

Dear Mr. Bowen:

The Transportation Research Board grants permission to use your paper, "Flexural Behavior at Service and Ultimate Limit State of One-Way Concrete Slabs Reinforced with Corrosion-Resistant Reinforcing Bars," in your MS thesis, as identified in your request of May 15, 2013, subject to the following conditions:

1. Please cite the paper was presented at the 92nd Annual Meeting of the Transportation Research Board, January 2013, Washington, D.C., and accepted for publication in the 2013 series of the *Transportation Research Record: Journal of the Transportation Research Board* (forthcoming).
2. Please acknowledge that the material is reproduced with permission of the Transportation Research Board.
3. None of this material may be presented to imply endorsement by TRB of a product, method, practice, or policy.

Every success with your MS thesis. Please let me know if you have any questions.

Sincerely,

Javy Awan

Director of Publications

Transportation Research Board
