

Acknowledgements

I would like to thank Dr. Pamela Weaver for her patience, encouragement, and long hours without which I could have never accomplished this task. There are no adequate words to convey my appreciation for all of the support.

I would like to thank my parents for instilling in me a determination to succeed and love of knowledge that were necessary foundations in my pursuit of this degree. The love and encouragement of my entire family kept me going through it all.

I would like to thank Dr. Muzaffer Uysal, Dr. Sue Murrmann, Dr. Frank Noe, and Dr. Joe Chen for their time and help.

I would finally like to thank all of my friends who, I feel fortunate to write, are too numerous to name. You listened to me complain, you celebrated all of my small victories, you gave me the will to go on, and you made me laugh when I needed to.

Thank You!!
