Electrochemical Studies of Copper-Activation of Sphalerite and Pyrite

Zhuo Chen

Dissertation submitted to the Faculty of the Virginia Polytechnic Institute and State University in partial fulfillment of the requirement for the degree of

Doctor of Philosophy
in
Material Engineering Science

R. -H. Yoon, Chairman
G. H. Luttrel
G. T. Adel
C.I. Basilio
J. D. Rimstidt

April 14, 1999
Blacksburg, Virginia

Keywords: Sphalerite, Pyrite, Copper-Activation, Electrochemistry, Flotation, Xanthate Collector
