

Vita

Sheng Wang was born in Tianmen, Hubei province, China on October 24, 1964. He graduated from Tianmen High School in 1982. He obtained his B.S. in chemistry from Wuhan University, China, in 1986. After getting his M.S. in polymer science from the Institute of Chemistry of Chinese Academy of Sciences in 1989, he stayed at the same institute as a research associate for 4 years. Then he spent two years at the Max-Planck-Institut für Polymerforschung in Mainz, Germany as a visiting research associate. In 1995, he moved to this country as a Ph.D. student at Virginia Polytechnic Institute and State University, where he finished his Doctoral Degree in 2000.
