You have my permission. You should also consider noting that it was adapted from the 1974 or 1975 FFA Advisor's Handbook. Good luck. DBC

Dear Dr. Croom:

I am requesting permission to use a diagram of your three-part model of agricultural education for my dissertation. The model comes from the following article:

Croom, D. B. (2008). The development of the three-component model of agricultural education. *Journal of Agricultural Education*, 49(1), 110 - 120. doi: 10.5032/jae.2008.01110

Thank you very much,

Stephen Edwards
