Good morning,

I am a Virginia Tech Master's student writing a thesis about residential energy assessments in Southwest Virginia entitled, "An Effort to Refine Home Energy Assessment Methods in Support of Retrofit Decision Making". I am writing to you as I site your 2008 EPS pilot report and would like to ask for permission to use some of your figures in my research paper which I plan to submit to my faculty. If you could please let me know if this is acceptable I would greatly appreciate it.

Thank you,

Teni Ladipo
