

Vita

Wei Chen

The author was born in Fuzhou, China, on July 10, 1970. He received a Bachelor of Science degree in Electrical Engineering (EE) from Zhejiang University, Hangzhou, China, in June 1992, and was awarded M. S. Degree in EE from Virginia Polytechnic Institute and State University, Blacksburg, Virginia, USA, in August, 1995. He has been with Virginia Power Technologies, Inc. at Blacksburg since August, 1995. His research interest includes low voltage, high current power conversion techniques, high frequency magnetic design, high frequency ac distributed power systems, high frequency electronic ballast, and power factor correction techniques.
