

Vita

Douglas Brian Henderson was born to Alan and Regina Henderson on May 29, 1977. He grew up in Nesconset, NY and attended Smithtown High School. In the fall of 1995, he received a full-tuition scholarship to attend The Cooper Union for the Advancement of Science and Art in New York, NY. Upon graduation in May 1999, he received his Bachelor of Engineering in Chemical Engineering. In the fall of 1999, he began his graduate studies in the Chemical Engineering Department of Virginia Polytechnic Institute and State University in Blacksburg, Virginia. At Virginia Tech, he worked under Dr. Kevin E. Van Cott and Dr. Richey M. Davis. He received his Master of Engineering in Chemical Engineering in November 2003; and in December 2004, he successfully completed his Doctorate of Philosophy in Chemical Engineering.
