

Read Me

There are four files associated with this electronic dissertation. They are delineated in the following table:

1. readme.pdf	This file
2. etd.pdf	The main body of the dissertation
3. mike.ppt	A Microsoft <i>PowerPoint</i> file authored by a student, as described in <i>etd.pdf</i> , and linked to from there
4. mike.pdf	A PDF version of <i>mike.ppt</i>

This PDF version of ***mike.ppt*** is provided for those users who are unable to view *PowerPoint* files on their computing platforms. However, those who can are urged to do so because the *PowerPoint* version contains sounds and transition effects that cannot be rendered in PDF.

Melissa N. Matusevich
