictures produced by various chemical firms, and inspection trips to nearby plants are offered to stimulate the interest of the members of the club and to make the meetings a constant source of enjoyment and profit.

# The V. P. I. Debate Club

The V. P. I. Debate Club has as its major purpose the promoting of inter and intra collegiate forensic activities. A Tau Kappa Alpha Chapter, the national honorary forensic fraternity, is being established on the campus in connection with the Debate Club in order to recognize students who excel in forensics. A Forensic Council, composed of students and faculty members, formulates the policies for the Club's activities.

# Engineer's Club

The Engineer's Club of V. P. I. was newly organized last year to promote good-will and fellowship among all engineering students.

The Engineer's Club serves to publicize Engineering at V. P. I. by aiding curricular clubs to sponsor delegates to State and National Conventions, by bringing in outstanding engineering speakers to address the clubs, and by promoting publicity through various publications.

All Engineering students at V. P. I. are eligible for membership in the Engineer's Club.

## Future Farmers of America

The Collegiate F. F. A. chapter is composed of students majoring in Agricultural Education who are training to become teachers of vocational agriculture. The F. F. A. chapter is designed to help develop leadership, ability, and a cooperative spirit among its members. It's educational aim is to prepare students in the supervision of well-rounded chapter activities, and to allow them to learn this by experience. Its ultimate goal is to develop agricultural leaders who are interested in the improvement of the agricultural profession. All members participate in the educational and recreational facilities sponsored by the chapter.

## Horticultural Club

The Horticultural Club draws its members from those students who show a profound interest in Horticulture. In addition to the usual activities and objectives of all well-organized curricula clubs, the Horticulture Club has the distinction of being one of the few student organizations enjoying the active support and cooperation of the professional field into which its members will enter.

The main activity of the club is its annual Horticultural Club Show held in the fall.

## Institute of Aeronautical Sciences

In these times of international strife and unrest, the airplane constitutes the strongest link in our chain of national defense. It is the aim of the Institute of Aeronautical Sciences to disseminate the latest available information on aeronautical developments and to aid in the training of competent, imaginative aeronautical engineers.

## Society of American Military Engineers

The school year 1948-49 marked the post-war re-organization of the Society of American Military Engineers on the campus. The purpose of the Society is to advance knowledge of the science of military engineering and to encourage and develop a spirit of cooperation between military and civilian engineers. With access to Department of Army films and excellent speakers from the National Guard and Reserve Units of this area, the program committee has been able to present outstanding programs. Far from being all curricula connected work, the chapter has discussions and socials to round out and balance its yearly program.

Each year, at graduation, the outstanding ROTC students of the Corp of Engineers is awarded a medal by the National Society.

The S. A. M. E. is assured of an exceptional future if its future is measured by the interest and enthusiasm of its members.

## American Society of Metals

The V. P. I. Chapter of the American Society of Metals endeavors to acquaint the students enrolled in Metallurgical Engineering with the activities and work of the national society. A preview into the future work is given through lectures and movies in an effort to equip the undergraduate with greater knowledge of his field and thus lead to better engineers for tomorrow.

## Cotillion Club

The Cotillion Club has been in existence on the campus of V. P. I. since 1915. Since its founding, the club has constantly endeavored to improve social conditions on the campus and the social relations between the student body and the faculty. Through the efforts of a congenial and representative group of men, the Cotillion Club has realized a significant achievement toward raising the standards of this phase of campus life.

It is the hope of the Cotillion Club to continue in its efforts to further advance the importance as well as the quality of the social relations and activities on the campus of Virginia Tech.

## German Club

This past year, as always, the German Club has strived to provide dances of which V. P. L. may well be proud. Only through the bonds of fellowship and loyalty are its members able to accomplish this worthy mission.

Not only by giving dances does the German Club seek to better V. P. L., for the Newman Scholarship was awarded again this year to the outstanding sophomore.

We of the German Club sincerely hope that each of the dance sets this year was a pleasant and memorable occasion.

## Alpha Phi Omega

Alpha Phi Omega is purely a Service Fraternity. The purpose of Alpha Phi Omega is, "to assemble college men in the fellowship of the Scout Oath and Law, to develop friendship, and to promote service to humanity." This imposing objective includes four major fields of activity in which our program is delivered. These four fields are: Service to the student body and faculty; Service to youth and community; Service to members of the fraternity; Service to the nation as participating citizens.

## Monogram Club

The purpose of the Virginia Tech Monogram Club is to maintain a close bond of fellowship between varsity athletes at Virginia Tech; to foster and promote athletics at Virginia Tech in every way possible; and to contribute to the welfare of Virginia Tech at every opportunity. The club sponsors dances throughout the year in order to obtain revenue from which it buys club member's monograms and sweaters, and other awards in addition to clubroom maintenance and improvements. Its members are elected from the candidates made eligible for varsity monograms by the coaches and the Athletic Council.

## The Cavaliers

The Cavaliers were organized in July of 1946. The purpose of the organization was and still is to provide soft, sweet, danceable music for campus and Rad-Tech dances, and for other college and club dances in Virginia and nearby West Virginia. The orchestra features Johnny Wygal and his Trumpet, Billy Warren and his Clarinet, and the voices of "Lou" Fauber and Jack Clements.

The 1948-1949 season has been the most successful in the history of the Cavaliers. The orchestra has steadily gained in popularity, and is now recognized as one of the finest college orchestras in the state of Virginia.

## The Southern Colonels

The Southern Colonels is the oldest dance orchestra on the V. P. I. campus, having been started in 1924. Since that time the Colonels have played excellent dance music here at Tech and at other schools all over Virginia and neighboring states. The orchestra has been at all times progressive and has kept abreast of the changing trends in modern dance music. As a means of giving talented Technicians an opportunity to play with a professionally styled musical outfit and by providing their fellow students with a source of recreation, the Southern Colonels have been a real asset to V. P. I.

## Cave Club

The V. P. I. Cave Club is a Grotto of the National Speleological Society, a national non-profit organization interested in the study and exploration of caves. The Tech group has many and diversified interests, ranging from hiking and camping, to the scientific study of the fauna and flora of the caves of Virginia. Several hundred caves in the vicinity of V. P. I. have been recorded, explored, surveyed, and mapped by this enthusiastic group. The weekly meetings allow time for demonstrations of mountain climbing rope technique, motion pictures and color slides of nature's underground wonders, and lectures and discussions pertaining to caving and related subjects.

## Lord Reading Club

The Lord Reading Club of Virginia Polytechnic Institute is a Hillel Unit, and is entitled to all of the privileges thereof. Thus, it acquires financial backing from the National Hillel Foundation, and in return carries out the various assignments given by the Foundation. This club also affords an excellent means for spiritual, cultural, and social activities. Its purpose is to promote fellowship and understanding among all students at Virginia Polytechnic Institute and to teach Jewish boys how to become better citizens.

## Glee Club

The V. P. I. Glee Club, which encourages campus-wide cultural appreciation through the media of group singing has long been a leading organization at V. P. I.

Last year, in addition to giving several concerts, the Glee Club did a commendable job in recording an album of Tech songs.

Under the direction of Mr. Hesch, the club plans another successful year of enjoyable singing which includes participation in the State Music Festival in Fredericksburg.

## Maroon Mask

The Maroon Mask is the dramatic society of V. P. L. Its main purpose is to provide an outlet for talent in dramatics, both on stage and back stage. Of no lesser importance is the entertainment afforded the student body by the work of the Maroon Mask. Loyalty, friendship, and cooperation are essential for such creative work. With these aims in mind, the Mask proudly presents each production.

## Y. M. C. A.

The purpose of the Young Men's Christian Association is to encourage and aid the growth and development of the spiritual side of life. Balancing the ever-increasing tendency of modern emphasis toward materialism, the Y attempts to lead students in an understanding of the paramount importance of the life of Jesus Christ and His teachings, and to promote study and attention to Him. Christianity is a religion for life, and hence the activities of the Y are manifold, from teaching mission Sunday Schools to sponsoring Y Hops; from holding weekly Vesper Services to maintaining the Reading Room. Through every activity there runs the consciousness that life is best lived when lived to the glory of God, and in this spirit the Y. M. C. A. works to serve V. P. I. and to lead students toward a more joyous life in Christ.

## Y. W. C. A.

The Young Women's Christian Association is a religious organization of which every girl at V. P. I. is a member. It is non-denominational, with its true purpose being to supply the basic religious needs of students, as well as to develop personality and leadership. The Y. W. C. A. challenges each girl to develop spiritually, physically, mentally, and socially into a well-rounded personality.

## Cadet Rifle Club

The Cadet Rifle Club is composed of over a hundred members in R. O. T. C., who are interested in firearms and marksmanship. This organization has been one of the most purposeful on the campus. Not only is rifle marksmanship a great pleasure, but it serves as an invaluable aid in training future officers.

The opportunity is available to all members to learn, or continually improve in skill with the rifle. The finances of the club are used to equip the rifle range, which is one of the finest in the state, and to promote both varsity and freshman teams. The club gives awards to members who can qualify under the standards set by the club and the varsity team.

## Apple Club

The Apple Club was originally formed in 1941 after separating from the Shenandoah Valley Club. During the war the club was inactive and was not reorganized until the fall of 1947. Composed of all men from Clarke, Frederick, Warren, Fauquier, Loudoun, Page and Shenandoah counties of Virginia and the West Virginia "panhandle", the club promotes fellowship among its members. Christmas dances and other social activities take place during vacations and the school year.

## Black Diamond Club

The Black Diamond Club of V. P. I. was organized in the fall of 1947 to promote closer relationship between the students of Mercer, McDowell, Tazewell and Bland Counties. The club has had the full support of the V. P. I. Alumni Associations in these areas.

The club has increased its membership during the past year and many social activities have been planned for the members during the year.

Bi-monthly meetings are held by the club for the purpose of a get-together of the members and to plan future club activities.

## Capitol Club

The Capitol Club was formed in 1929, consisting of students from Washington, D. C. In 1947 the Arlington Club and the Alexandria Club merged with the Capitol Club, enabling the club to draw its members from the entire Washington area.

The Capitol Club is one of the outstanding sectional clubs of V. P. I. The primary purpose of the club is to promote closer relationships among the students from this area, and between these students and the alumni of the Washington area. The Capitol Club of V. P. I. is closely coordinated with the Capitol Club of Radford College. The main social activities consist of the between-quarter dances which are held in Washington.

## *Eastern Shore Anchor Club*

The Eastern Shore Anchor Club is composed of students and their wives from the Eastern Shore of Virginia and Maryland. The club endeavors to promote good fellowship among the students of this locality. Each year the Club awards a scholarship to a high school graduate of the Eastern Shore. Several social functions were sponsored during the past year including an Oyster Roast and the Annual Christmas Dance.

## *Kanawha Valley Club*

The Kanawha Valley Club of Virginia Polytechnic Institute was founded the Fall quarter of 1948. It is, perhaps, the youngest club of a social nature at Virginia Polytechnic Institute.

The function of the Kanawha Valley Club is the promotion of good fellowship between those West Virginians at Virginia Polytechnic Institute whose homes surround the waters of the Great Kanawha River. The highest, but most latent, aim of this club is service to a greater Virginia Polytechnic Institute of the future. A keen understanding between students is the basis of cooperation and friendship. Therefore, as participants in the social and cultural aspects of life on a common ground a better understanding between students is created. To this service we are humbly dedicated.

## Mid-Tidewater Club

The Mid-Tidewater Club is a sectional club composed of students residing in the Tidewater area of Virginia, namely the counties of Gloucester, New Kent, James City, King and Queen, Mathews, King William, and Middlesex.

Its aim is to bring its members and their wives together through frequent meetings in order to promote goodwill and fellowship, and to aid all new students from the Tidewater area in becoming adjusted to campus life.

A Christmas Dance and various other social activities are sponsored during the school year to help provide a well rounded college life for its members.

## Piedmont Club

The V. P. I. Piedmont Club, composed of students from Orange, Madison, Culpepper, Rappahannock, Fauquier, and Prince William counties, have enjoyed the full advantages that are connected with sectional clubs.

A most active organization and members of the highest calibre aided in making the float parade (remember the cow) and Christmas Dance an enjoyable event by all who witnessed them.

Goodwill and fellowship created among its members this year is a factor that will never be forgotten. It is a strong and growing organization that is encouraging to all concerned.

## Southwest Virginia Club

The members of the Southwest Virginia Club of V. P. I. have associated themselves together for the purpose of forming a sectional club, the purposes and business of which sectional club shall be to promote goodwill and fellowship between all students of V. P. I. residing in the region of Southwestern Virginia, Eastern Tennessee, and Western North Carolina. The business of this sectional club shall be strictly of a social and non-profit nature and to aid new students in adjusting themselves to college life.

## Tar Heel Club

The Tar Heel Club of V. P. I., one of the oldest sectional clubs on the campus, is composed of students at Virginia Tech from the state of North Carolina. The group is associated for social purposes to promote goodwill and fellowship between all students from North Carolina, and to aid new students in adjusting themselves to college life. The scope of the organization's activities includes the college campus and the home state through association with local alumni chapters.

## Yankee Club

The Yankee Club, composed of all the Techmen from above the Mason-Dixon Line, was formed to promote good will and fellowship among its members, to aid new students in becoming acclimated to college life, to enhance the relationship between V. P. I. and its Northern Alumni Chapters, and for the betterment of Virginia Tech.

Reorganized after the war, the Yankee Club has become one of the leading sectional clubs on the campus. Its activities in the past year included the sponsoring of the Band's Army Trip, a Christmas Dance at the Hotel Pennsylvania in New York City, and several socials held on the campus.

## Life Saving Corps

Known, on campus, as the "L. S. C.", the organization has rendered service to Tech, Blacksburg, and the surrounding locality for the past 15 consecutive years. Membership is restricted to students who run most high standards, in First Aid and Water Safety practices, set up by the American Red Cross. The Corps lifeguards the school swimming pool and is available for emergency or rescue work at all times. The club enjoys membership in the Virginia Association of Rescue Squads.

Since 1936 twelve of the last fifteen classes have selected **Josten's** as their official jeweler.

**Josten's** was the official jeweler for the classes of:

1936	1941	1945
1937	1942	1946
1938	1943	1947
1940	1944	1949

For the future, we shall continue to maintain the highest possible standards of fine jewelry craftsmanship.

THE PICTURES CAN'T BE TOO GOOD

*Andre Studio*

LEXINGTON, VIRGINIA

MORE than ever before, quality has become  
an important factor in College Annuals.

Everything to express skill, technique, artistry, is revealed in our prints.

They are the only material proof of our ability, the only visible  
evidence of the value of our photographs  
and workmanship.

OFFICIAL PHOTOGRAPHERS FOR 1949 "BUGLE"

Designers and engravers of  
the South's finest school  
publications

LYNCHBURG, VIRGINIA

Creating  
YEAR BOOKS  
of Distinction

*It takes more than "good printing" to create  
outstanding Year Books.*

The J. P. Bell Company specializes in Year Books. First, by maintaining a Department of trained and experienced personnel that devotes its entire time to the planning and servicing of Year Books. Secondly, by maintaining a plant equipped with the most modern machinery, manned by skilled, efficient workmen.

There is a certain mark of Distinction on all J. P. Bell publications.
