THE WHITE HOUSE
WASHINGTON

"To the 1957 BILLS"

"Upon the subject of education, I can only say that I view it as the most important subject which we as a people can be engaged in."
Lincoln

LINCOLN AND EDUCATION

Lincoln's faith in education is part of America's faith in the ability of people to govern themselves. When men and women know the facts and are concerned about them, we believe they will make the correct decisions. Prejudice and unreasoning opposition will never and never give way before the clean food of knowledge.

This has always been my faith in democracy. Lincoln and education are closely associated in the memories of my boyhood. Indeed, the first school I attended, sixty years ago, was called the Lincoln Grade School. It was located across the street from my home in Abilene. Nowadays, they refer to it as the "Old" Lincoln School because, old and dilapidated, it happily was replaced some years ago by a larger and stronger school.

And so each generation must build better schools for its children. Especially in today's complex and challenged world, we need stronger and bigger schools in which to train our children to accept their significant opportunities and grave responsibilities -- opportunities for life even richer than ours, responsibilities for the defense of their homeland and strengthening of the free world. This puts a greater burden on education than ever before -- a greater burden on our teachers, classrooms and curriculum.

Dwight D. Eisenhower

JAMES V. BRUNER
100 UNIVERSITY CENTER, NEW YORK
COLUMBIA, N.Y.

March 4, 1959

To the Students of Virginia Polytechnic Institute:

The fact that you are students of such a splendid institution, is evidence of your appreciation of the importance of education in America.

If you want a reason for its being here, I refer you to the first chapter of my book *Am. in World* where attention is called to the recent statement of Soviet Premier, Nikita Khrushchev, when he said to the United States: "We believe we need you ... to help us." Khrushchev's warning implied not only the nation's political institutions, but its educational system.

It certainly causes us to think upon more heavily and seriously about the improvement of our system.

James V. Bruner

PHYSICS

The Physics Department is headed by Dr. T. M. Hahn, and it rates as one of the finest in this state. With the addition of much needed and newer equipment, this department will eventually rank with those of the top colleges in the east.

SCIENCE

Many educators feel that this "knowledge" should be included in every student curriculum because of the vital role that science plays in the rapidly advancing technical matters of this, the 20th Century. It is a strong possibility that science will be included in some form in all curriculums at VPI in the future.

EDUCATION

in our country, during the past year, has been stressed and publicized more than ever before. Perhaps one of the biggest reasons for this is the present strenuous competition and conflict between our country and Russia. We at VPI feel that the securing of a good education is most important, not only for ourselves, but for our country.

BUSINESS

The Business Department now has its new building, Commerce Hall. The future holds great things for Business Administration at VPI. New Curriculums will someday be added, and there will be an entirely new outlook on business as a whole. Commerce Hall will continue to grow, and will probably stand with those of the top colleges in our country.

ENGINEERING

When one thinks of VPI, one thinks of engineering. The Tech Engineering School ranks as one of the finest in the country — a position gained by highly trained professors and department heads. The engineer's role is a tough one at VPI because of the number and difficulty of the subjects they are required to learn. Professors and students are kept up to date on all matters pertaining to their field, with each year bringing newer techniques, subject matter, and changes.

AGRICULTURE

Tech's Aggie Department has a wide and great reputation. VPI's "Aggies" have helped considerably in raising the farming class to what it is today. The Extension Service is also a well known department in the Aggie School with a staff of very capable personnel. The entire department offers its students the very latest in Agriculture subjects and training. The Agriculture Department maintains the highest in prestige and position.

IN THE CLASS ROOM

No matter what size the classroom, this is the student's primary source of knowledge. Proper notes, full attention by the student, and the desire to learn—all these make up good classroom technique. It has been said that the classroom has given birth to scholars and geniuses—that future leaders are molded—that intelligent men and women help build for future generations when they get out of college. The college graduate cannot hope to succeed if proper classroom education is not realized and grasped.

We are very proud of the high standards that our school maintains, and the higher standards that it will honor in the future. Education is priceless . . . Education is the breath of a country.

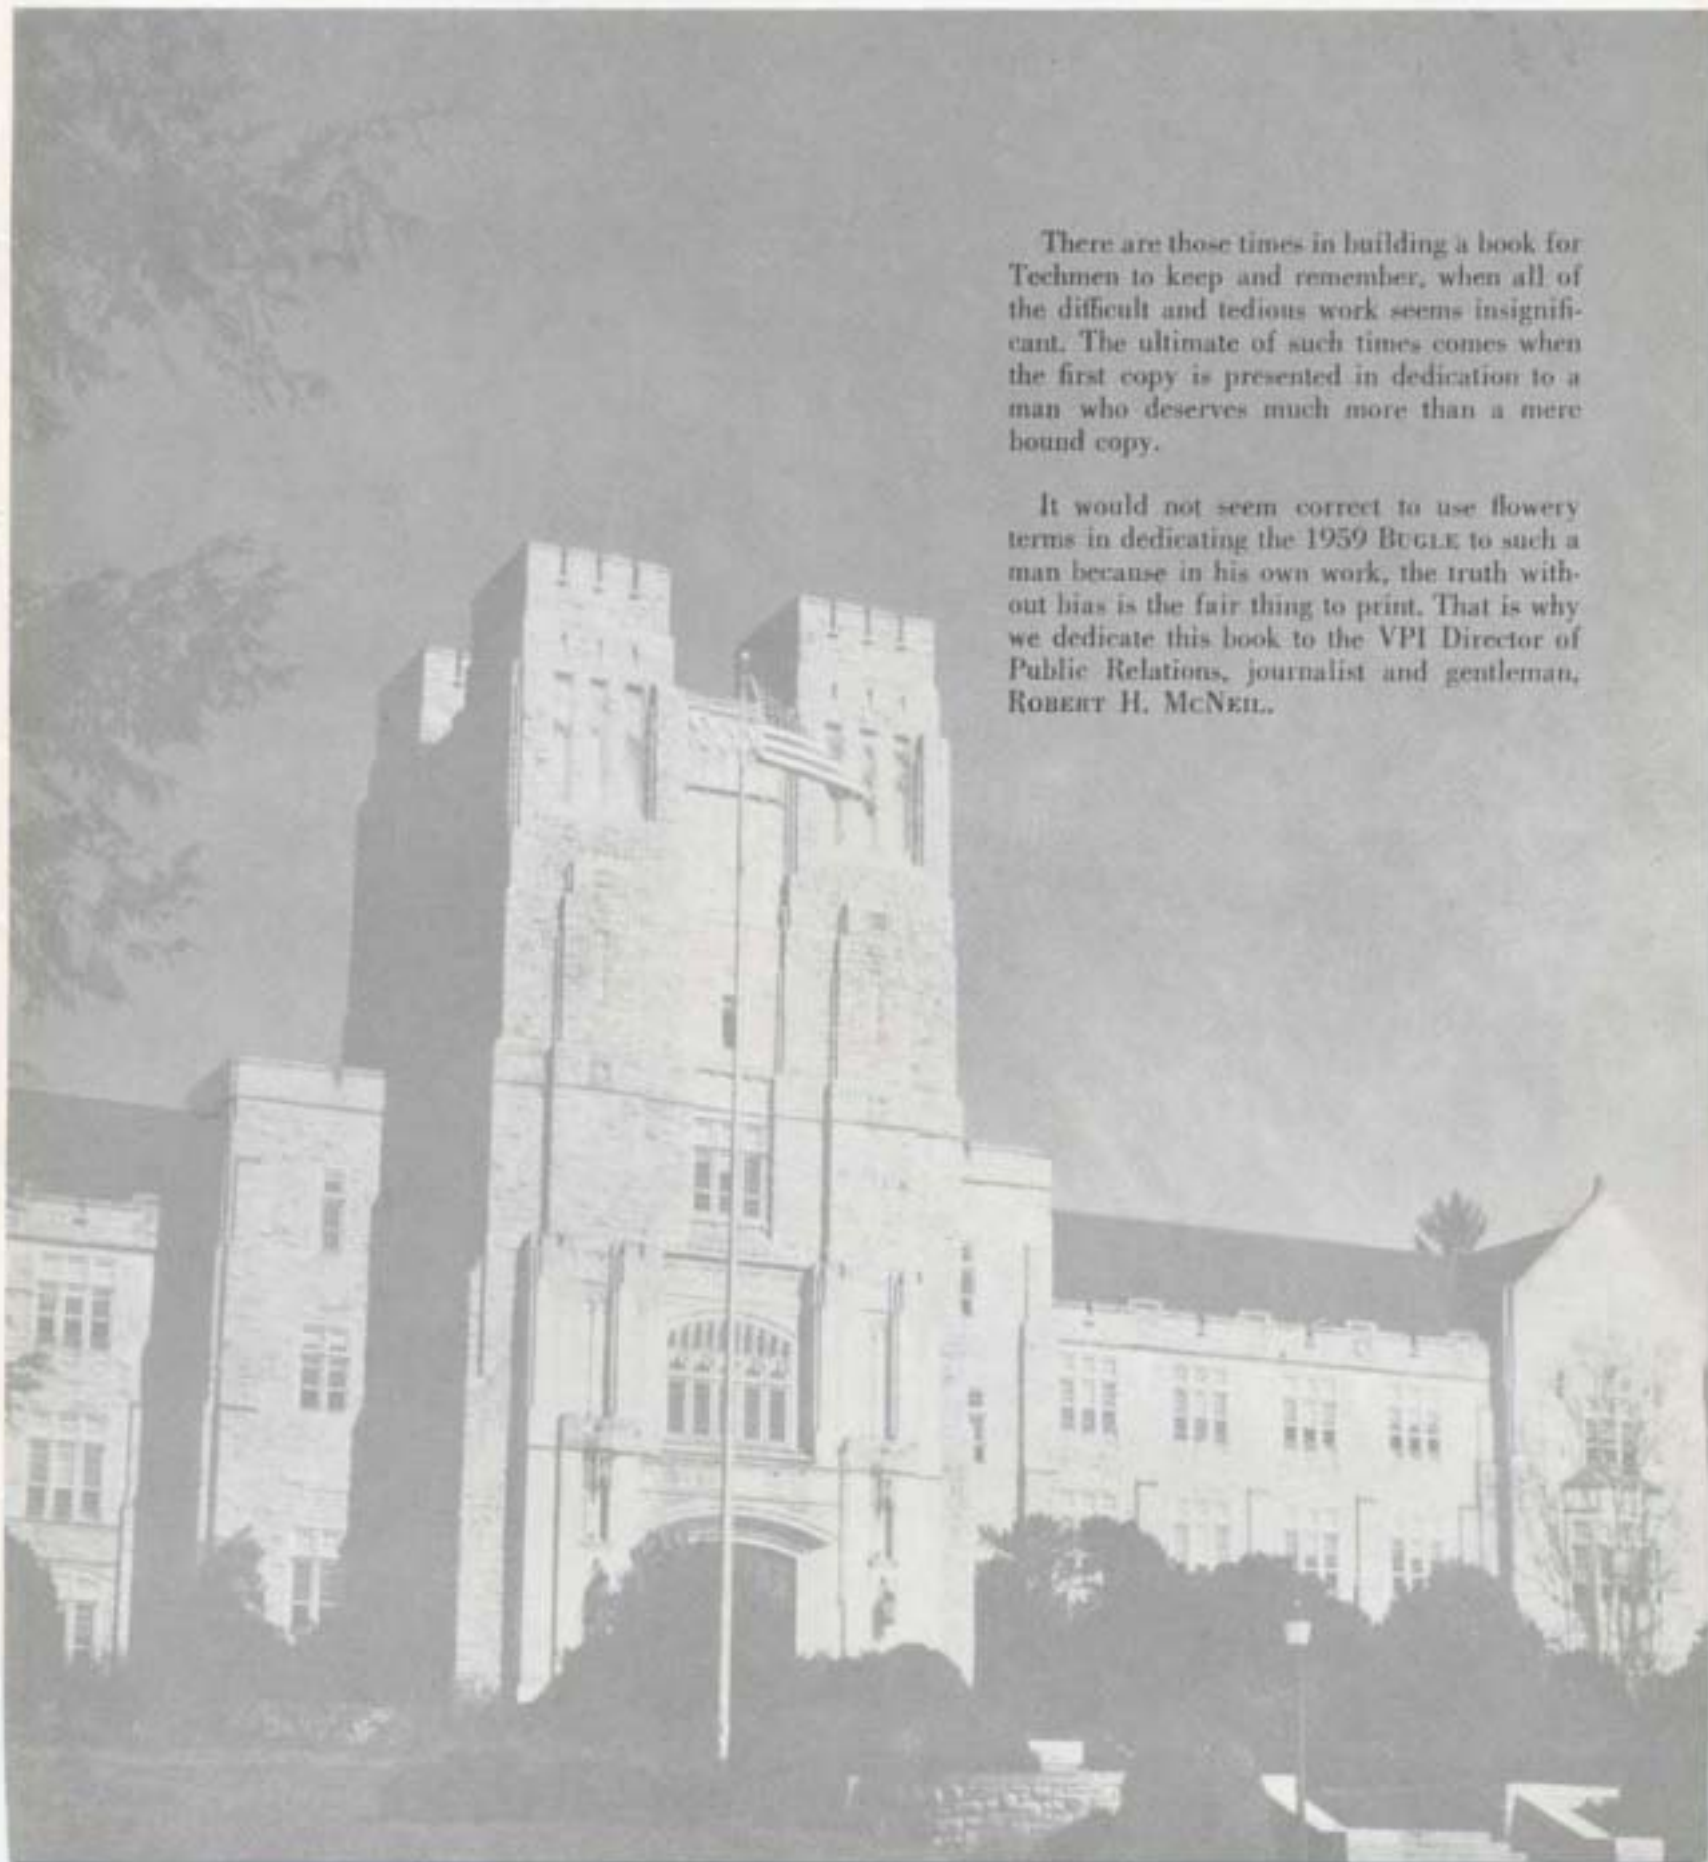

R. H. McNEIL

DEDICATION

There are those times in building a book for Techmen to keep and remember, when all of the difficult and tedious work seems insignificant. The ultimate of such times comes when the first copy is presented in dedication to a man who deserves much more than a mere bound copy.

It would not seem correct to use flowery terms in dedicating the 1959 BUGLE to such a man because in his own work, the truth without bias is the fair thing to print. That is why we dedicate this book to the VPI Director of Public Relations, journalist and gentleman, **ROBERT H. McNEIL.**

ADMINISTRATION

THE PRESIDENT

This great nation of ours, "the stronghold of democracy" is being threatened today by another international power. The threat is not only one of military might but it is one involving basic ideologies and economic survival.

Our age is marked by great scientific advances. The harnessing of nuclear power, the phenomenal development in electronics, and the entrance into the space age present opportunities and challenges that few generations have faced. We have long been designated as the greatest tool-using nation in the work and we have great ability to apply production techniques so as to make us the greatest producing nation. Throughout the years, however, we have been calling upon the knowledge and discoveries of European scientists and at present these people are available in a lesser degree than has been the case in the past.

Dr. Eric Walker, President of Pennsylvania State University, has stated, "the weapon of the space age is knowledge". More and more of us must come to understand all of the phenomena now taking place, not only in physical and biological sciences but in peoples and governments.

Education is the avenue through which knowledge is achieved. It is a hard road but will lead us, if we apply ourselves assiduously, to develop as leaders and citizens who will assist in making this era of doubt and uncertainty one that may point the way to a better world for those to follow.

1959 BUGLE

DON LUND
Editor-in-chief

Putting together a yearbook is a rough job. There are so many ideas to arrange prior to the actual layout, and then there are the hated deadlines. This year's BUGLE is somewhat different from those of previous years. Not only is it composed of different ideas and techniques, but its birth took place in the summer of 1958. Although changes were made occasionally during the actual work period from September through March, these changes were made for the best. I wish

at this time to thank Peggy McDonald, my faithful secretary, for all the work she did for me, and the confidence she gave me—to the members of the staff who helped me, my Club editors, Pat and Gretchen, my Military editor, Henry, my Sports editor, Bill—and to all the rest of the staff—my most humble thanks.

"The Gang"

Going over copy

Proofreading and such

THE 1959 BUGLE

Everyone lives by one deadline or another, but in the publishing business, there are deadlines to be met every day. The editor has the deadlines for his material, and the business manager must meet his deadlines on advertising, book subscriptions, photographic sales, and many others.

In the business end of an annual are many detailed particulars which crop up each day. Daily accounts are kept, duplicate records and the like. Where thousands of dollars are concerned, and especially when students pay money for a consideration which they won't see for many months, there has to be more to the business department than mere bookkeeping.

Hudson and Long checking deadlines . . .

Bills, Bills, Bills . . .

BUSINESS STAFF

The BUGLE business staff has two types of moments when working: the very tense and the very dull. During the fall quarter when books are being sold, advertising, and photographs must also be sold. All of these jobs call for a large, competent staff.

The winter quarter offers little work for the business staff, and about the only work is concerned with bookkeeping. However, the moments of ease enjoyed during the winter come to a halt in the spring when the books arrive and have to be distributed to the students.

For any student who can settle into tedious work without being bothered by the mobs of people who come in each day, the BUGLE offers an excellent opportunity. The work is difficult, but the reward is great. Since the BUGLE is Virginia's largest college annual, the business staff has the knowledge that much prestige comes from the work which it performs.

The editor and business manager of this publication are perhaps the only ones who can appreciate how important dependability week after week really is. A monument to this dependability is a thirty-issue volume of

THE VIRGINIA TECH

Thirty long Tuesday nights have now become history and, along with them, thirty Friday afternoons with the latest edition hitting the stands about three o'clock. Thirty Tuesday nights filled with blood, sweat and tears; some cussing, a lot of hard work and even more coffee (and sometimes doughnuts).

Following these Tuesdays were thirty Wednesday mornings, a discouraging number of which saw a certain weekly publication being "put to bed" at last. And as if that were not enough, there were Wednesday morning classes to bug the staff.

Three times thirty days this publication was in the VPI Print Shop going to press. When it was completed, thirty Friday afternoons were spent sending out the 300 some subscription copies to every corner of the country.

More thirtys of days were spent in getting ads set up for each issue, getting pictures ready to be sent to the engravers, processing the news in various stages, and the multitude of other little jobs that must be done faithfully each week in order that, each of the thirty Fridays, there might be another issue "by and for the students of the Virginia Polytechnic Institute."

bound editions. So, the editor and business manager take this opportunity to thank each hard working member of the *Virginia Tech* staff and then close after the fashion of the journalist:

THE VIRGINIA TECH ENGINEER

The *Virginia Tech Engineer* is an engineering magazine published five times a year by the students in the School of Engineering and Architecture. Its purposes are: to present, in a useful manner, material on engineering; to publicize VPI Engineers, graduate and undergraduate, and their accomplishments; to foster interest in technical writing, not only for the members of the staff, but for any student engineer who has a worthwhile contribution.

The *Tech-nique* is published by and for the student in agriculture at VPI. Its purpose is two-fold: to inform the student and to provide practical experience and training in agricultural journalism.

Six years ago, the Virginia Chapter of Alpha Zeta saw a real need here for a publication which would cover the entire school of agriculture; faculty members in the school of agriculture cooperated; the Smith-Douglas Company furnished financial backing. The *Tech-nique* was established at VPI.

The year has had its problems, its small successes. We, the staff, find our work interesting and stimulating. We hope that our labor has been profitable to you, the student.

The Publication Photo Service function is to take, process, and deliver pictures to all Tech publications. Founded only six years ago, it has progressed very successfully. It was founded when it was discovered that to turn out the volume of work required for the publication, one photographic staff for all publications was better than each publication having its own photographers. Although students, the photographers on the staff cover all major sports events and campus activities. Just to glance through this BUGLE will give you an idea of the volume of work turned out by these students for one publication.

Alpha Phi Omega national service fraternity, was founded December 16, 1925, at Lafayette College, Easton, Pennsylvania. There are at present 304 chapters covering all sections of the United States.

The purpose of Alpha Phi Omega is, "to assemble college men in fellowship of the Scout Oath and Law, to develop friendship, and to promote service to humanity."

There are two fundamental requirements for active membership: first—the students must have had previous experience in the Boy Scouts of America; second—the students must prove an earnest desire to render service to others.

VPI's Zeta Beta chapter was installed May 30, 1948. Since that date, the chapter has been intensely active on the Tech campus. Some of their projects that are well known include serving as guides for Homecoming, after dance breakfast, chairmanship of the Campus Aid Fund Drive, and Red Cross Block Donation Drive, and many personal projects by pledges and active members.

Alpha Zeta is a national honorary fraternity whose objectives are to promote the profession of agriculture; to establish, foster, and develop high standards of scholarship, character, leadership, and a spirit of fellowship among all its members; to create and bond together a body of outstanding technical men, who by scholarly attainment, faithful service, and maintenance of ethical ideals and principles, have achieved distinction and are capable of honoring achievements in others.

Members are selected from among undergraduate and graduate agricultural students of high scholarship on the basis of character, leadership, and personality.

This organization was established at the first Air ROTC summer camp at Langley Air Force Base under the name of Arnold Society of Air Cadets. In May of 1950, the name was changed to the Arnold Air Society in honor of General Hap Arnold, the first Five Star General of the Air Force.

The purpose of the Arnold Air Society is to recognize those students enrolled in Advance Air ROTC who have distinguished themselves by their academic and military achievements.

A V.P.I. Squadron was formed on this campus in January, 1949. This squadron has the distinction of being the second squadron formed in the nation, and was assigned the designation of Squadron A-2.

Each year since it has been at V.P.I., it has grown both in number and spirit. Some of its various activities include two pledge weeks followed by banquets and the sponsoring of a Blood Mobile Drive. The Squadron also sponsors a Military Ball and Homecoming Queen in co-ordination with the Scabbard and Blade.

The Block and Bridle Club was founded on December 12, 1919, and the Virginia Tech Chapter received its charter in December 1935. The objectives of this honorary organization are to promote a higher scholastic standing among students of Animal Husbandry, especially all phases of student Animal Husbandry work in colleges and universities, and to bring about a closer relationship among the men pursuing some phase of Animal Husbandry as a profession.

Although the Block and Bridle Club is primarily an Animal Husbandry organization, there are included in the membership men from many other curriculums.

Eta Kappa Nu, the electrical engineering honor society was founded in 1904 at the University of Illinois, and in 1940, the Beta Lambda Chapter was installed at VPI. Membership in the society is a badge of distinction for those electrical engineers, who, by their attainments in college or in practice, have manifested a deep interest and marked ability in their chosen profession. The aim of Eta Kappa Nu is to promote fellowship among electrical engineers in order to maintain the close union necessary for the advancement of the profession.

The Kappa Theta Epsilon was founded at VPI in 1957 by the Co-op Students of the Class of 1957, to mark in a fitting manner those who have conferred honor upon VPI by distinguish scholarship and outstanding character as undergraduates in the Co-operative Program in engineering and science, or by their attainments as alumni, and to develop a spirit of competitive achievement in academic work.

The society has grown from a charter membership of 20 in 1957 to its present active membership of 35. So well has the society promulgated its original objects and purposes that the idea of possible election to the Kappa Theta Epsilon Society in their Junior or Senior year continues to provide a powerful impetus toward high scholarship and the exhibition of exemplary character among undergraduates in the Co-operative program.

The Pershing Rifles, founded by General John J. Pershing in 1894, is a National Honorary Military Society whose purpose is to encourage, preserve, and develop the highest ideals of the military profession, and to recognize these ideals in college ROTC students.

During the past year, Tech's unit, Company E-5, has made many appearances in parades and drill meets, placing high in proficiency of marching and trick drill.

The unit, comprised of 42 men, attended the Dogwell Festival in Charlottesville, Va., winning first place in its division. At the Regimental Drill Meet held at Harrisburg, Pa., the company won first place for best drilled individual, and second places, respectively, for basic drill and trick drill. Other appearances included the Apple Blossom Festival in Winchester, Va., the Tobacco Bowl Festival in Richmond, Va., Homecoming here at Tech, and the annual Thanksgiving Day game in Roanoke, Va.

The Company concluded its array of activities under the present officers by appearing in the Cherry Blossom Festival in Washington, D.C.

The Honor Society of Phi Kappa Phi was founded in 1897. There are 75 chapters in the United States. Its purpose is to emphasize scholarship and character in the thought of college students, and to foster the significant purposes for which institutions of higher learning have been founded. Phi Kappa Phi has tended to stimulate mental achievement by recognition through election to membership. This membership is limited to those students who are among the upper one-eighth of their class. Only one-tenth of any class, however, may be elected. The VPI Chapter was installed in 1921 with 14 charter members. Since that time there have been 1363 members elected.

Pi Delta Epsilon, the National Honorary Collegiate Journalism Fraternity, is the second oldest honorary fraternity on campus, having received its charter May 1, 1930. Members are selected from those juniors and seniors who have distinguished themselves by outstanding ability as staff members of campus publications. Honorary membership is also conferred upon those faculty members and others who have greatly aided the student publications. The fraternity has as its objectives the promotion of student participation in undergraduate journalism and the elevation of the cause of collegiate journalism.

Pi Tau Sigma was founded on March 16, 1915 in order to establish a closer bond of fellowship which will result in the mutual benefit to those men in the study and in the profession of mechanical engineering, who by their academic or practical achievements, manifest a real interest and marked ability in their chosen work. The aim of the organization is to foster the high ideals of the engineering profession, to stimulate interest in coordinate departmental activities, to promote the mutual professional welfare of its members, and to develop in students of mechanical engineering the attributes necessary for the effective leadership and the assumption of the responsibilities of a citizen in a democracy.

Scabbard and Blade, Honorary Military Society, is composed of outstanding officers in the Corps of Cadets at VPI and other colleges and universities in the U.S. It seeks to develop those attributes of military appearance, ability, and personality, combined with the breadth of interest necessary to make an officer and a gentleman. Company "L", 7th Regiment, was installed at VPI in May of 1933. Its membership is restricted to those who show exceptional qualities of leadership. The purpose of the Society is to promote any ideals that might contribute to the development of the essential qualities of good and efficient officers.

Omicron Delta Kappa, National Leadership Honor Society for College men, was founded December 3, 1914, and the Alpha Omicron Circle at VPI received its charter June 2, 1933.

The Society recognizes and encourages achievement and leadership in scholarship, athletics, student government, social and religious affairs, publications, and speech, music, drama, and the other arts. The qualifications for membership are exemplary character, leadership and service in campus life, scholarship, fellowship, and consecration in democratic ideals. Through its recognition of men of high attainment, ODK brings together members of the student body and the faculty in cooperative effort for leadership and service in campus activities and for the general good of the institute.

Alpha Omicron Circle awards an annual scholarship to an outstanding sophomore student exemplifying the qualities recognized by ODK.

Rho Tau Sigma was established to honor the students who have performed outstanding work in college radio broadcasting. The fraternity notes the long hours of work required and the various knowledge which is needed for students who are giving their time towards the promotion of radio on the campus.

Iota Chapter of Rho Tau Sigma was established on the Tech campus April 13 1958, with thirteen charter members. Professor J. B. Dent was named faculty adviser. Since that time Rho Tau Sigma has sought to not only honor the students of merit in radio station WUVT, but also to aid the station in as many ways as possible.

The Tau Beta Pi Association was founded at Lehigh University in 1885 by Edward Higginson Williams, Jr. to mark in a fitting manner those who have conferred honor upon their Alma Mater by distinguished scholarship and exemplary character as undergraduates in engineering, or by their attainments as alumni in the field of engineering, and to foster a spirit of liberal culture in the engineering colleges of America.

The Virginia Beta Chapter of Tau Beta Pi was installed at VPI in 1933. This year the chapter is celebrating its 25th anniversary. During this time the chapter has endeavored to promote the ideals of Tau Beta Pi on the Virginia Tech Campus.

The Baptist Student Union is the link between the students at VPI and the Blacksburg Baptist Church. Every student who becomes a member of the Blacksburg Baptist Church or its activities or groups automatically becomes a member of the Baptist Student Union. Many students of other faiths and lands also enjoy the warm friendship and wholesome recreation through the B.S.U.

Through Christian fellowship, Bible study, prayer, and participation in church activities, the B.S.U. seeks to draw the student into a closer relationship with Christ and to help him to know the full meaning of Christian life.

"The Wesley Foundation shall strive to provide training for college students in mature Christian living. It shall help the student to find his personal fulfillment through the Christian way of life. The Wesley Foundation shall seek to bring students to a deeper understanding of the meaning of the Church, of the values that are a part of active participation in the Church, of the fellowship that comes only to those who believe, of the significance of Christian ideals in a secular society, and of the Church as an instrument of God's will. Through its activities, emphasis shall be placed on preparation for active participation in the Church and the development of sensitive leadership, both professional and lay. The Wesley Foundation shall take an active part in ecumenical movements, striving to understand the nature of the universal Church and to cooperate with its various expressions."

The VPI Association for Advancement of Engineering, organized entirely of students from the School of Engineering, was established in 1949. The Association's purpose is to represent the engineering student body in its relationships with the Administration of the college, and to consider and promote any matter which may be for the advancement of the School of Engineering and Architecture or its student body.

The Executive Council is composed of two representatives from each of the member curricular clubs to represent the clubs and coordinate their efforts.

The AIEE (American Institute of Electrical Engineers) and the IRE (Institute of Radio Engineers) are combined into a joint student branch of the two national parent organizations. This student chapter is designed to aid Electrical Engineering students in becoming better acquainted with their department and fellow students. This chapter also serves as a link between school and industry. Guest speakers from various branches of industry are scheduled regularly to give talks and demonstrations concerning the electrical engineer's place and duties in industry by acquainting the students with advances in research and production.

The chapter's participation in the annual Engineering Conference here at Tech give students an opportunity to use their ingenuity in designing displays and laboratory demonstrations. Although this is a curricular, not a social club, social activities are held to promote fellowship between the students.

The VPI Post of the Society of American Military Engineers is a recognition society for students either in engineering or Army ROTC who show interest in military engineering or in civil works engineering. The VPI student Post was chartered in 1957 and is the only student post in the state of Virginia.

The objectives of the society are to:

1. Advance the knowledge of the science of military engineering.
2. Encourage, foster, and develop relations of helpful interest between the engineering professions in civil life and that in the military service.
3. Encourage, foster, and develop between military engineers and other arms of the military service a spirit of cooperation and mutual understanding of their respective duties, capabilities, and limitations.
4. Preserve the memory of the services rendered by the engineer profession in defense of the nation.
5. Hold meetings for the presentation and discussion of appropriate topics and for social and professional intercourse.

AMERICAN SOCIETY OF

The purpose of the VPI branch of the A.S.M.E., oldest branch of this organization in the South, is to familiarize its members with the latest trends and practice in Mechanical Engineering. The society keeps each student informed about engineering progress, develops his initiative and ability to speak in public, establishes fraternal contact with his fellow students, and enables him to meet graduates who are actively engaged in this profession.

The Virginia Tech Chapter of the American Dairy Science Association is comprised of students in dairying and all others interested in the field of dairying.

The club sponsors a dairy cattle judging team. An annual publication, *The Milky Way*, is published by the dairy club. Each spring on the club trip, members visit various dairy farms and plants throughout this section of the country.

The main purposes of the club are: to promote fellowship among its members, to develop and encourage leadership in the field of dairying, and to bring the dairy students closer to the problems in the field of dairying by having informative programs.

The VPI Student Section of the American Society of Agronomy presents to Agronomy Students, as well as other students of agricultural curriculums who choose to be members of the club, an education program with the purpose of promoting fellowship and leadership through club activities. These activities have included participating in the Homecoming float parade, attending National A.S.A. meetings, touring many sections of the U. S. every year between quarters, participating in soil judging contest; and making exhibits for Agricultural Exposition, Horticulture show, and Rural Atlantic Exposition. Programs are presented in the form of films, slides, and guest speakers to keep the members up-to-date on current developments in Agriculture.

The VPI 4-H Alumni Club is an organization for all former 4-H Club members on campus. The club was organized so that former members could remain active in club work while attending college. Club programs include guest speakers, slides, movies, socials, talks by Hye's, and an annual Banquet. The club enters a float for Homecoming and exhibits for the Horticulture Club and Agricultural Exposition. The club joins with the Blacksburg 4-H Club and Radford College in sponsoring campus-wide events, and participating in National 4-H Club Week. The club motto, "To make the Best Better" is a goal that is always strived for through a spirit of fellowship, leadership, and achievement.

The VPI Apple Club was formed in 1941 to assemble the students from Warren, Clarke, Fauquier, Fredrick, Loudoun, Page, and Shenandoah counties in Virginia; Washington County, Maryland; and Jefferson County, West Virginia. Primarily the Apple Club is a social organization. Dances and outings are held during vacations for the entertainment of the club members and their friends. Meetings and smokers bring the students together on the campus. Keeping in mind that education is one of man's greatest privileges, the Apple Club awards each year "The VPI Apple Club Scholarship." This scholarship is to be awarded to an entering freshman on the basis of need, character, and ability.

The main function of the Richmond Club at VPI is to provide a congenial method of enabling boys from the Richmond area to get together in a carefree atmosphere. This responsibility was met with great success in '58-59 as shown by the list of activities that were held in Richmond during the year. A good starter was a party at the Richmond Hotel after the Tobacco Bowl Game. About a month later, the very successful Thanksgiving Party was held at the John Marshall Hotel. Soon the Christmas Holidays were here and the Richmond and John Marshall Hotels played host to our annual Christmas Party and the well known and talked about New Year's Eve Party. As usual, winter and spring quarters were quiet with only the Spring Party for members and the Picnic-Party at the end of the school year. The Richmond Club has always strived to provide entertainment and pleasure for its members, Tech students, and visitors from other colleges. We sincerely hope that next year will be as successful as 1959.

The VPI Emporia Club was formed five years ago to foster a closer relationship among students of the Emporia area, and to aid new students in adjusting to life at Tech.

Since the club is primarily a social organization, the highlight of the year is the annual Christmas dance, which brings together both alumni and students during the holiday season. Other activities include annual picnics in the spring and various socials during the school year.

DIRECTOR OF STUDENT AFFAIRS

MARK OLIVER
DR. JAMES DEAN

This has been an unusual year for the Student Affairs Office, encompassing seven months with me as Acting Director and concluding with Dr. James W. Dean, our new replacement. I welcome the change to return, full time, to my job with the Alumni Association.

It is not exaggerating for me to say that these seven months have been the most exciting of my life. The opportunity to share in the enthusiasm and activities of our student bodies under the dynamic leadership of the Class of 1959 is one for which I will always be grateful. You have endured the complications and handicaps of a disorganized office with patience. I pass the reins to Dr. Dean with utmost confidence that he will receive at your hands the same compassionate understanding and cooperation.

To you who leave us, best wishes and God speed. You leave us rich in memories and investments of yourselves.

MARK OLIVER

DORM CLUBS

TECH DORM CLUBS

The Inter Dorm Council was organized by a group of members who were interested in bringing the Dorm Clubs closer together. This is their first year in operation, and it is now a recognized club on the Tech campus.

There are seven Dorm Clubs under the leadership of the Council, and three members from each dorm are elected by their members at the beginning of the school year.

The presiding officers for this year include:

JACK CROSSWHITE *President*
 KYLE COOPER *Vice-President*
 JANET COBB *Secretary*
 GAYLE BEVINS *Treasurer*
 AL FOX *Social Chairman*
 DR. H. M. MACKEY *Faculty Advisor*

Some of the planned activities for the year include sponsoring a dance annually after the Harvest Bowl in Roanoke, Virginia; promoting the donorship for blood for the Bloodmobile; and particularly encouraging the students to participate more actively in school activities.

Cafi was organized on campus in the fall of 1951. The Cafi Club has constantly gained prestige and distinguished itself through hard work on the part of the past and present members.

The purpose of the Cafi Club is to unite those students at VPI who reside in dormitory 3 W as civilians in order to promote good citizenship, to encourage scholastic achievement, to promote good fellowship, and to give active expression to the social and civic interests of the members.

The FEDA Dorm Club was organized in the fall of 1955 among the students of Campbell Hall, B East. It has since grown rapidly and distinguished itself through active participation in campus activities.

The purpose of the FEDA Dorm Club is to foster a fraternal relationship among the students in the dormitory, offer an outlet for social and athletic activities, promote the welfare of the student, and work toward unity within the Civilian Student Body.

TAU EPSILON KAPPA has become one of the outstanding fraternal organizations on campus since its founding in 1953. Only through a never ceasing desire of its members to reach some higher goal has this been achieved.

To the faculty and administration we would like to extend our deepest appreciation for all they have done to cooperate and work with us during the past year.

TEK is founded on the principles of stimulating interest in campus and civic activities, encouraging scholastic achievement and promoting closer relations among the students on campus.

Tau Epsilon Kappa wishes to extend its sincerest best wishes to the entire class of 1959 and especially to those graduating members; may the future hold much happiness and prosperity for you. Though you are leaving, TEK hopes to be able to continue serving you in years to come.

Delta Sigma Chi was organized in 1957 by students residing in Major Williams Dormitory for the purpose of promoting dedication and participation in all aspects of college life.

This organization has progressed rapidly as the result of the hard work and cooperation of its members. Spirit has been high this year, as was demonstrated by participation in intramural sports, homecoming festivities, Religious Emphasis Week, and a number of social activities.

We feel that this organization has helped to promote a fraternal relationship among the residents of this dorm, and it has become an integral part of civilian student organization.

The Kappa Delta Sigma dorm club is in its second year of establishment and has, during these two years, grown to be one of the largest, most active organizations of its kind on campus.

Since being reorganized in the Spring of 1958 the roster shows a membership of 47. Kappa Delta Sigma may be better known to alumni as being housed in Major Wm. #5, but during the campus redevelopment it was moved to new Brodie.

The close association of its members in both work and play makes dorm life more pleasant and will cause reflection of fond memories in the future.

Quarterly activities include a banquet for new members and a private party.

We of the Kappa Delta Sigma would like to take this opportunity to thank Mark Oliver, director of student affairs, for his guidance and helping hand.

CIVILIAN LIFE

Since the Post War years, the Civilian Student Body at VPI has increased by a substantial number every year. The Civilian Student Body at Tech is a large one. Composed of men and women from all walks of life, the Civilian Student Body at VPI has helped bring Alma Mater into the limelight of leading colleges throughout the United States. Although VPI was originally a Military college, and although it is now classed a Civilian and Military college, the college will eventually be dominated by men and women civilian students of the future.

The Cotillion Club has been in existence on the campus of VPI since 1913. Since its founding, the club has constantly endeavored to improve social conditions on the campus and the social relations between the student body and the faculty. Through the efforts of a congenial and representative group of men, the Cotillion Club has realized a significant achievement toward raising the standards of this phase of campus life.

It is the hope of the Cotillion Club to continue in its efforts to further advance the importance as well as the quality of the social relations and activities on the campus of Virginia Tech.

V.P.I. German Club

After 67 years of dedication to college social life, the German Club continues to produce the finest dances and concerts for Va. Tech students. Since its founding, the club has promoted social activity on the campus by sponsoring superior entertainment in dancing and listening. Freshmen are introduced to college life at the annual German Club Freshman Dance.

The warm, congenial atmosphere of Squires Hall Ballroom, along with famous musical entertainment, guarantees German Club guests a delightful, unforgettable experience.

This is your Glee Club, the famed VPI Men's Glee Club, which has these many years dedicated itself to spreading those big letters V-P-I as far across this country as song can resound, and don't let our motto "Wine, Women, and Song" fool you, for our only sound interest exists in the latter.

With a need for culture and extra-curricula activity, all members have supported the philosophy that the time expended in Glee Club work provides these necessary aspects of college life, the effort put out by these songsters is quite phenomenal, and certainly a most heart rewarding ending is felt by all who are able to witness a Glee Club Concert.

As a special note, we are happy to dedicate this page to our most wonderful Director, Mrs. C. T. Holland for her constant devotion to us.

This year the Maroon Mask, VPI's dramatic organization, is completing its 21st season. It is the sole outlet on the campus for those dramatically inclined. One of the most informal of the student organizations on campus, yet one of the most active, the Maroon Mask produces two plays a year. Under the direction of Professor J. P. Milhous, the Mask's repertoire ranges from deep drama to the lightest of comedy. The club's purpose is to provide an outlet for vocational theatre interests and entertainment for town and campus.

Each year finds the "Collegiates", VPI's own Dance Orchestra, growing in popularity, both on the campus and off. Each year finds this band with better, more versatile musicians, who put all the talent they have into improving their orchestra. The compensation these musicians receive is not always appropriate to the talent they have, but they are interested in carrying the name of VPI to other campuses and in bettering the sound of a big dance band for their own enjoyment. The "Collegiates" has constantly been a source of pride for all of the members, and especially to the six seniors in the band, who, for the most part, have watched it grow from a struggling college dance band to a well-known dance orchestra both on the campus and in the state of Virginia as a whole. Remember—this is your band. This band consists of VPI students primarily for the benefit of VPI students. It is a dance orchestra in which we all should be proud.

The Southern Colonels achieved wide acclaim while under the baton of Boyd Raeburn, one of America's finest current band leaders, in his day at Va. Tech. They toured several parts of the United States and Europe, and were graciously accepted wherever they performed. In 1946, the Colonels were reorganized and continued to uphold their reputation. Each year the orchestra adds more and better musicians to present dancers and listeners with the quality of music they desire. The popular Colonels are known for their danceable music and balanced professional sound, and they are constantly improving and learning the latest concepts of Jazz. Today, the orchestra is living up to the example of its predecessors, and is continually presenting the public with fine music for its enjoyment.

The Virginia Tech Jazz Club came into existence out of a desire to hear more music on the campus, namely Jazz. The people responsible for its beginning were lucky in securing *Louis Armstrong* for their first concert. The club was virtually started by his sellout concert in 1956.

The Four Freshmen and *Stan Kenton* comprised the second and third concerts.

Out of a desire to present America's own art form, Jazz, the club continues to bring this type of music to the student. A young and struggling club, the Virginia Tech Jazz Club has plans for the future that will add more to the life of a student at Tech.

The VPI Chess Club was organized at the end of winter quarter, 1957. The purpose of this organization is to promote an interest in chess among the students and faculty of VPI. To achieve this end, the club has arranged matches with other colleges, as well as holding club tournaments.

During the Fall Quarter of 1958, the club initiated a chess team which will represent VPI in intercollegiate matches.

REGISTRATION

Registration at VPI is a well-organized system. Compared to many other colleges, registration at Tech is not a long, drawn-out affair—thanks to the efficiency of the many people in charge and their helpers.

Top, Left: Jack Cross White, Ed Lacy, and Gail Zydron helping a student at fall registration.

Bottom: Ed Matthews signing up for an English course.*

*Top: "Wish the Prof. would hurry up and approve that elective."
Bottom: At it again (with enthusiasm?)*

The Queen and her Court sponsored by the Civilian Student Body.

HOMECOMING

Homecoming arrived early in 1958, on October 5. John Hudson was Homecoming Chairman, aided by Don Lund and Hal Piper. The students who put their effort and time into Homecoming week-end are to be congratulated for a job well done. Many thanks also to Mark Oliver, Al Crawford and their secretaries.

Left, Top: Billy Holsclaw accepting the Most Outstanding Player Award at the Monogram Club Homecoming Dance.

Bottom: The Radford Highlanders, led by their pretty drum major, as they march in the Homecoming Parade.

These floats were prize-winners in the 1958 Homecoming Parade. The Time Magazine display was one of the most outstanding pieces of work ever in any Homecoming.

FALL FORMALS

Perhaps the best time on campus is during Fall Quarter, and why not, what with dances, football weekends, and parties galore. And, of course, we must not forget studies and perhaps too many of us did. But what a tremendous quarter we had. "C'est a dire . . . Mack."

Top: Burt Messengale and his orchestra.

Bottom: Skip Lewis, German Club President, presenting Playboy award to member of Louis Pastor's band.

vest Bowl Parade.
Bottom: "As we enjoy the old southern traditions"*

Ellison and Land won't forget the night this was taken at the Duck Pond.

"Once upon a midnight dreary . . ."

WINTER QUARTER

Winter Quarter at VPI was certainly a cold one but this did not stop the many events that took place, as Formals, the CSB dance, the Military Ball, and other campus activities. Some QC's were raised, some

dropped, as studies kept their usual Tech pace—so much to do in so little time. It was a good quarter for many of us and a bad one for many others. But it was a time that will long be remembered.

This snow scene was photographed by Mr. Bill Bradley of the Aggie Extension Department during the second snow of the winter.

German Club on Saturday nite.

the results being good.

The Shadow of Spring . . .

Top: Bishop McDonnell of Wheeling addressing the Newman Club at Communion Breakfast.

Bottom: The Band warming up for another tune.

SPRING IS HERE

Winter seems to linger in Blacksburg, but there couldn't be a more ideal place when a Spring day butts in. Much has happened this winter. The Pre-Centennial Development Program was underway; Dr. Newman and other men of the Administration answered a lot of questions concerning the Athletic Association, and the results proved satisfactory to the students, or at least it seemed that way. The Cosmopolitan Club sponsored many activities, as did the popular, Association of Married Students.

All in all, it was a cold but nice quarter. We had our good times and bad times, but thank goodness the good ones won out!

Top: Aerial view of campus, showing the latest changes as of a year ago.

Bottom: Some of the Class of '58 on that long, awaited-for day—Graduation.

The Rifle Team Does it Again

Elvis?

"If I had Just Banked Left Instead of Right"

SPRING QUARTER

When a young man's fancy turns . . . the best time of the year at Tech, with one word on many student's lips, Graduation! Spring Time offers the student many activities, as Formals, Ring Dance, the Cosmopolitan Club's "International Day", parties galore, fishing and hiking ventures, and many others. Then there are the many student organization elections and banquets, the distribution of the BUGLE, the *Virginia Tech* comic issue, the excitement of the \$14,000,000 Pre-Centennial Development Program, and the many military functions.

Of course, we mustn't forget studies, but many of us do. And, the Romanticist might add, Spring is the time of the year for romance, so we must not forget this. C'est a dire, Mack.

Center: "Man, Dig That Crazy Hole"

Bottom: "Man, That's Way Out"

Elections, Beauties, fishing, studies . . . all make up that part of college life in the Spring of the year.

Some of the married students wives participating in just a few of the many activities the A. M. A. sponsors throughout the college year at Tech.

ASSOCIATION OF MARRIED STUDENTS

Although it traces its history back only a few years, the Association of Married Students has rapidly grown and become a representative of the married students, which is respected by all. Since its founding under the sponsorship of the YMCA, the group has been blessed with the two main requisites for success: capable leadership and enthusiastic membership.

One of the secrets of the AMS is the wide variety of activities that it offers to its members, particularly the wives. These include a dance each quarter, meetings, with programs each month, for the wives, all kinds of classes, bake sales, fashion shows, teas, picnics, and many more activities too numerous to mention. The record of service in other areas to the community and to the married students is enviable by any standards, and assures that the Association of Married Students at VPI is here to stay.

MILITARY

A MESSAGE FROM THE COMMANDANT

My congratulations to The Class of '59 upon the contribution you have made to the Corps of Cadets and to VPI. You have met the challenge of life in the Corps, and have carried your share of the burden with credit to yourselves and the Institution. Your energy, your loyalty, and your enthusiasm have been an inspiration. We shall miss you.

When the novelty of freedom has worn off, come back and pay us a visit, and tell us where the Corps has gone. I know we will be glad to see you and I hope you will be glad to see us.

Our best wishes for your success go with you.

JOHN M. DEVINE
Major General, US Army (Ret.)
Commandant of Cadets

E. H. CREASY

COL. D. P. BARNETT

COL. R. G. TURNER

COL. R. E. ROUND

LT. COL. F. A. BOCK

R. H. CHADDOCK
Corps Scholastic Officer

Virginia Polytechnic Institute, one of the seven essential military colleges remaining in the United States, takes pride in its Corps of Cadets.

The object of the Corps is to instill discipline, to teach responsibility, and to devote the essential qualities of leadership in its ranks, as well as to produce outstanding American citizens of high quality and honor. It has been producing Armed Forces' officers since 1872.

The Cadet Corps, now numbering some 1800, is a self-governing organization. Its Senate, Honor Court, and Executive Committee work diligently toward the betterment of the Corps and VPI.

The Cadet Corps' marching band, the "Highly Tighties", and expert drill team, the "Pershing Rifles", have contributed greatly to the fame and distinction of the Corps.

With the VPI motto—"That We May Serve"—ever before it, the Virginia Tech Corps of Cadets aspires to continue its contributions to the unique and rich heritage of VPI.

ATHLETIC DIRECTOR

No college team is any stronger than the support it receives from the college community, and we feel that the Athletic Association is continuing to make progress, not only in the win-loss records of our intercollegiate teams, but also in hopes for better meeting the recreational and activity needs of students, faculty, and staff.

It will take time, and certainly the continued cooperation of all concerned, but Virginia Tech will eventually have to have more physical facilities for both intercollegiate and intramural programs. The golf course is serving both needs, and contemplated new tennis courts also will serve a dual purpose.

Winning might not be everything, but a winning attitude is all-important because it means a positive approach to whatever you are doing, and we have a winning attitude toward Tech's physical and recreational program.

The Virginia Tech Monogram Club is composed of men who have been awarded a monogram in one of the varsity sports. Letters and sweaters are given to the members by the club in recognition of their achievement in sports. The purpose of the organization is to maintain a close bond of fellowship among varsity athletes at Virginia Tech, to foster and promote athletics at Virginia Tech in every way possible, and to encourage prospective athletes of good character to attend this institution.

VPI Wins Opener from West Texas, 28-12

Sophomore-laden Virginia Tech launched its 1958 season on a sensational opening kickoff touchdown and then coasted to a 28-12 win over West Texas State under the lights in Roanoke.

Before the rain-sprinkled crowd of 7,500 were fully settled in their seats at Victory Stadium, halfback Jay Whitesell brought them to their feet with an electrifying 89-yard kickoff return for a score. Whitesell took the opening kickoff on his 11, cut up the middle, escaped a couple of tacklers, sliced left and raced all the way to the end zone for a 6-0 lead.

Led by its hard-hitting fullback, Bob Ratcliff, West Texas plowed 331 yards for the tying score, on the next series of plays. At this point, the Techmen turned things over to their 170-pound senior quarterback, Billy Holsclaw.

Holsclaw responded by scoring a touchdown himself on a six-yard carry over tackle; pitching 33 yards to end Carroll Dale for another six-pointer; set up another touchdown with a 55-yard pass to end Ken Byrd, and then passed for a two-point conversion. Altogether, Holsclaw accounted for 203 of Tech's 391 yards of total offense gained.

Halfbacks Olger Pugh and sophomore halfback, Pat Henry, who was Tech's leading rusher with 60 yards, looked good on offense. The Tech line led by center, Nick Mihalas, who crashed through late in the third quarter to spill the West Texas quarterback in the end zone for a safety, outplayed the West Texas line and held them to 104 yards rushing.

Tech displayed a flashy attack which featured wide runs, long and short passes and vicious off-tackle slants.

Whitesell Cuts Back!

Aided by a tail wind provided by hurricane Helene, Wake Forest hit for two quick touchdowns in the second quarter and rode out the storm for a 13-6 decision over the Techmen. This Good Neighbor Bowl decision was handed down in the frightful weather before a crowd of 7000 fans at Forman Field in Norfolk.

The Wake Forest team compressed two touchdowns into 90 seconds of playing time, both following Tech errors. A pass interference penalty preceded the first, a fumble the second.

Tech battled back early in the third quarter, scoring on a 44-yard pass play from Billy Holsclaw to left end Carroll Dale. This drive by the Gobblers got under way when Jay Whitesell made three yards around end. Holsclaw, firing with the wind, hit Dale, the All-American candidate from Wise, on the thirty. Dale made a sensational catch,

nearly grabbing the ball out of the hands of a defender. Then he sprinted from the sidelines to complete the 44-yard play.

Late in the third quarter the Tech defense rose and held Wake for four downs to take over the ball. The Gobblers captain Jim Burks somehow got into both of the two tackles that held the Deacons within inches of the paydirt.

Inspiring as this stand was, it still failed to pull the Techman out of the red.

Holsclaw overshadowed Wakes Quarterback by hitting on four passes good for 31 yards and the only Hokie touchdown. Jay Whitesell was the leading ground gainer for Tech with 45 yards in eight tries. Jim Burks and Nick Mihalis along with Soph Mide Zeno led the Tech linemen.

The Virginia Tech

LET PROXIM

Gobblers Down Indians, 27-15

A homecoming crowd of some 15,000 were sent home happy as the Gobblers came from behind to win 27-15 over William and Mary. Tech went from a wide open, passing and fumbling attack to a brutal ground game to achieve the comeback success.

The story of the game was told in the line, where the Techmen showed a vast superiority, especially in the last half. W and M which has a good first team and nothing else, couldn't stop the up-the-middle plays, and Tech kept the ball powered away.

The gobblers tossed the ball all over the field in the first half, had an 37-yard touchdown run called back on a penalty, and lost the ball three times on fumbles. These shortcomings helped to produce the 15-8 halftime lead for the Indians.

After Coach Moseley put the jack under the boys at half time, the story changed.

The second half was all Tech's as the Gobblers went on to post their first Southern Conference victory.

Whitesell returned the second-half kickoff to the 44 and Tech moved for its second touchdown in 44 plays, every one of them up the middle off an unbalanced line.

The Hokies missed the two-point extra point pass attempt and the score was 15-14.

Mike Zeno, a hauling 232 pound line backer, intercepted an Indian pass late in the quarter to start the Gobblers off again. A healthy combination of Snead, Sam Shaffer, and Holsclaw brought another touchdown for the Gobblers. The try for extra points again failed but the score was 20-15 with a little more than eleven minutes to play.

Two plays after the kickoff, Bernie Vishneski recovered a wild pitch out for the Gobblers on the 17. Tech moved to the one in five plays, took an offside penalty, but still went on to score from the seven when Henry ripped off left tackle for the TD. Chuck Stephens converted to make it 27-15.

Outrushed 140-51 yards in the first half, Tech gained 137 yards on the ground to William and Mary's 19 in the second half.

Holsclaw, who went into the game as the nation's fourth leader in total offense, connected a nine out of sixteen passes for 119 yards and added more than 13 yards on the ground. Tech controlled the ball throughout, getting off 73 plays to 49 for William and Mary.

BERNIE VISHNESKI

CARROLL DALE

ALGER PUGH

DUNCAN HOLSCRAW

Holsclaw picks up first down!

A near capacity Victory Stadium crowd of 26,000 saw Tech make up a one-point, 7-6 halftime deficit to whip the Cavaliers of Virginia, 22 to 13, in Roanoke's first Harvest Bowl game. The crowd, along with the reigning Miss America, Mary Ann Mobley, was treated to a fine running and passing performance on the part of Billy Holsclaw, Tech's 170-pound senior quarterback.

Holsclaw, who went into action No. 4 in the nation in total offense, was the man who put the Gobblers on top. In the second quarter, Holsclaw threw a 20-yard pass to Johnny Watkins for Tech's first TD and then midway in the fourth quarter pitched 19 yards to Alger Pugh for the final Gobbler score. After the pitch to Pugh, Holsclaw swept left and for a two-point conversion which put the game out of the Cavaliers reach.

In between Holsclaw's scoring passes, Pugh threw a 23 yarder to Pat Henry on the run-pass option which gave Tech a second-half lead. Late in the second quarter the Techmen missed a golden opportunity to score by fumbling on the Virginia one-yard line.

The victory gave Virginia Tech revenge for the 38 to 7 loss it took from the Cavaliers last year in Richmond's Tobacco Festival game.

Little did the fans realize that they were watching Billy Holsclaw replace an injured Reese Whittey of Virginia as the nation's No. 1 total offense leader. The 131 yards which Holsclaw gained against Virginia gave him a total of 620 yards gained in four games. Holsclaw also can claim a sparkling average of 17.5 yards per pass completion—tops among players who throw frequently.

Tech Out-Guns Wahoos, 22-13

The Washington Post

Times Herald

VPI on Short End at Florida State, 0-28

"The I's had it." That pretty well summed up the story as Florida State defeated the Gobblers, 28 to 0.

The Seminoles "I" formation never worked better than it did in the driving rain and slippery mud of Florida State's Campbell Stadium. Altogether, there were seventeen fumbles as Tech lost the ball five times on six fumbles. But the miscues weren't really a factor as none of the fumbles led to any scoring.

Florida State, led by quarterback Vic Prinze and halfback Bobby Renn, scored two touchdowns in the first half that pretty well decided the game and then added two more in the second half to wrap up the game. A run of 72 yards on a fake punt by Renn for the Seminole's second touchdown was the turning point of the game.

Halfback Pat Henry, a 168-pound sophomore halfback

was the top gainer for Tech, picking up 41 yards in eight carries. Quarterback, Billy Holsclaw, who went into the game as the nation's No. 1 total offensive leader with 620 yards, was able to add only 24 yards to his record. End Carroll Dale, along with Nick Mihalas, Don Oakes, and Mike Zeno looked very good on defense for the Techmen.

After the game Coach Moseley said he thought that the Seminoles, "had a good hustling club that wanted to play. Our youngsters didn't have it today. FSU beat us in the first five minutes and we never got into the game."

All in all, Tech was unable to get its offense moving due to the bad weather and very rugged FSU defense. The Gobblers were able to launch only one determined drive in the game.

HAROLD JONES

CHUCK STEPHENS

GIL TURNAGE

TOMMY BETZ

Virginia Tech failed to hold onto a 20 to 3 lead and was nipped by a West Virginia comeback, 21 to 20, before 22,000 in Richmond's annual Tobacco Bowl game. West Virginia, which made a number of mistakes in the first half, left the second half miscues to the Gobblers.

Tech scored the second time it had the ball on a 16-yard pass from Billy Holsclaw to end Allen Whittier after recovering a West Virginia fumble. Holsclaw then passed to Dale for the extra point. After West Virginia tied the score early in the second quarter, Holsclaw raced 14 yards around right end to put the Gobblers ahead. Four plays later, sophomore halfback Pat Henry scored for Tech on a spectacular 74-yard punt return aided by good blocking by his teammates.

West Virginia, however, struck back for a touchdown just before the end of the first half and then, near the end of the third quarter, tied up the score on a 60-yard march. A one-point conversion gave the Mountaineer's the margin of victory. Tech missed a couple of chances to score in the second half and tried an unsuccessful last second rally based on quarterback Holsclaw's passing and end Carroll Dale's receiving.

However, some of the brightness was taken from West Virginia's victory as it was later confirmed through films

of the game that the two-point conversion made after the Mounties first touchdown was illegal. West Virginia actually had two men downfield as ineligible receivers, one of whom was fullback Noel Whyskey, who caught the pass good for two points. Coach Moseley, after receiving the films, said, "I don't see much point in commenting on the play, except to say that it's a tough way to lose a game."

Holsclaw, Henry, and Dale, along with the entire Tech line performed wonderfully on both offense and defense. Holsclaw gained 162 yards which gave him a six game offense total of 806 yards. This allowed Holsclaw to regain the lead as the nation's leader in total offense. Dale, who caught five passes for 73 yards and played an outstanding game on Defense, drew praise from West Virginia coach, "Pappy" Lewis, who said that Dale was the best end he had seen this year.

Richmond Times-Dispatch

West Virginia Downs Gobblers, 21-20

THE ROANOKE TIMES

Tech Ties State, 14-14

With Billy Holsclaw leading the attack, underdog Tech battled N.C. State to a thrilling 14-14 tie before a crowd of 13,000. Holsclaw increased his total gain to 960 yards by rushing 14 yards and connecting on 9 of 16 passes for 140 yards. The first Gobbler touchdown came via a 26 yard pass from Holsclaw to end Carroll Dale. The second came in the third period with Tech marching 62 yards for the score.

State's powerful ground attack stood out from the opening kickoff until the final whistle. The Wolfpack took the opening kickoff, and led by fullback Arnold Nelson, and speedy Ken Growbridge, drove 64 yards for the score. Larry Dixon converted and it was 7-0 State.

Tech took the kickoff and marched to the State 47 but lost the ball on downs. Three plays, the Gobblers recovered a State fumble on State's 33, Whitesell gained 9 yards and Henry 3 for a first down on the 26. Two plays later, Holsclaw hit Dale on the 2 for the T.D. Chuck Stephens converted and it was 7-7. The two teams battled around the midfield stripe the remainder of the first half.

The Gobblers took the second half kickoff and in 13 plays covered 67 yards for the score. Holsclaw kept the

attack going with passes for 14 and 11 yards to Dale, and a 16 yarder to Whitesell. Henry circled left, 3 yards out for the score. Again, Stephens converted and the Techmen led, 14-7.

Following the touchdown and the next kickoff, State was TD bound, but Pugh intercepted a pass on the 11. Tech was then penalized to the 1, and Dale punted to the 43. The Wolfpack scored 3 plays later. Dixon converted and it was tied up, 14-14.

Tech's last scoring chance was set up by a pass interception by Byrd on the Gobbler 23, and a tremendous return to the Wolfpack 34. Holsclaw, Pugh, and Watkins moved the ball to a fourth and one situation on the three. Pugh cracked the right side of the line but was inches away for the first down, and State took over. State then punted out of danger to the Tech 50. A good runback by Whitesell was nullified by a 15 yard clipping penalty. Tech, unable to move the ball, punted to the State 13. State moved to the Tech 32 before Mihalas intercepted a pass. On the last play of the game, Barnette hit Dale on the 29. The big end was downed in his tracks.

BILLY HOLSCLAW

ED BARTRUG, JR.

MIKE ZENO

ALLEN WHITTIER

In the wildest contest of the season, a crowd of 6,000 at Miles Stadium watched Billy Holsclaw, established a new Southern Conference total offense record in sparking the Gobblers to a come-from-behind victory over Richmond's determined Spiders.

Holsclaw personally gained 16 yards rushing and completed nine out of 13 passes for 114 yards. His total of 130 yards was more than enough to break the conference record of 1,017 yards set last year by Bobby Schwarze of the Citadel.

Junior end, Carroll Dale, tied the conference record of six touchdowns on passes by pulling in two of Holsclaw's aerials for tallies. Dale, who started his 27th consecutive game for the Gobblers, caught six passes for 86 yards and played a fine defensive game.

It looked like the Gobblers were off in the wrong direction at the start of the game. Tech lost the ball the first two times they had possession on an intercepted pass and a fumble, and as soon as they got it again after a Richmond punt, Henry fumbled on his own nine.

Richmond capitalized on this last error to take the lead, 7-0.

Tech got a break five plays later after a punt and a 15-yard penalty against Richmond sent the Spiders back to their five. Tech's end Ed Brinkley broke through to block the kick, and Jim Farr recovered and the Gobblers were finally in business. But the Spiders made a firm stand and stopped the Hokies on the one. The Quarter ended as Richmond punted out of their end-zone.

Tech set up their first touchdown when Holsclaw carried over on a sneak play. Chuck Stephens booted the extra point to tie the score 7-7.

Richmond rolled right back and in eight plays gained a 15-7 advantage with a touchdown and two points on the extra point play. But before halftime the Hokies had returned the score to 15-13 with a pass from Holsclaw to Dale.

Tech struck hard with lightning swiftness early in the third quarter. Taking over on the 35 after a Richmond punt, Henry broke away and cut down the side line to go 65-yards in the day's big thriller. Pugh was stopped on the extra point play but the Gobblers were ahead 19-15.

Eleven plays later Richmond was back in the drivers seat when a touchdown netted them six more points. But Tech bounced back with Holsclaw and Dale highlighting the play. The big end, Dale, slipped behind a defender, caught a short one, and raced fifty yards for the TD. Dale again made a great diving catch of Holsclaw's toss for the two point play.

Richmond tried desperately to pull the game out, but Tech held on to the lead.

The Virginia Tech

ET PROSIM

VPI Edges Spiders, 23-21

HATTIESBURG AMERICAN

Tech Stopped by Miss. Southern, 41-0

The rain and mud of the deep South for the second time this season put a distinct damper on Tech's football fortunes as Miss. Southern unloaded four TD's in the last quarter, to down the Gobblers 41-0.

Tech's offense never could get into even low gear due partly to the slippery condition of the field, but mostly to the Southern's defense which swarmed quarterback Billy Holsclaw at every turn. Defensively, the Gobblers

failed to contain the combined speed and power of Southern backs, particularly quarterbacks George Sekul and Willie Coats, halfback Bobby Lance, and fullbacks Buddy Supple and Sammy Broyles.

The only bright note despite the slippery field and the player's conditions after a long bus ride down was that the Gobblers didn't lose a fumble.

SAM SHAFER

TOM O'BRIEN

JIM BURKS

BILL SNEAD

Operating before a capacity crowd of 27,500, at Victory Stadium in Roanoke, Billy Holsclaw directed VPI to a 21-16 win over VMI, and the State championship.

VMI was first to score in the hard fought, record breaking contest. Sam Horner, halfback, on a third down and 13 situation, faked a punt and ran 34 yards before Whitesell ran him out of bounds on the Tech 33.

On the next play, Nebraska, unable to find a pass receiver, spotted running room on the right side of his line, and ran 30 yards to the 3. Two plays later, Pete Johnson smashed off-tackles for the score. Johnson's kick was perfect, and it was 7-0, VMI.

Tech's first score was set up on the last play of the first quarter when Holsclaw intercepted a Nebraska pass on the VPI 34. Using the passing arm of Holsclaw and the running ability of Henry and Shaffer, Tech reeled off five first downs, the final one on the 3. Henry then jarred across from the 3, Stephens converted, and it was 7-7.

VMI's second score came via a 27 yard field goal by

Johnson during the closing minutes of the first half. Tech's second score came after a long march which started on the Tech 30. The outstanding plays of the drive were a 23 yard heave from Holsclaw to Dale and a 14 yard run by Henry. Fullback Sam Shaffer banged out a first down in a fourth and one situation, and then hit over the middle to score. Holsclaw passed to Ken Byrd for 2 bonus points, and Tech led 15-10.

Henry sparked the third TD thrust with a 27 yard run. Holsclaw's 23 yard pass to Dale put the ball on VMI's 7, and Holsclaw scored from the 5. The Keydets final drive of the afternoon was led by sophomore quarterback, Howard Dyer. He returned the kickoff 21 yards, ran 19 yards on a keep play, threw three passes for 60 yards, and then sneaked across from the 4. Tech scored again in the closing seconds of the game with a pass from Holsclaw to Henry. It was ruled no good because Holsclaw crossed the line of scrimmage before he passed.

BASKETBALL

1959

Tech closed out the regular basketball season as state champions and compiled the best Gobbler record since 1917, but faced the unenviable task of meeting George Washington for the third time as the SC tournament opened in Richmond, February 26th.

The Gobblers finished second in the conference race with a 10-2 mark. In winning their second state title in the last three years, the Techmen had a 7-2 record.

For the season, the Gobblers were 16-4, including a perfect 8-0 slate at War Memorial Hall, and a 8-4 ledger on opponent's and neutral courts. This was the first winning road mark in 11 years and the best since 1923.

With a starting lineup of four sophomores and a junior, Coach "Chuck" Noe insists that the Techmen are a year away from being the "team of the future." Bob Ayersman and Cris Smith, the so called "super sophomores" have been named to the 1958-59 All Southern Conference team.

Ayersman, who established new Tech records for points in a single game and season's scoring average, won the Conference scoring race. Smith, who chalked up a new Gobbler rebound record, was the league's best rebounder.

The Tech record for points in a single game was set on February 20 in a home game victory of 118-60 over VMI. In addition to Ayersman, Smith, and Gilbert, the fourth sophomore that figured in the starting lineup was Dean Blake. He is probably best as a defenseman, but he also was a double figure scorer when the opponent's defense overloaded on Ayersman and Smith. These four men comprised four-fifths of the 1956-All State high school team in West Virginia. Junior Lewis Mills and Captain Terry Penn, also received honors in their high school tournaments. Mills was named the outstanding player in the Virginia state high school tournament in 1955, the same year in which Penn received the same honor in West Virginia. Next year, the Gobblers should be the "team of the year."

The Tech swimmers compiled a fourth straight winning season, but they didn't have enough depth to ward off VMI in the Southern Conference championships. The Technicians took second place with 77 points.

Senior co-captain Bill Grossman, however, broke the only record of the conference meet (swimming the 200-yard individual medley in 2:22.3) and was named the outstanding swimmer of the meet for the third straight year.

He also won the 100 and 200-yard breaststroke events.

John Blondell rallied from a semi-finals deficit to win the conference diving championship and went on to compete in the collegiate nationals at Ann Arbor, Michigan.

Of those who scored points for Tech in the conference championships, only Bob Grossman, Ronny Hedley and Harvey Rosen return to the 1958-59 squad.

WRESTLING

Although the Tech wrestlers had their victory string snapped at 28 by Maryland, the Techman regained their Southern Conference team championship with a record 85 points. Tech advanced six men to the conference finals, and four of them won individual crowns: Brandon Glover (130), Joe Heller (137), Sherman Vandevender (147), and Tom Burruss (177). They will form the nucleus of next years team.

Glover and Heller, sophomores, are undefeated in their collegiate careers. Vandevender, a junior, dropped his only decision to Maryland's Atlantic Coast Conference champion, Nick Bionl, 10-3. Burruss, a junior, went through the season unbeaten but tied by ACC champ Dick Dean, of Maryland.

Heller, Vandevender, and Burruss competed in the national collegiate championships.

During the dual-meet season, the Techmen scored 23 pins, lost four, giving the Gobblers a total of 113 falls scored while winning 29 of their last 30 matches.

Highlight of the season was the 21-11 victory over a strong, impressive Auburn team, long recognized as one of the top wrestling powers of the South. Burrus received a standing ovation from the crowd of more than 1,000 persons as he clinched a Tech victory by pinning the Tiger's Mark Branum.

Maryland marred the joy in Techland by taking a hotly-contested 17-10 decision from the Gobblers in a meet that wasn't decided until the last bout was over. Glover scored the only fall of the Meeting.

Opponents are "playing the edges" against the Techmen to keep from being pinned, but the 1958-59 outlook is still bright, with Maryland and Auburn the major obstacles to another spectacular record.

Vandevender, Glover and Bowman

Grandstaff, Heller and Radford

With only three returning lettermen, the Tech Riflemen had their most successful season in riflery ever. They competed in Twelve (12) regular season matches against Nineteen (19) opponents winning sixteen and losing three against Army, Navy, and West Virginia. The Tech team this season tied its team record score of 1432 set in 1957. This score was fired against Army and Maryland at College Park, Maryland. The members of this team were: Team Captain Ellis Lea, Sam Morgan, Dale Hoberg, William Hanger, and Mahlon Nichols. This year's Varsity Team ended the season with the highest seasonal team average ever posted by a Tech team, a 1421 average.

For the Third straight year, Tech became the Southern Conference Champions in Riflery. This time Tech set a new team record of 1417 and a new individual tournament record of 292 by Sam Morgan, Southern Conference Individual Champion too.

The tournament was again held at VMI with all ten Conference teams competing. Second was the Citadel with a 1403; Third was West Virginia with a 1400 score. Also, Ellis Lea and Dale Hoberg both received individual honors for Tech. The members of this Championship team were: Captain Ellis Lea, Sam P. Morgan, Dale M. Hoberg, William A. Hanger, Mahlon G. Nichols, and Robert R. Caldwell.

The greatest triumph of the season, was Tech showing in the National NRA intercollegiate Rifle Championship Match. Besides winning the Sectional, Tech placed *Third* in the nation with a tremendous score of 1429. This the top score for a Tech team in this meet. Members of this team were: Captain Ellis Lea, Sam P. Morgan, Dale M. Hoberg, William A. Hanger, and Mahlon G. Nichols. Sam Morgan placed second in the Sectional match firing a 287 score with Dale Hoberg fifth with a 286.

THOMAS M. HOLDERRY.....Ruffin, N. C.
Business Administration

THE SENIOR CLASS OF 1959

First Row:

F. ALAN HOLMES Coconut, Grove, Florida
Mechanical Engineering

DRURY J. HOLLAND, III Axton, Va.
Animal Husbandry

JOHN G. HOLLORAN, JR. Alexandria, La.
Animal Husbandry

Second Row:

JERRY R. HOLT Pulaski, Va.
Chemical Engineering

WILLIAM B. HOLTZMAN Mt. Jackson, Va.
Horticulture

CODY O. HORNE Castlewood, Va.
Industrial Engineering

Third Row:

S. STANLEY HORTON Bluefield, W. Va.
Business Administration

ALBERT R. HOWARD Lynchburg, Va.
Business Administration

RAYMOND HOWELL Suffolk, Va.
Architecture

Fourth Row:

WILLIAM E. HOWELL Lexington, Va.
Electrical Engineering

BARBARA A. HUBBARD (MISS) . . . Fayetteville, N. C.
Home Economics

JOHN W. HUDSON Richmond, Va.
Business Administration

First Row:

CALVERT H. HUMBERT, JR. Covington, Va.
Forestry and Wildlife Conservation

THOMAS N. HUNNICUTE Blacksburg, Va.
Civil Engineering

THOMAS H. HUNT Blacksburg, Va.
Business Administration

Second Row:

WILLIAM E. HUNT Tazewell, Va.
Business Administration

CARLYSLE D. HYPES Christiansburg, Va.
Agricultural Education

JAMES B. INMAN Richmond, Va.
Mechanical Engineering

Third Row:

WILLIAM C. ISELEY Covington, Va.
Physics

CHARLES M. JACKSON Portsmouth, Va.
Aeronautical Engineering

JOHN E. JACKSON Blacksburg, Va.
Industrial Engineering

Fourth Row:

LAWRENCE L. JANOWITZ New York, N. Y.
Architectural Engineering

PHILIP A. JASKOWIAK Bowers Hill, Va.
Vocation Education for Joint Coordinators

H. DRIGHT JENKINS Norfolk, Va.
Mechanical Engineering

Fifth Row:

JORDAN M. JENKINS, JR. Blackstone, Va.
Agronomy

JAMES W. JOHNSON Blacksburg, Va.
Civil Engineering

RAMON H. JOHNSON Richmond, Va.
Electrical Engineering

THE SENIOR CLASS OF 1959

First Row:

THOMAS P. JOHNSON, JR. Norfolk, Va.
Business Administration

ALBERT S. JOHNSON Alderson, W. Va.
Physics

ANNE E. JONES (MISS) Winchester, Va.
Home Economics

Second Row:

CLINTON M. JONES, JR. Jarratt, Va.
Mechanical Engineering

ENOCH M. JONES Danville, Va.
Mechanical Engineering

JOSEPH H. JONES Beckley, W. Va.
Electrical Engineering

Third Row:

JOHN B. JOYNT Silver Spring, Maryland
Dairy Science

MARK T. JURKOVICH, JR. Blacksburg, Va.
Civil Engineering

CRAIG L. KAISER Martinsville, Va.
Business Administration

Fourth Row:

SAMUEL G. KOA Taipei Taiwan, China
Physics

JOHN F. KEELING, JR. Danville, Va.
Civil Engineering

GARY R. KEESECKER Portsmouth, Va.
Electrical Engineering

First Row:

ROBERT P. KEITHLY, JR. Springwood, Va.
Agronomy

CALVIN J. KELLY Marion, Va.
Mechanical Engineering

J. EDWARD KELLY Vinton, Va.
Business Administration

Second Row:

THOMAS G. KENDALL Orange, Va.
Rural Sociology

JAMES S. KENNAN Charlottesville, Va.
Rural Sociology

TERRILL D. KEENS Blacksburg, Va.
Agricultural Education

Third Row:

JOHN C. KERSTETTER . . . Shamokin, Pennsylvania
Mechanical Engineering

RICHARD E. KIDD Bland, Va.
Business Administration

S. WILLIAM KIGHT, JR. Norfolk, Va.
Chemical Engineering

Fourth Row:

ROBERT B. KILGORE Christiansburg, Va.
Electrical Engineering

HERRERT F. KLEIN Norfolk, Va.
Chemical Engineering

JOHN W. KNOWLTON Bethesda, Maryland
Electrical Engineering

Fifth Row:

JAMES R. KOSKO Duquesne, Pennsylvania
Mechanical Engineering

WILLIAM H. KRAMER Richmond, Va.
Chemical Engineering

JOHN M. KOETHCKE Clifton Forge, Va.
Business Administration

THE SENIOR CLASS OF 1959

First Row:

BILLIE G. KRONMEISTER.....Richmond, Va.
Chemistry

RAYMOND E. LANDOLT.....Blacksburg, Va.
Biology

HENRY D. LASTER.....Christiansburg, Va.
Electrical Engineering

Second Row:

SAMUEL S. LAVINDER.....Martinsville, Va.
Business Administration

TROY A. LAW.....Casade, Va.
Agricultural Engineering

ROBERT V. LAWRENCE.....Portsmouth, Va.
Chemical Engineering

Third Row:

JERRY M. LAYNE.....Victoria, Va.
General Science

ELLIS LEA, JR.....Falls Church, Va.
Mechanical Engineering

CHARLES M. LEACH.....Staunton, Va.
Agricultural Engineering

Fourth Row:

RICHARD L. LEARY.....Craddock Portsmouth, Va.
Geology

JOHN C. LEBER.....Goochland, Va.
Business Administration

RICHARD A. LECHNER.....Neptune City, N. J.
Mechanical Engineering

First Row:

CARL R. LEE.....Blacksburg, Pa.
Civil Engineering

JOSEPH U. LEE, III.....Blacksburg, Va.
Industrial Engineering

TUN M. LEE.....Arlington, Va.
Chemical Engineering

Second Row:

HAROLD C. LESTER.....Norfolk, Va.
Mechanical Engineering

H. JOHNSON LEWIS.....Los Angeles, California
Chemistry

THOMAS S. LEWIS.....Dahlgren, Va.
Electrical Engineering

Third Row:

WILLIAM K. LEWIS.....Kayford, W. Va.
Physics

GENE H. LINDSAY.....Ashland, Kentucky
Geology

B. MATTHEW LETTEN.....Richmond, Va.
Civil Engineering

Fourth Row:

LYDIA LATIMER RICE LOHR (MRS.).....
Blacksburg, Va.
Mathematics

HENRY A. LONG.....Arlington, Va.
Business Administration

ALBERT W. LONGEST.....King William, Va.
Chemical Engineering

Fifth Row:

C. EUGENE LONGEST.....Richmond, Va.
Civil Engineering

JAMES C. LOVIN...Westwood Ashland, Kentucky
Chemical Engineering

EARL S. LUCAS, JR.....Emporia, Va.
Mechanical Engineering

THE SENIOR CLASS OF 1959

First Row:

EDWARD M. LUCAS.....Emporia, Va.
Business Administration

HUGH H. LUCAS.....Bluefield, W. Va.
Mining Engineering

WILLIAM G. LUCAS.....Staunton, Va.
Mechanical Engineering

Second Row:

DONALD H. LUND.....Front Royal, Va.
Business Administration

F. BAKER LUMPKIN.....Richmond, Va.
Chemical Engineering

HAROLD B. LUSK.....Oceana, W. Va.
Mechanical Engineering

Third Row:

RICHARD W. LUTTRELL.....Pulaski, Va.
Business Administration

BURLIN S. MARE.....Ivanhoe, Va.
Civil Engineering

H. DONALD MABRY.....Pulaski, Va.
Industrial Engineering

Fourth Row:

JAMES E. MANN, JR.....Bluefield, W. Va.
Engineering Mechanics

RICHARD M. MANN.....Gretna, Va.
Agricultural Education

WILLIAM W. MANN.....Richmond, Va.
Civil Engineering

First Row:

DONALD A. MANNAS.....Alexandria, Va.
Metallurgical Engineering

AUBREY P. MARKS.....Capron, Va.
Horticulture

EDWARD A. MARKS, III.....Richmond, Va.
Mechanical Engineering

Second Row:

BURTON M. MARSHALL.....Richmond, Va.
Civil Engineering

WILLIAM C. MARSHALL.....Spencer, Va.
Animal Husbandry

DAVID T. MARTIN.....Richmond, Va.
Business Administration

Third Row:

JOHN A. MASK.....Colonial Beach, Va.
Biology

SHEFFEY N. MASSEY, JR.....Logan, W. Va.
Electrical Engineering

JAMES E. MAYS.....Lynchburg, Va.
Mechanical Engineering

Fourth Row:

WILLIAM T. MEFFORD.....Covington, Va.
Mechanical Engineering

ALFRED J. MEINTEL, JR.....Richmond, Va.
Mechanical Engineering

JOSEPH MENCARINI, JR.....Richmond, Va.
Business Administration

Fifth Row:

WILLIAM L. MEUSEL.....Baltimore, Maryland
Electrical Engineering

NICHOLAS M. MIHALAS.....Norfolk, Va.
Chemical Engineering

CARROL H. MILLER.....Roseland, Va.
Electrical Engineering

THE SENIOR CLASS OF 1959

First Row:

DANIEL B. MILLER.....Culpeper, Va.
Agricultural Economics

FRANK L. MILLER, JR.....Staunton, Va.
Civil Engineering

PATRICIA A. MILLER (MISS).....Richmond, Va.
Home Economics

Second Row:

THOMAS P. MILLER.....Port Republic, Va.
Business Administration

ALFRED F. MISTR, JR.....Richmond, Va.
Electrical Engineering

T. FRANKLIN MITCHELL.....Newport News, Va.
Industrial Engineering

Third Row:

BRENTON S. MONGAN.....Salem, Va.
Industrial Engineering

JAMES W. MOORE, JR.....Fishersville, Va.
Mechanical Engineering

THEODORE P. MOORE.....New Market, Va.
Chemical Engineering

Fourth Row:

PAUL A. MORIE.....Blacksburg, Va.
Agricultural Economics

WILLIAM E. MORBELL.....Bristol, Va.
Aeronautical Engineering

BENJAMIN M. MORRIS.....Farmville, Va.
Business Administration

First Row:

DONALD C. MORRISON.....Norfolk, Va.
General Science

CLARENCE W. MOSELY, JR.....Lynchburg, Va.
Mechanical Engineering

WILLIAM F. MOSS.....Calao, Va.
Poultry Husbandry

Second Row:

FRED D. MUDDIMAN.....Trenton, Michigan
Mechanical Engineering

MICHAEL J. MUGLER.....Phoebus, Va.
Business Administration

BETTY J. MULLINS (MISS).....Clintwood, Va.
Home Economics

Third Row:

CHARLES P. MUNCY.....Bland, Va.
Business Administration

JOE M. MUNCY.....Narrows, Va.
Electrical Engineering

RICHARD A. MUNDY.....Blacksburg, Va.
Chemistry

Fourth Row:

THOMAS E. MUNSEY.....Gate City, Va.
Civil Engineering

JOHN A. MUIR.....Lynchburg, Va.
Business Education

SAMUEL MURRAY.....Smithsburg, Maryland
Industrial Engineering

Fifth Row:

LEONARD A. MUSE.....Fincastle, Va.
Civil Engineering

DONNIE C. MYERS.....New Castle, Va.
Business Administration

DAVID T. MYLES, JR.....Barboursville, W. Va.
Electrical Engineering

THE SENIOR CLASS OF 1959

WILLIAM F. MCCARTY.....Ottoman, Va.
Agricultural Education

J. GUY MCGEE.....Mobile, Alabama
Civil Engineering

ROY A. MCGHEE.....Portsmouth, Va.
Mechanical Engineering

Second Row:

BRUCE MCINTOSH, II.....Leesburg, Va.
Animal Husbandry

BENNY M. MCKENZIE.....Christiansburg, Va.
Business Administration

F. WAYNE MCKENZIE.....Blacksburg, Va.
Industrial Engineering

Third Row:

JAMES T. MCMASTER... Murfreesboro, Tennessee
Mechanical Engineering

ROBERT A. MCPHERRIN.....Norfolk, Va.
Electrical Engineering

CAMILLUS A. NASH, JR.....Blacksburg, Va.
Civil Engineering

Fourth Row:

ROBERT L. NEAL, III.....Chatham, Va.
Business Administration

JOHN W. NEIDHARDT, JR.....Blacksburg, Va.
Ceramic Engineering

WARREN S. NEELY, II.....Blacksburg, Va.
Forestry and Wildlife Conservation

First Row:

JULIUS W. NEWKIRK.....Hopewell, Va.
Business Administration

LOCKSLEY HON-KEONG NG.....Norfolk, Va.
Civil Engineering

MAHON G. NICHOLS, III.....Dahlgren, Va.
Forestry and Wildlife Conservation

Second Row:

RICHARD C. NICHOLS, JR.....Palaski, Va.
Metallurgical Engineering

JAMES M. OAKES.....Cascade, Va.
Business Administration

WILLIAM W. OLIVER, V.....Bayside, Va.
Animal Husbandry

Third Row:

WILLIAM C. OLSEN.....Norfolk, Va.
Mechanical Engineering

ROBERT A. OVERFIELD.....Norfolk, Va.
Physics

DAVID L. OVERMAN.....Falls Church, Va.
Mechanical Engineering

Fourth Row:

CLARENCE R. OVERSTREET.....Salem, Va.
Business Administration

HENRY C. OWEN.....Roanoke, Va.
Business Administration

SAMUEL S. OWEN.....Hiltons, Va.
Mechanical Engineering

Fifth Row:

DAVID A. PADDOCK.....Alexander, Va.
Mechanical Engineering

DAVID C. PAINTER.....Independence, Va.
Rural Sociology

WILLIAM J. PALMER.....Blacksburg, Va.
Electrical Engineering

THE SENIOR CLASS OF 1959

First Row:

SHIH HAW PANG.....Shihlin Taiwan, China
Mining Engineering

HARRY L. PANNELL.....Culpeper, Va.
Agricultural Economics

LESTER C. PARKS.....Parksley, Va.
Business Administration

Second Row:

DEXTER J. PASTERNAK.....Westport, Conn.
Civil Engineering

N. DONALD PATTERSON.....Woodford, Va.
Agricultural Engineering

EARLE F. PAYNE.....Alexandria, Va.
Electrical Engineering

Third Row:

ROBERT N. PAYNE, JR.....The Plains, Va.
Business Administration

WILLIAM A. PEABODY, JR.....Richmond, Va.
Mechanical Engineering

JOSEPH J. PEREIRA.....Hampton, Va.
Mechanical Engineering

Fourth Row:

JOSEPH W. PERSON.....Boykins, Va.
Business Administration

P. BURTON PHILLIPS.....South Boston, Va.
General Agriculture

JOHN D. PIRRUNG.....Blacksburg, Va.
Electrical Engineering

First Row:

CHARLES W. POMEROY Front Royal, Va.
Civil Engineering

CHARLES B. POOLE Peterburg, Va.
Agricultural Economics

DAVID C. POWELL Palaski, Va.
Mechanical Engineering

Second Row:

JOHN F. POVLICH, III Elbert, W. Va.
Metallurgical Engineering

DON A. PRICE Alexandria, Va.
Business Administration

STUART H. PRICE Arlington, Va.
Mining Engineering

Third Row:

CARL B. PRUDE Harrisonburg, Va.
Agricultural Engineering

WILLIAM S. PUGH Madisonville, Va.
Building Construction

FRANK B. PYNE Upperville, Va.
Animal Husbandry

Fourth Row:

T. WALKER RAGSDALE Richmond, Va.
Business Administration

JAMES W. RAKESTRAW, JR. Portsmouth, Va.
Physics

CHARLES P. REA Danville, Illinois
General Science

Fifth Row:

J. CLIFTON REID Richmond, Va.
Mechanical Engineering

JOHN M. REID Staunton, Va.
Physics

EDWARD J. REYNOLDS, JR. Bristol, Va.
Industrial Engineering

THE SENIOR CLASS OF 1959

First Row:

SMITH A. RHODES.....Martinsville, Va.
Electrical Engineering

JOHN H. RICE, JR.....Pulaski, Va.
Architectural Engineering

ROBERT B. RICHARDS, JR.....Washington, D. C.
Aeronautical Engineering

Second Row:

JOHN N. RICHARDSON.....Richmond, Va.
Horticulture

WINFIELD W. RICHARDSON.....Arlington, Va.
Physics

JOHN F. RIDDELL.....Christiansburg, Va.
Aeronautical Engineering

Third Row:

CARL E. RIDDLE.....Hampton, Va.
Business Administration

ROY H. RIFFE, JR.....Union, W. Va.
Agricultural Education

LEE A. RIGBY.....Balboa, Canal Zone
Industrial Arts Education

Fourth Row:

DAVID P. ROBINETTE.....Big Stone Gap, Va.
Agricultural Education

EDGAR W. ROLLER.....Broadway, Va.
Industrial Engineering

CURTIS ROSENBAUM.....Roanoke, Va.
Building Construction

First Row:

HERBERT G. ROSS, JR. Richmond, Va.
Mechanical Engineering

ANDREW T. BOTH, JR. Portsmouth, Va.
Civil Engineering

FRED U. RUBENSTIEN Jackson Hgts, N. Y.
Industrial Engineering

Second Row:

CHARLES H. RUSH Blacksburg, Va.
Electrical Engineering

HUDD SALLO Blacksburg, Va.
Electrical Engineering

WALTER L. SALMON Danville, Va.
Civil Engineering

Third Row:

RAYMOND C. SANDY Stephens City, Va.
Agricultural Education

WILLIAM L. SAUNDERS Huddleston, Va.
General Agriculture

RALPH L. SANDERS Roanoke, Va.
Business Administration

Fourth Row:

RICHARD SCHOELLER, JR. Norfolk, Va.
Mechanical Engineering

R. FORREST SCOTT Radford, Va.
Mechanical Engineering

W. DONALD SCOTT Bluefield, Va.
Civil Engineering

Fifth Row:

ALBERT E. SEBEST Duquesne, Pennsylvania
Mechanical Engineering

VERNON L. SEESE Arlington, Va.
Business Administration

BETTY J. SELBY (MISS) Media, Pennsylvania
Home Economics

THE SENIOR CLASS OF 1959

First Row:

- KENNETH H. SELLERS.....Norfolk, Va.
Business Administration
- ERNEST D. SENECA.....Princess Anne, Va.
Forestry and Wildlife Conservation
- MARGARET G. SENTER (MISS).....Salem, Va.
General Science

Second Row:

- RONALD D. SETTLES.....Blacksburg, Va.
Physics
- BILLY J. SEXTON.....Blacksburg, Va.
Chemistry
- SAMUEL D. SHAFER, Williamsport, Pennsylvania
Ceramic Engineering

Third Row:

- JACK L. SHAGENA, JR.,.....Richmond, Va.

HOLTZMAN, WILLIAM BIRD; 1st Sgt., Co. F; German Club; Horticulture Club; Agricultural Exposition; Lutheran Students Association.

HORNE, CODY OLIVER; Omicron Delta Kappa; Tau Beta Pi; Alpha Pi Mu; American Institute of Industrial Engineers; CSB Senator.

HORTON, SIDNEY STANLEY JR.; Capt., Sqdn. O; Arnold Air Society; Westminster Fellowship.

HOWARD, ALBERT RAY; Lynchburg Club, Secretary; FEDA, Secretary; Intramurals, Basketball; Cotillion Club, Assistant Secretary-Treasurer, Secretary; '59 Ring Dance Chairman; Bugle, Assistant Advertising Manager.

HOWELL, WILLIAM EDWARD; American Institute of Electrical Engineers; Co-operative Engineering Society, Vice-president.

HUBBARD, BARBARA ANN; Home Economics Club; Westminster Fellowship, secretary; Young Women's Christian Association; Student Life Council.

HUDSON, JOHN WALTHALL; Radio Station WUVT, Chief Engineer, General Manager; 1959 Bugle, Business Manager; Student Publications Board, Treasurer, President; Rho Tau Sigma, President; Pi Delta Epsilon, Historian; Blacksburg Junior Chamber of Commerce; Who's Who Among Students in American Colleges and Universities; Fact-finding Board, Chairman; Virginia Tech, Feature Staff; Steering Committee of VPI Development Foundation.

HUMBERT, CALVERT HALE JR.; Sgt., Co. E; Society of American Military Engineers; Forestry Club.

HUNNICUTT, THOMAS NATHANIEL IV; Chi Epsilon; American Society of Civil Engineers; American Road Builders Association, President; Association of Married Students; Rifle Club.

HUNT, THOMAS HAROLD

HUNT, WILLIAM E.; Black Diamond Club; F.L.E.

HYPES, CARLYSLE D.; Association of Married Students; Intramurals, Bowling.

INNMAN, JAMES RAY; American Society of Mechanical Engineers.

ISELEY, CHARLES WILLIAM; Co-operative Engineering Society, Physics Club; Newman Club; Swimming; Cave Club; Radio Amateur Club.

JACKSON, CHARLIE McCOMAS; Institute of Aeronautical Sciences; Tau Beta Pi; Kappa Theta Epsilon.

JACKSON, JOHN ELMER; American Institute of Industrial Engineers; Civilian Senator; Association of Married Students; Intramurals, Softball; Student Church Relationship Committee.

JANOWITZ, LARRY LEON; Hillel Club; Intramurals, Football; Glee Club, Concert Manager, President.

JASKOWIAK, PHILIP ADAM; Alpha Kappa Psi, Professional Program Secretary; Distributive Education Clubs of America; Norfolk Club; Newman Club, President; Blacksburg Jaycees; Piedmont Province Newman Clubs, Chair-

man, Who's Who in American Universities and Colleges.

JENKINS, H. DWIGHT; American Society of Mechanical Engineers.

JENKINS, JORDAN MALLORY JR.; 2nd Lt., Co. E; Phi Sigma; Agronomy Club; Southside Club; Intramurals, Basketball, Football, Softball; Varsity Baseball; Rifle Club.

JOHNSON, JAMES WALLACE; American Society of Society Engineers; American Road Builders Association, Secretary.

JOHNSON, RAMON HAMPTON; 1st Lt., Sqdn. D; Sigma Delta Psi, President; German Club, Executive Committee; Monogram Club, Treasurer; American Institute of Electrical Engineers; YMCA; Intramurals, Senior Manager; Varsity Track, Captain.

JOHNSON, THOMAS PALMER JR.; VIRGINIA TECH; Omni Vox; Kappa Delta Sigma; Norfolk Club; Intramurals, Basketball, Bowling, Tennis.

JOHNSTON, ALBERT SIDNEY; Sigma Pi Sigma; American Nuclear Society; Physics Club, President; Judo Club, Canterbury Club, Vice President.

JONES, ANN ELIZABETH; Home Economics Club.

JONES, CLINTON MEAD JR.; American Society of Mechanical Engineers; Institute of Aeronautical Sciences; Emporia Club; Canterbury Club; Jazz Club.

JONES, ENOCH MORSE; Tau Beta Pi; Pi Tau Sigma; American Society of Mechanical Engineers; Institute of Aeronautical Sciences; Varsity Golf.

JONES, JOSEPH HALLIS; Smokeless Coal Club; Newman Club; AIEE-IRE.

JONES, JOSEPH HOLLIS; Smokeless Coal Club; Newman Club; American Institute of Electrical Engineers; Institute of Radio Engineers.

JOYNT, JOHN B.; Cafeteria Club; Newman Club; American Dairy Science Association; American Society of Agronomy.

JURKOVICH, MARK THOMAS JR.; American Society of Civil Engineers.

KAISER, CRAIG LEE; Alpha Kappa Psi; Bugle; Delta Sigma Chi; Seminole Club; Intramurals, Basketball, Football, Cross-Country.

KAO, SAMUEL C.; Physics Club; Cosmopolitan Club; Chinese Club; Wesley Foundation.

KEELING, JOHN FONTAINE; 2nd Lt., Co. K; Intramural, Football; Varsity Track; German Club; Honor Court.

KEESECKER, GARY RICHARD; American Institute of Electrical Engineers.

KEITHLY ROBERT POLLARD JR.; Agronomy Club, Corresponding Secretary, President; Feda Club, Secretary.

KELLY, JAMES EDWARD; Intramural, Football.

KENDALL, THOMAS GARNETT; Rural Sociology Club.

KENNAN, JAMES SIDNEY; Capt., Co. F; Alpha Zeta; Scabbard and Blade; Association of the United States Army; Cadet Senate; TECHNIQUE; Rural Sociology Club, Vice-president; Circle K Club, Secretary, President; Canterbury Club; Distinguished Military Student.

KERNS, TERRILL DANIEL; Future Farmers of America; Westminster Fellowship.

KERSTETTER, JOHN CHARLES; American Society of Mechanical Engineers; Association for the Advancement of Engineers; Rifle Club; Intramurals, football, basketball.

KIDD, RICHARD EDDIE; Black Diamond Club; Kappa Delta Sigma; Intramural, Football, Volleyball, Basketball.

KIGHT, S. WILLIAM JR.; CSB Senator; American Institute of Chemical Engineers; Delta Pi Zeta; YMCA.

KILGORE, ROBERT BRUCE; American Institute of Electrical Engineers.

KIRCHMIR, RAYMOND STANLEY; Capt., Co. E; Norfolk Club; Newman Club; Intramurals, Football, Basketball, Softball; Cotillion Club, Executive Committee; '59 Class Treasurer; Distinguished Military Student; Cadet Honor Court, Assistant Defense Attorney, Jury Foreman; Biology Club; Hat Trick Committee.

KLEIN, HERBERT FRANKLIN; Pvt., Co. K; Alpha Phi Omega; American Institute of Chemical Engineers; Hill Club; Cave Club; Rifle Club; Committee of Religious Emphasis Week Chairman.

KNOWLTON, JOHN WELLINGTON; Pi Delta Epsilon; VIRGINIA TECH; Feature Writer; American Institute of Electrical Engineers; Institute of Radio Engineers; Electrical Engineering Symposium, Chairman.

KOSKO, JAMES REGIS; American Society of Mechanical Engineers; Newman Club; Baseball, Football; Freshman Football.

KOETHCKE, JOHN M.; Westminster Fellowship, Intramurals; Football, Softball, Freshman Track Manager, Hat Trick Committee.

KRAMER, WILLIAM HOWARD;

American Institute of Chemical Engineers.

KRONMEISTER, BILLY GRAY; Transfer from Richmond Division Virginia Polytechnic Institute.

LANDOLT, RAYMOND EUGENE

LASTER, HENRY DEWEY; American Institute of Electrical Engineers.

LAVINDER, SAMUEL SIDNEY

LAW, TROY AMOS; American Society of Agricultural Engineers.

LAWRENCE, ROBERT VERNON; 1st Lt., 2nd Bn. Staff; American Institute of Chemical Engineers; Richmond Club; Westminster Fellowship; Intramurals, Rifle; Assistant Adjutant, 2nd Bn. Staff; Rifle Club.

LAYNE, JERRY MORTON; Westminster Fellowship; Intramural Basketball; Program Director of WUVT; Arnold Air Society; Pershing Rifles.

LEA, ELLIS; Sgt., Co. G; American Society of Mechanical Engineers; Intramurals, Basketball, Bowling, Rifle; Varsity Rifle Team; Rifle Club; Monogram Club.

LEA, THURMOND CARLYLE JR.; German Club; Apple Club, Rappahannock Party Club; Canterbury Club; Sigma Alpha Tau; '59 Ring Committee; '59 Class Vice-president, Intramurals; Football, Softball, Bowling.

LEACH, CHARLES MARION; Glee Club; Delta Pi Zeta; American Society of Agricultural Engineers; Intramurals, Football.

LEARY, RICHARD LEE; Sigma Gamma Epsilon; Delta Pi Zeta; Holden Society; Baptist Student Union.

LECHNER, RICHARD ALBERT; Pi Tau Sigma; Honor Court, Bailiff; American Society of Mechanical Engineers; Wesley Foundation; Methodist Church Choir.

LEE, CARL ROCCO; American Society of Civil Engineers, Treasurer; American Road Builders Association.

LEE, JOSEPH UPTON; American Institute of Industrial Engineers; Senator; Track Team; Cotillion Club; Intramurals, Track, Football, Volleyball, All Intramural Team.

LESTER, HAROLD CONRAD; Phi Theta Kappa; Kappa Theta Epsilon; Pi Tau Sigma; Tau Beta Pi; Norfolk Club; American Society of Mechanical Engineers; Intramurals, Basketball, Football.

LEWIS, HUDNALL JOHNSON; American Chemical Society; Chemistry, Treasurer, President; Delta Pi Zeta, Secretary.

LEWIS, WILLIAM KENNETH; Sigma Pi Sigma; American Nuclear Society; Canterbury Club; Physics Club, Treasurer; Judo Club, Treasurer, President; Rifle Club.

LINDSAY, GENE HARRIS; Holden Society.

LITTEN, BENJAMIN MATTHEW; Intramurals, Tennis, Basketball, Badminton, Transfer from Richmond Branch.

VON LOESCH, EUGENE HERMAN; American Society of Mechanical Engineers; Caf Club; Piedmont Club; Lutheran Student Association; Intramural Rifle.

LOHR, LYDIA LATIMER RICE

LONG, HENRY ARLINGTON; Maj., Regt. Staff; Regimental Intelligence Officer; Arnold Air Society; Pi Delta Epsilon; WUVT; VIRGINIA TECH; BUCKLE; Publications Board; Capitol Club; Intramurals, Basketball, Bowling; Assistant Corps Public Relations Officer; Corps Public Relations Officer, Scabbard and Blade.

LONGEST, ALBERT WINFRED; A.I.C.E.; Secretary; Co-Op Engineering Club; Tau Beta Pi; Phi Lambda Upsilon; Theta Kappa Epsilon.

LOVIN, JAMES CARROLL; American Institute of Chemical Engineers; Co-operative Engineer.

LUCAS, EARL SHOW JR.; Emporia Club, President; American Society of Mechanical Engineers; Intramurals, Football.

LUCAS, EDWARD MASSENBURG PARKER; Emporia Club.

LUCAS, HUGH HAMPTON; 2nd Lt., Sph. A; American Society of Mining and Metallurgical Engineers; Burkhardt Mining Society; YMCA; Intramurals, Basketball, Football.

LUCAS, WILLIAM GRAVES; Sgt., Sph. O; Arnold Air Society; American Society of Mechanical Engineers; Co-operative Engineering Society; Baptist Student Union; YMCA, Vice-president; Cave Club; Shenandoah Valley Club, Director of Freshman Camp; Intramurals, Football.

LUND, DONALD H.; Pi Delta Epsilon; Delta Kappa Sigma; Publications Board; Feature Writer, VIRGINIA TECH; Editor-in-Chief, 1959 BUGLE; Feature Writer for Radford College GRAPURCHAT; Editor of Blacksburg Jaycees TIPSTER; Editor of PIEDMONT PULSE, Newman Club Province Newspaper; Fact-Finding Board; CSB Senate; Apple Club; WHO'S WHO IN STUDENTS AT VPI; Neily and Meredith's Social Club.

LUSK, HAROLD BLAINE; American Society of Mechanical Engineers.

LUTTRELL, RICHARD WHITFIELD; Monogram Club; Golf Team.

MAHE, BURLIN SUANSON; Gun Club; New River Club, American Society of Civil Engineers.

MAHRY, HERBERT DONALD

MANN, JAMES EDWARD JR.; Tau Beta Pi; Recording Secretary; American Society of Mechanical Engineers; Engineering Mechanics Society, President; Inter-Varsity Christian Fellowship, President.

MANN, RICHARD MONROE; 2nd Lt., Co. F; Alpha Zeta; Future Farmers of America, Treasurer; Preshing Rifles.

MANN, WILLIAM WOOD; Chi Epsilon, Secretary; Delta Pi Zeta; Sigma Lambda; Richmond Club; Intramurals, Tennis; American Society of Civil Engineers.

MANNAS, DONALD ALBERT; Sigma Gamma Epsilon; Alpha Mu; Capitol Club; Association for the Advancement of Engineering; American Society for Metals, Secretary, Chairman; Intramurals, Basketball.

MARKS, AUBREY POPE; Horticulture Club secretary; FEPA, President; Intramural Football and Softball; Cotillion Club.

MARSHALL, BURTON McCLURE; American Society of Civil Engineers; Delta Pi Zeta; Association for the Advancement of Engineering; American Road Builders Association; Transfer from Richmond Division.

MARSHALL, WILLIAM CRAIG; Capt., Sqdn. B; Black and Bridle, Marshal; Seminole Club, Treasurer, President; Meat Judging Team; 4-H Alumni Club; Manager of the Little International; Intramurals, Football.

MARTIN, DAVID TERRY; First Lieutenant in Company K; Association of the United States Army; Richmond Club; Canterbury Club; Intramural Track, Swimming and Bowling; Episcopal Dormitory Rep.

MASK, JOHN ALBERT; Pvt., Sqdn. A.

MASSEY, SHEFFEY NEWTON JR.; Tau Beta Pi; Eta Kappa Nu; Pi Delta Epsilon; Honor Court, Assistant Prosecuting Attorney; BEGLE; Publications Photographic Staff, Director; American Institute of Electrical Engineers; Glee Club; Pi Tau Chi, Vice President; Wesley Foundation Wesley Singers.

MAYS, JAMES EDWARD; 2nd Lt., Co. E; Cotillion Club; Society of American Military Engineers; American Society of Mechanical Engineers; Lynchburg Club; Intramurals, Football, Basketball, Track, Softball; Varsity Track.

McGEE, JAMES GUYGNIN; Sergeant

Company B; Co-operative Engineering Society; Distinguished Military Student.

McKENZIE, BENNY MODOC; Completed the Platoon Leaders Class in the Marine Corps.

McPHERREN, ROBERT ALEXANDER II; Norfolk Club; Bowling, Softball.

MEFFORD, WILLIAM TINSLEY; American Society of Mechanical Engineers; Co-operative Engineering Society.

MEINTEL, ALFRED JOHN JR.; American Society of Mechanical Engineers.

MENCARINI, JOSEPH; Association of Married Students.

MEUSEL, WILLIAM LEONARD JR.; 2nd Lt., Sqdn. N; Tau Beta Pi; Institute of Radio Engineers; BUZZ; Amateur Radio Club; Co-operative Engineering Society; Association of Married Students; Lutheran Students Association; Association for the Advancement of Engineering; Intramurals, Bowling, Rifle, Football; Varsity Golf, Varsity Tennis; Eta Kappa Nu; Kappa Theta Epsilon; Distinguished Military Student.

MICALE, NICHOLAS; American Society of Mechanical Engineers; Capitol Club; Rifle Club; Newman Club; Intramural Football and Softball; Delta Pi Zeta Vice-President Class of '59.

MIHALAS, NICHOLAS MICHAEL; 2nd Lt., Co. H; American Institute of Chemical Engineers; Monogram Club, Vice-president; Freshman Football, Varsity Football, Baseball; '59 Ring Dance Committee; All-Chemical; All-American Football; Distinguished Military Student.

MILLER, CARROLL HORSLEY; American Institute of Electrical Engineers; Intramurals, Bowling.

MILLER, DANIEL BERNARD; FIE; Agricultural Economics Club; Wesley Foundation; Intramurals, Football, Softball.

MILLER, FRANK LEE JR.; Sgt., Co. M; American Society of Civil Engineers; American Road Builders Association; Shenandoah Valley Club; Intramurals, Football, Softball; Varsity Track; Cross-Country Team.

MILLER, PATRICIA ANN; Phi Sigma Society; Home Economics Club; Hillcrest House Council; Westminster Fellowship-Council, Vice-president; YWCA, Vice-president, Cabinet; Intramurals, Basketball; Danforth Foundation Fellowship; Agricultural Exposition Princess; '59 Ring Committee.

MILLER, THOMAS PRICE; Capt., 3rd Bn. Staff; Society of American Military Engineers; Cadet Senator, Executive Committeeman, Executive

Committee Vice-chairman; Commander Regimental Color Guard; Assistant Regimental S-S; Glee Club; Graduation Announcements Committee, Chairman; '59 Ring Dance, Uniform Committee; Future Business Leaders of America, Vice-president.

MISTR, ALFRED FRANK JR.; 2nd Lt., Sqdn. D; American Institute of Electrical Engineers; 4-H Alumni Club; Wesley Foundation; Intramurals, Tennis; '59 Ring Dance, Lighting Committee.

MITCHELL, THOMAS FRANKLIN; Omicron Delta Kappa; Alpha Pi Mu; Hampton Roads Club, American Institute of Industrial Engineers; Y.M.C.A.; Baptist Student Union; Intramural Basketball and Softball; Delta Pi Zeta Social Fraternity; Vice President of the Civilian Student Body; Pre-centennial Development Committee; Student Activities Committee; Civilian Honor Court; Who's Who in American Colleges and Universities; Invitation Committee-Class of '59.

MONGAN, BRENTON SYLVESTER; American Institute of Industrial Engineers; Association of Married Students.

MOORE, JAMES WILLIAM JR.

MOORE, THEODORE PHILLIP; Sgt., Co. K; Intramurals, Volleyball, Bowling, Softball; Distinguished Military Student.

MORIE, PAUL ALEXANDER; Fredericksburg Club; Agricultural Economics Club, Secretary.

MORRELL, WILLIAM EDWARD; American Society of Mechanical Engineers.

MORRIS, BENJAMIN MONROE; Supply Sgt., Sqdn. A; Southside Virginia Club; Intramurals, Football, Softball.

MORRISON, DONALD CORNELIUS; Maj. Regt. Staff; Association of the United States Army; Corps of Cadets, Secretary, President; Biology Club; Wesley Foundation; Intramurals, Football, Softball, Basketball, Golf; Cadet Senate, Secretary, President; Member of Athletic Council; Student Activities Committee; Corps Minstrel, End Man; Regimental Special Services Officer; Corps Executive Committee Advisor; Cadet Honor Court Advisor; Steering Committee; Who's Who in American Colleges and Universities.

MOSELEY, CLARENCE WILLIS JR.; American Society of Mechanical Engineers; Lynchburg Club, Treasurer; Intramural Basketball, Football, Bowling; Varsity Basketball.

MOSS, WILLIAM FRANKLIN; Poultry Science Club; Northern Neck Club, Secretary; Richmond Club; F.I.E.; Civilian Senate; YMCA; Intramural Bowling, Basketball, Football.

MUDDIMAN, FRED D.; American Society of Mechanical Engineers;

Alpha Psi Omega; American Institute of Industrial Engineers; Maroon Mask.

MUGLER, MICHAEL JOSEPH; 1st Sgt., Sgdn. D; Amateur Radio Club; Hampton Roads Club; Newman Club; Intramurals, Softball, Track.

MULLINS, BETTY JEAN; Pi Delta Epsilon; BUGLE, TECHNIQUE, Secretary; Lanesome Pine, Reporter, Recorder, Treasurer; Home Economics Club, Vice-President, President, Ring Dance Favors Committee; Agriculture Exposition, Secretary, YWCA.

MUNCY, CHARLES PEERY; Black Diamond Club; Kappa Delta Sigma; Intramural Football.

MUNEY, JOE McKINNEY; American Institute of Electrical Engineers; Judo Club, Secretary.

MUIR, JOHN ANDREW; German Club; Glee Club; Westminster Fellowship; Delta Kappa Sigma; Treasurer, Future Business Leaders of America; Lynchburg Club; Meredith's and Neily's Social Club.

MUNDY, RICHARD ADDISON; Phi Lambda Epsilon.

MUNSKY, THOMAS EDWARD; American Society of Civil Engineers.

MURRAY, SAMUEL JUDSON; Alpha Phi Omega; Pi Tau Chi; American Institute of Industrial Engineers; Wesley Foundation; Intramurals, Football.

MUSE, LEONARD ALVAR; Senator; Monogram Club, President; Rifle and Pistol Club, President; Sigma Delta Psi, President; American Road Builders Association, Vice-president; Intramural Senior Civilian Manager; Cave Club, Secretary and Treasurer; Varsity Track, Captain.

MYERS, DONNIE CARL; Alpha Kappa Psi.

MYLES, DAVID TURPIN JR.; Phi Eta Sigma; American Institute of Electrical Engineers; Wesley Singers; Intramurals, Basketball.

MCCARTY, WILLIAM FRANKLIN; Northern Neck Club; President; Future Farmers of America.

MCGEHEE, ROY A.; American Society of Mechanical Engineers.

MCINTOSH, BRUCE II; Block and Bridle Club; Apple Club, Treasurer.

MCKENZIE, FRANK WAYNE; American Institute of Industrial Engineers; Civilian Student Body Senate; Black Diamond Club; Maroon Mask.

MCMASTER, JAMES TURNER; 2nd Lt., Sgdn. A; Co-operative Engineering Society; Intramurals, Track, Football.

NASH, CAMILLUS ALBERT JR.; American Society of Civil Engineers.

NEAL, ROBERT LEE III; Alpha Kappa Psi; Delta Pi Zeta Broom Club; Tau Beta Chi; Danville Club; Intramurals, Football.

NEIDHARDT, JOHN WENDEL JR.; Sgt., Co. F, Keramos, President; Student Branch of American Ceramic Society; Newman Club; Intramurals, Basketball; Freshman Basketball.

NEILY, WARREN SANDERS; Va. Tech Forester, Business Manager; Forestry Club.

NG, LOCKSLEY HON-KEONG; Chi Epsilon, Treasurer; American Society of Civil Engineers; Cosmopolitan Club, Treasurer.

NICHOLS, MAHLON GUS III; 2nd Lt., Co. G; Alpha Phi Omega; Corresponding Secretary; Forestry Club Annual, Business Manager; Fredricksburg Club; Forestry Club; Intramurals, Rifle, Football; Varsity Rifle Team; Monogram Club.

NICHOLS, RICHARD CROCKETT JR.; American Society for Metals; Association for the Advancement of Engineers; Monogram Club; Freshman Football; Varsity Football, Track.

OAKES, JAMES MARVIN

OLIVER, WILLIAM WASHINGTON V; Capt., Sgdn. A; Alpha Zeta, Scribe; Block and Bridle Club; Arnold Air Society; Agricultural Exposition, Banquet Chairman; 4-H Alumni Club; Livestock Judging Team.

OLSEN, WILLIAM CLARK; Pi Delta Epsilon; BUGLE Staff, Sports Editor; American Society of Mechanical Engineers; Norfolk Club; Glee Club; Honor Court.

OVERFIELD, ROBERT ANTHONY; 2nd Lt., Co. L; American Nuclear Society; American Institute of Electrical Engineers; Physics Club; Norfolk Club; Canterbury Club; Intramural Football; Cadet Honor Court; Investigating Committee Chairman.

OVERSTREET, CLARENCE RONALD; 2nd Lt., Sgdn. S; Alpha Phi Omega; Roanoke Club; Baptist Student Union; Intramural Softball, Football, Track.

OWEN, HENRY CARRINGTON; Southside Virginia Club.

OWEN, SAMUEL S.; American Society of Mechanical Engineers; Wesley Foundation.

PADDOCK, DAVID ANDERS; Company G; Rank, 2nd Lt., American Society of Mechanical Engineers; Cadet Senate; VPI Rifle Team; Publicity Committee, Class of '59.

PALMER, WILLIAM JACKSON; American Institute of Electrical Engi-

neers; Institute of Radio Engineers; Association of Married Students.

PANG, SHIH HAW; Mining Engineering Club.

PANNILL, HARRY LEE; Capt. S-3, 1st Group Staff; Arnold Air Society, Treasurer; Agricultural Engineering Club; Agricultural Economics Club, Vice President; Baptist Student Union; Intramural Football, Softball; Amateur Radio Club; Distinguished Military Student; Co-op Student.

PARKS, LESTER CORBIN JR.; 1st Lt., Sgdn. O; Sigma Mu Sigma, Secretary, Vice-President, President; Eastern Shore Anchor Club, President; Wesley Foundation; Intramurals, Football, Softball, Chess.

PASTERNAK, DEXTER JOHN; 2nd Lt., Co. Band; Chi Epsilon; American Society of Civil Engineers; American Road Builder's Association; Newman Club; Collegiate; Association of United States Army; Scabbard and Blade Society, Co-op Student.

PAYNE, EARLE FRANCIS; American Institute of Electrical Engineers; Capital Club; Canterbury Club.

PAYNE, ROBERT NOTTINEHAM; Honor Court, Defense Council; Civilian Senate; Dairy Club; Apple Club, President; Tau Epsilon Kappa.

PEABODY, WILLIAM ALDEN; American Society of Mechanical Engineers; Intramural Wrestling and Football; Richmond Club.

PEREIRA, JOSEPH JAMES; Pi Tau Sigma; Tau Beta Pi; Phi Kappa Phi; American Society of Mechanical Engineers; Kappa Theta Epsilon, Treasurer; Alpha Phi Omega, Second Vice-president; Co-operative Engineering Student; Disciples Student Fellowship, President; YMCA, Cabinet; Life Saving Corps.

PHILLIPS, PERVIS BURTON; Company I; Rank, Supply Sgt.; American Society of Civil Engineers; Agronomy Club; Baptist Student Union; Executive Council; Cosmopolitan Club.

PIRRUNG, JOHN DAN; American Institute of Electrical Engineers; Roanoke Club.

POMEROY, CHARLES WILSON; 2nd Lt., Sgdn. A; Alpha Phi Omega; Apple Club; American Association of Civil Engineers; Intramural Bowling, Football.

POOLE, CHARLES BERNARD; Sgt., Co. Band; Gockade Club; Agricultural Economics Club, Treasurer; Baptist Student Union, Group Captain.

POVLICH, JOHN FRANCIS III; Capt., 1st Group Staff; American So-

ciety for Metals; Intramural Basketball; Arnold Air Society; Scabbard and Blade; Pershing Rifles; Alpha Phi Omega.

POWELL, DAVID CHARLES; American Society of Mechanical Engineers; Baptist Student Union; Varsity Football, Softball.

PRICE, DON ANDREW; Capitol Club; Association of Married Students, Member-at-Large on the Board of Directors; Intramurals, Bowling, Swimming; *Buckle*, Class Editor.

PRICE, STUART HENDERSON; 2nd Lt., Sqdn. S; Sigma Gamma Epsilon; American Institute of Mining Engineers; Burkhardt Mining Society.

PRIODE, CARL BENJAMIN; Capt., 2nd Bn. Staff; Scabbard and Blade; Association of the United States Army; American Society of Agricultural Engineers, Scribe, Secretary; Shenandoah Valley Club; Wesley Foundation; Intramurals, Football, Basketball, Softball.

PUGH, WILLIAM SYDNOR; Association of General Contractors; Delta Kappa Sigma; Cotillion Club.

PYNE, FRANK BURTON; 1st Lt., Sqdn. A; Block and Bridle Club; Arnold Air Society; Cotillion Club; Apple Club; Wesley Foundation; Intramurals.

RAGSDALE, THOMAS WALKER; Richmond Club, Secretary; Intramurals, manager, Basketball, softball, football; FEDA; FIE.

RAKESTRAW, JAMES WILLIAM JR.; 2nd Lt., Co. M; Omicron Delta Kappa; Kappa Theta Epsilon; Pi Delta Epsilon; Sigma Pi Sigma, Secretary; VIRGINIA TECH ENGINEERS, Editor; Publications Board; Intramurals, Football, Track; Society of American Military Engineers; American Nuclear Society; Cave Club; Distinguished Military Student; Physics Club; Institute of Radio Engineers.

REA, CHARLES PHILLIP; 1st Lt., 1st Group Staff; Arnold Air Society, Operations Officer; Scabbard and Blade Society; Cadet Senate; Institute of Aeronautical Sciences; Rifle Club; Southside Virginia Club; Intramural Football; Co-op Student; First Group Staff, Public Information Officer, Military Ball.

REID, JOHN CLIFTON; American Society of Mechanical Engineers.

REID, JOHN MALCOLM; 2nd Lt., Co. I; Omicron Delta Kappa; Sigma Pi Sigma; American Nuclear Society; Cadet Senate; Honor Court; Shenandoah Valley Club; YMCA, Secretary, Vice-President, President; Baptist Student Union; Physics Club.

REYNOLDS, EDWARD JEROME, JR.; Alpha Pi Mu President; American Institute of Industrial Engineers; German

Club; Tau Beta Pi; Omicron Delta Kappa.

RHODES, SMITH ALBERT; Kappa Theta Epsilon, Secretary; Eta Kappa Nu, Vice-president; Tau Beta Pi; VIRGINIA TECH; American Institute of Electrical Engineers; Institute of Radio Engineers; Intramurals, Softball, Football.

RICE, JOHN H. JR.; VIRGINIA TECH; Pulaski Club; Canterbury Club; American Institute of Architects.

RICHARDS, ROBERT BAKER JR.; Institute of Aeronautical Sciences.

RICHARDSON, JOHN NORTH; Horticulture Club; Richmond Club.

RICHARDSON, WINFIELD WALTER; Civilian Senate; American Nuclear Society; Physics Club, Association of Married Students.

RIDDLE, CARL EDWARD; 2nd Lt., Sqdn. B; WUVT; Co-operative Engineering; Westminster Fellowship; Intramurals, Bowling, Golf; Pi Delta Epsilon.

RIDDELL, JOHN FREDERICK; Tau Beta Pi; Sigma Gamma Tau; Institute of Aeronautical Sciences.

RIFFE, ROY HOBART JR.

RIGBY, LEE ANDERSON; 1st Sgt., Sqdn. O; Intramurals, Football, Basketball; Swimming Team; Freshman Basketball.

ROBINETTE, DAVID PRESTON; Future Farmers of America; Lonesome Pine Club.

ROLLER, EDGAR WALTON

ROSS, HERBERT GORHAM JR.

ROSENBAUM, CURTIS; Association of General Contractors; Cotillion Club.

ROTH, ANDREW THOMAS JR.; American Society of Civil Engineering; Norfolk Club; Tau Epsilon Kappa, Vice-president; Newman Club; Intramurals, Football, Softball; Interdorm Council.

RUBENSTEIN, FREDERICK VICTOR; American Institute of Industrial Engineers, President; Hillel Club; Religious Emphasis Week, Executive Committee.

RUSH, CHARLES HARWOOD JR.; American Institute of Electrical Engineers; Sigma Lambda; Intramurals, Basketball, Football, Softball.

SALLO, BUDD; American Institute of Electrical Engineers; Institute of Radio Engineers.

SALMON, WALLER LAWRENCE JR.; American Society of Civil Engineers, President; American Road

Builders Association, Secretary; Association of Married Students; Intramurals, Softball.

SAUNDERS, RALPH LISS; Alpha Kappa Psi; FIE; Phi Kappa Phi.

SAUNDERS, WILLIAM LEE; Agronomy Club.

SCHOELLER, RICHARD JR.; Pi Tau Sigma; American Society of Mechanical Engineers; CSB Senator; Co-operative Engineering Society; Baptist Student Union; Honor Court, Defense Council, Chairman Civilian Honor Council; Delta Sigma Chi, Treasurer.

SCOTT, RUFUS FORREST; American Society of Mechanical Engineers.

SCOTT, WILLIAM DONALD; American Society of Civil Engineers; American Road Builders Association; Black Diamond Club; Rifle Club; Wesley Foundation.

SEBEST, ALBERT EDWARD; American Society of Mechanical Engineers; Intramurals, Football; Varsity Football and Baseball, Sigma Alpha Tau.

SEESE, VERNON LEROY; Pvt., Co. C; Pershing Rifles; Alpha Kappa Psi; Intramurals, Football, Track.

SELBY, BETTY JEAN; Pi Tau Chi; Phi Sigma; Home Economics Club; YWCA; Wesley Foundation, Secretary.

SELLERS, KENNETH HALE; Maj., 1st Group Staff; Scabbard and Blade; Arnold Air Society; Alpha Kappa Psi; Cadet Senator; Norfolk Club; Cotillion Club.

SENEEZ, ERNEST DAVIS; Capt., Co. G; Phi Sigma Xi, President; Alpha Zeta, Treasurer; Phi Sigma Society; Scabbard and Blade; Association of the United States Army; Virginia Tech Forrester, Editor; Alpha Zeta, Newsletter, Assistant Editor; Forestry Club, Secretary, President; Regimental Color Guard, Who's Who in American Colleges and Universities.

SENER, MARGARET GENE; CSB Senator, Secretary; Hillcrest House Council, Freshman Advisor, Senior Representative, President; *Buckle*; Biology-General Science Club; Rousek Club; Canterbury Club; YWCA, Secretary, Vice-president; Student Activities Committee, Co-ed Representative; '59 Ring Dance Decorations Committee; Who's Who in American Colleges and Universities.

SETTLES, RONALD DEAN; Physics Club; Sigma Pi Sigma, Treasurer; American Nuclear Society.

SENTON, BILLY JOE

SHAFFER, SAMUEL DRESHER; 1st Lt., Co. H; Honor Court, Investigating Committee Chairman; German Club; Monogram Club, Secretary; Canterbury Club; Freshman Football, Varsity Football.

SHAGENA, JACK LESTER JR.; American Institute of Electrical Engineers; Institute of Radio Engineers.

SHARRETT, JAMES HERBERT; American Society of Mechanical Engineers, President; Norfolk Club; Gullion Club; Delta Kappa Sigma, Secretary; Newman Club; Intramurals, Football, Basketball, Softball, Volleyball.

SHELTON, DOUGLAS KENT; American Society of Mechanical Engineers; Phi Tau Sigma.

SHELTON, NORMAN THOMAS; 2nd Lt., Co. I; Association of the United States Army; Honor Court; Franklin County Club, Secretary, President; Baptist Student Union; Intramurals, Touch Football, Basketball; Glee Club; Treasurer and Athletic Officer, Co. I.

SHEREDA, DAVID THOMAS; Delta Pi Zeta; Cave Club, Vice-president; Baptist Student Union.

SHORT, DABNEY EPPES JR.; American Society of Civil Engineers; Holden Society; American Society of Mechanical Engineers; Math Club; Cadet Senate; Civilian Senate; Petersburg-Hopewell Club; Petersburg Club; Wesley Foundation; Intramurals, Football; Cadet Honor Court Jury, Alternate, Regular; Cadet Hat Trick Committee; FEPA Dorm Club.

SHORT, DENNY MARVIN; Pvt., Co. K; Pi Tau Sigma; American Society of Mechanical Engineers; Association of Married Students; Baptist Student Union.

SHOW, DONALD LEWIS; Col., Regt. Staff; Alpha Zeta; Phi Sigma; Omicron Delta Kappa; Pershing Rifles, 2nd Lt.; Arnold Air Society, Commander; Scabbard and Blade.

SHULER, FRED AMOS; Agriculture Economics Club, Vice Pres.; Disciples Student Fellowship; Intramural Football; CAFI Dorm Club.

SILVERSTEIN, MARVIN; Institute of Radio Engineers; Hillel Club; Co-operative Engineering.

ZIRKLE, SYLVIA BURNETTE; Home Economics Club; Baptist Student Union; Intramurals, Basketball; Association of Married Students.

ACKNOWLEDGMENT

The BUGLE greatly appreciates the fact that its contents are engraved and printed by two of the finest companies in the United States, the C.W. Warthen Company, and Lynchburg Engraving Company, both of Lynchburg, Virginia. Mr. Bill Burton, Vice-President of C. W. Warthen has treated the BUGLE as his very own for many years. He has given much aid and advice to the past editors and business managers, and always the man to have around in case of deadline troubles. Mr. Bill Blackwell, Sales Manager of Lynchburg Engraving, is the man who greatly helps the editor lay out his book. His help all during the actual work period is most valuable.

Of course, if it were not for the photographer, the Printer and Engraver would have no work to do. Andre Studios of Lexington has been doing the photography for the BUGLE for a long number of years. Taking pictures for an annual is a very rough job. Mr. Brainard McClung, of Andre's, has been taking pictures for the BUGLE for many years—his work is good, and we certainly thank him for his time, friendship, and excellent copy.

The Photographic Staff here at Tech, composed of student photographers, has also aided us no end. My personal thanks to Dave Gregor and Jim Lawrence, for their time, patience, and good copy. Personal thanks are also in order to Tech Studios, of Blacksburg. Owned and operated by Mrs. Francis Houston, Tech studios has aided us a great deal in our work.

To our Faculty Advisor, Professor "Duke" Baird, we say "thanks". To those of us who know him well, his guidance, advice, and friendship, is treasured. "Duke" is one of the finest men on our teaching staff, an expert on publication's work and problems, and our "Father Confessor". My deep thanks to him for everything.

To any of those behind the scenes we may have forgotten, we say thank you.

DON LUND
Editor-in-Chief
1959 Bugle

CONGRATULATIONS

To the fine young men and women of Virginia Polytechnic Institute, we extend greetings and best wishes.

May we remind you that your academic training may qualify you for a brilliant future with Poly-Scientific Corporation.

SHOOTING FOR THE MOON

The thunder of gleaming rockets as they zoom into outer space foretells a new era in man's quest for knowledge: the space age.

Shooting for the moon used to mean attempting the impossible... but now, with the space age at hand, interplanetary flight is just around the corner. Brand new horizons are opening to man...and with them comes new challenges for all of us. Where shall we set our goals?

The rocket in its flight through space toward the moon is guided by men. It sets no goals for itself...nor does it recognize a challenge. Man is the controlling factor...man is the challenger. No matter what our calling in life, each of us can, in effect, "shoot for the moon" in establishing our goals... and then, set about accomplishing them with the solid "fuel" of determination.

The rockets conquering outer space are big and powerful... but only as long as they are directed and cared for by men. In our personal quest for new horizons, our "thrust" must come from within...from a willingness to accept challenges... and a determination to win no matter what the odds.

In the space age...as in Ages past, there will be no "formula" more potent than the power of the individual.

Designers and engravers of
the South's finest school
publications

LYNCHBURG, VIRGINIA

A Memorable Year

•

• Congratulations to the Student Body and Faculty of Virginia Tech upon the completion of another outstanding year of accomplishment.

• The Staff of your annual has worked exceedingly hard to give you a superb book that portrays the highlights of memorable activities. To preserve this excellent literary and photographic record, the best grades of material have been combined with skilled workmanship to provide the finest quality yearbook.

• We are proud that the 1959 Staff elected us to help design, print and bind the BUGLE. We have earnestly endeavored to fulfill the confidence placed in us.
