Hello Undine

Yes, that is fine, with full acknowledgement to source. I will print off and file on our permissions folder.

Kind regards

Viv

Hi Viv,

yes, I did get Dr. Rossdale's signature on the request. I just expected that the document itself would say 'permission granted'. Is the permission request with the signature the proof that permission to reproduce is granted?

Thank you,

Hello Undine

Sorry, did you not get Dr Rossdale's signature on your original request?

Kind regards

Dear Viv,

I do not think that I received the full document via email. I have re-attached it to this email as a picture contained in a word document. The document that I received looks like a copy of my request rather than the permission itself.
