PROJECT NECK

VIDEO RECORDING AND PHOTO RELEASE CONSENT FORM

As part of this project, video recordings and photographs will be made of you during your participation in this research project. Please indicate below the uses of these video recordings and photographs to which you are willing to consent. This is completely voluntary and up to you. In any use of the video recording and photographs, your name will not be identified.

1. The videos/photographs can be studied by the research team for use in the research project.

   Initials

2. The videos/photographs can be shown to subjects in other experiments.

   Initials

3. The videos/photographs can be used for scientific publications.

   Initials

4. The videos/photographs can be shown at meetings of scientists interested in the study of [please fill as appropriate]

   Initials

5. The videos/photographs can be shown in classrooms to students.

   Initials

6. The videos/photographs can be shown in public presentations to non-scientific groups.

   Initials

7. The videos/photographs can be used on television and radio.

   Initials
You have the right to request that the recording be stopped or erased in full or in part at any time.

You have read the above description and give your consent for the use of video recording as indicated above.
