Vita

Christopher C. Chabalko was born on June 8th, 1977 in Cleveland, Ohio. He received his Eagle Scout award in 1993 and graduated from Tower Hill School in 1995. That same year, Christopher attended Virginia Polytechnic Institute and State University. In 1999, he was awarded a Bachelor's of Science degree in Engineering Science and Mechanics, and in 2001, he was awarded a Master's of Science in Engineering Mechanics from the same institution. Christopher began a doctoral program in Engineering Mechanics in 2003 and was awarded the degree of Doctor of Philosophy from Virginia Polytechnic Institute and State University, March 5, 2007.
