**Doctor of Philosophy
In
Civil and Environmental Engineering**

**Antoine G. Hobeika, Ph.D., Chair
Hesham A. Rakha, Ph.D., Co-Chair
John Collura, Ph.D.
Antonio Trani, Ph.D.
Pushkin Kachroo, Ph.D.**

**July 2001
Blacksburg, Virginia**

Keywords: detection and warning system, head-on collision, ITS, ARTS, simulation, no-passing zone violation.

Acknowledgement

I would like to offer my deep and sincere gratitude to my advisor Professor Antoine Hobeika and co-advisor Professor Hesham Rakha for the precious advice and the continuing support they have shown throughout this research, and throughout my study at Virginia Tech.

I would like also to acknowledge the assistance of Professors John Collura, Antonio Trani, Pushkin Kachroo, and Wei Lin and thank all of them for serving on my supervising committee. I benefited a lot from their knowledge.

Finally, I highly appreciate Dr. Tammam Nakkash for providing me the opportunity to learn about transportation engineering and encouraging me to seek a PhD degree in US.

To my wife Ghada

&

To my children Mohamad and Nourhan

For their love and support
