

TABLE OF CONTENTS

	Page
CHAPTER ONE: INTRODUCTION.....	1
Intercultural Competence.....	2
Intercultural Competence and Goals of Education.....	2
Importance of Intercultural Competence.....	3
Virtue of Diversity.....	6
Goal of the Study.....	8
Assumptions and Research Questions.....	10
Significance of the Study.....	10
Organization of the Study.....	11
Definitions.....	12
CHAPTER TWO: LITERATURE REVIEW.....	15
Definition of Intercultural Competence.....	16
Culture.....	16
Definition of intercultural competence.....	18
Dimensions of intercultural competence.....	20
Concept distinctions.....	25
Contact Hypothesis.....	27
Brief History of Contact Hypothesis.....	27
Criteria.....	28
Person-Environment Interaction Theory	31
Optimal Mismatch.....	32

Reciprocal Shaping of Students and Environment.....	33
College Impact Theory.....	34
Factors Influencing Intercultural Competence.....	36
College Environment Variables.....	39
Summary.....	45
CHAPTER THREE: RESEARCH METHODOLOGY.....	49
Research Design.....	49
Unit of Analysis.....	50
Functional Framework.....	51
Instrument.....	54
Data Collection Procedures and Sample Descriptions.....	56
Validity and Reliability.....	57
Research Questions.....	61
Data Analysis Procedures.....	62
Variable Specifications.....	65
Summary.....	91
CHAPTER FOUR: DATA ANALYSIS.....	92
Level of Intercultural Competence.....	93
Effect of Intercultural Competence on Students' Self-Reported Gains.....	100
Effects of College Activities on the Development of Intercultural Competence.....	125
Summary.....	140
CHAPTER FIVE: DISCUSSIONS AND CONCLUSIONS.....	141
Relationships of Findings to Previous Research.....	142

The Influence of Intercultural Competence on Student Gains.....	143
College Activities Influencing Level of Intercultural Competence.....	144
Implications of the Study.....	150
Implications for Future Practice.....	150
Implications for Future Research.....	153
Limitation of the Study.....	154
Value of the Study.....	156
Summary and Conclusions.....	158
REFERENCE.....	161
APPENDIX A. Sample vs. Population.....	181
APPENDIX B. Comparison between the CSEQ Original College Activities Scales and the Reconstructed College Activities Scales.....	182
APPENDIX C. College Student Experiences Questionnaire 4 th Edition	188

LIST OF TABLES

	Page
Table 1. A Summary of Research that Identified Student Characteristics and College Factors Affecting the Development of Intercultural Competence.....	47
Table 2. Percentages of Student Background Characteristics in the Study.....	58
Table 3. Percentages of Institutional Sub-Environment Variables.....	59
Table 4. Descriptives of Intercultural Competence Scale Items.....	68
Table 5. Correlations among Items of Intercultural Competence Scale.....	69
Table 6. Results of Factor Analysis on Estimate of Gains.....	71
Table 7. Correlation Coefficients among the Extracted Student Self-Reported Gain Factors.....	73
Table 8. Multiple Regression Model 1a—Model 1e: Investigating the Net Contributions of Intercultural Competence to the Five Areas of Student Gains.....	76
Table 9. Multiple Regression Model 2: Investigating the Effects of Student Input Variables and College Environment Variables on Intercultural Competence.....	77
Table 10. Factor Analysis Results of CSEQ Students’ Perceived Institutional Environments.....	82
Table 11. Correlations among CSEQ College Activity Scales.....	84
Table 12. Correlations among the Reconstructed CSEQ College Activity Factors...	86
Table 13. Reconstructing College Activity Scales: Results of Factor Analysis on College Activity Items.....	87
Table 14. Levels of Intercultural Competence.....	94
Table 15. Standardized Coefficients of Students Characteristics on Intercultural Competence Scale and Its Items.....	98
Table 16. Model 1a Summary: Standardized Coefficients of Regression on Student Self-Reported Gains in General Education.....	102
Table 17. Model 1b Summary: Standardized Coefficients of Regression on Student Self-Reported Gains in Personal and Social Development.....	106

Table 18. Model 1c Summary: Standardized Coefficients of Regression on Student Self-Reported Gains in Science and Technology Development.....	110
Table 19. Model 1d Summary: Standardized Coefficients of Regression on Student Self-Reported Gains in Vocational and Practical Development.....	114
Table 20. Model 1e Summary: Standardized Coefficients of Regression on Student Self-Reported Gains in Intellectual Development.....	118
Table 21. A Summary of the Percentages of Unique Variances Accounted for by Blocks of Independent Variables in Model 1a to Model 1e.....	122
Table 22. A Summary of Standardized Coefficients of Model 1a through Model 1e	124
Table 23. Model 2 Regression Summary: Effects of College Activities on Intercultural Competence.....	126
Table 24. Model 2 Regression Summary for White Students.....	132
Table 25. Model 2 Regression Summary for Non-White Students.....	135
Table 26. Model 2 Standardized Regression Coefficients by Major.....	139

LIST OF FIGURES

	Page
Figure 1. The Johari Window.....	23
Figure 2. Astin’s (1991) Input-Environment-Output Model.....	35
Figure 3. The Functional Framework of Studying Intercultural Competence (Model 1).....	52
Figure 4. The Effects of College Environmental Variables on Students’ Level of Intercultural Competence (Model 2).....	54
