This licensing tag was added to this file as part of the GFDL licensing update.

This diagram image was uploaded in a raster graphics format such as PNG, GIF, or JPEG. However, it **contains information that could be stored more efficiently and/or accurately in the SVG format, as a vector graphic.**

If possible, please upload an SVG version of this image. After doing so, please replace all instances of the previous version

throughout Wikipedia (noted under the "File links" header), tag the old version with  {{Vector version available|*NewImage.svg*}}, and remove this tag. For more information, see Wikipedia:Preparing images for upload. For assistance with converting to SVG, please see the Graphics Lab.
