Mr. Blodgett, I am a graduate student in public administration at Virginia Tech, and I am in the process of conducting some background research for my dissertation on eminent domain. I would like to include a table in my appendix that lists each of the 169 municipalities and their form of government-- the note at the bottom of the town profiles said to contact you to advise when using this information. I will be sure to note that my table is adapted from your data-set/town profiles. Thank you, Amanda Olejarski
