Policy for Use of Photographs

Steven Pinker

For artists, educational institutions, nonprofits, and small businesses (startups and one- or two-people companies), you may use my photographs in your materials on the following conditions:

1. Please insert a small photo credit with my name, and, on web sites, a live link to my site: <http://pinker.wjh.harvard.edu>
2. Please do not pass on the photograph for use by other people, unless they contact me first.
3. Please consider purchasing one of my popular books on language, the mind, and human nature:

[The Language Instinct](#)

[How the Mind Works](#)

[Words and Rules: The Ingredients of Language](#)

[The Blank Slate: The Modern Denial of Human Nature](#)

[The Stuff of Thought: Language as a Window into Human Nature](#)

This is not a requirement, but I like to think that you would enjoy the books in any case.
