Hello, Mrs. Barber

I am writing my dissertation of Virginia Tech, and want to use figures in my published paper in TRR.

The title of the paper is "Pavement Shear Strain Response to Dual and Wide-Base Tires ", and it is on Issue 2225, Pages 155-164. The figures I use include:

Page 156, Figure 1

Page 159, Figure 3

Page 160, Figure 5

Could you help me for the copyright release, please? Thanks a lot!

Best regards

Wenjing Xue

Dear Ms. Xue:

The Transportation Research Board grants permission to reproduce three figures from your paper, "Pavement Shear Strain Response to Dual and Wide-Base Tires," coauthored with E. Weaver, in your dissertation, as identified in your request of May 6, 2013, subject to the following conditions:

1. Please cite the paper's publication in *Transportation Research Record: Journal of the Transportation Research Board*, No. 2225, Figure 1, p. 156; Figure 3, p. 159; and Figure 5, p. 160.
2. Please acknowledge that the material is reproduced with permission of the Transportation Research Board.
3. None of this material may be presented to imply endorsement by TRB of a

product, method, practice, or policy.

Every success with your dissertation. Please let me know if you have any questions.

Sincerely,

Javy Awan

Director of Publications

Transportation Research Board
