Dear Ms. Williams,

Hi! This is John Whitmore, I have previously spoken with you and other CLG staff regarding my thesis capstone research involving Urban Development Areas. Thank you for your assistance with the research, I am almost done! I am contacting you today regarding an image file (UDA localities) that was included with initial data that I received in July of 2012, that I have attached to this email.

I would like to include this photo into my thesis document to show the general locations of UDA affected localities. The photo would include the following citation below the image, in body text 12pt font:

Citation: Used with permission from the Commission on Local Government.

Please let me know if this is acceptable, if additional citation is required, or for general questions.

Thank you!

John Whitmore
