

APPENDIX E

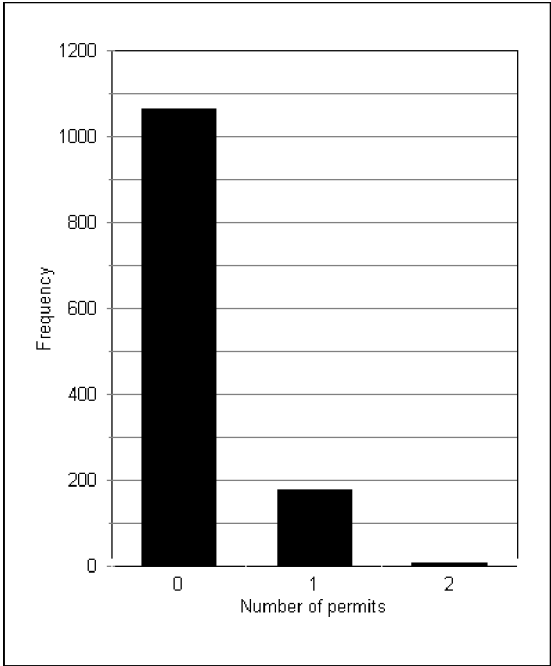

Figure E.1.a Histogram for municipalities with an average number of permits between 0.07 and 0.25.

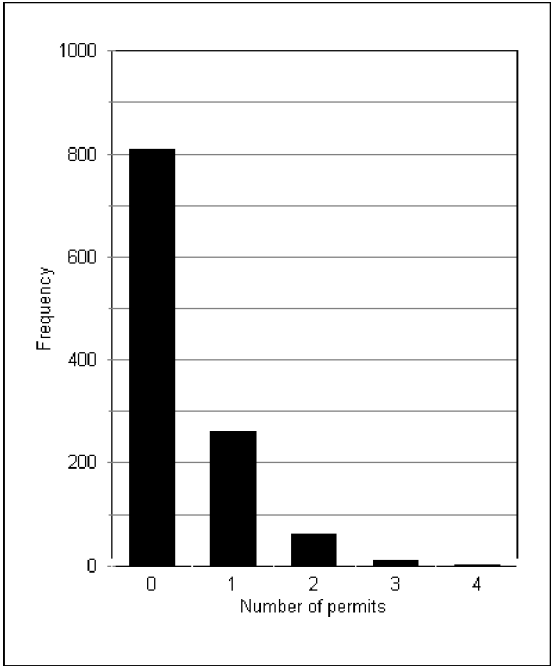

Figure E.1.b Histogram for municipalities with an average number of permits between 0.26 and 0.50.

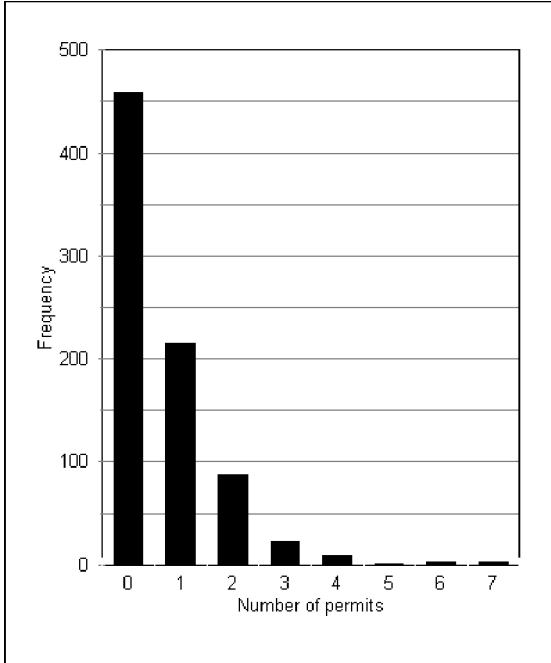

Figure E.1.c Histogram for municipalities with an average number of permits between 0.53 and 0.75.

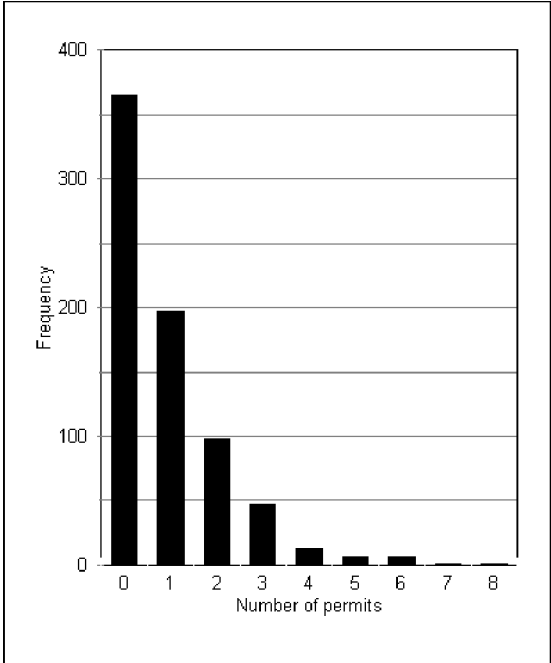

Figure E.1.d Histogram for municipalities with an average number of permits between 0.77 and 1.00.

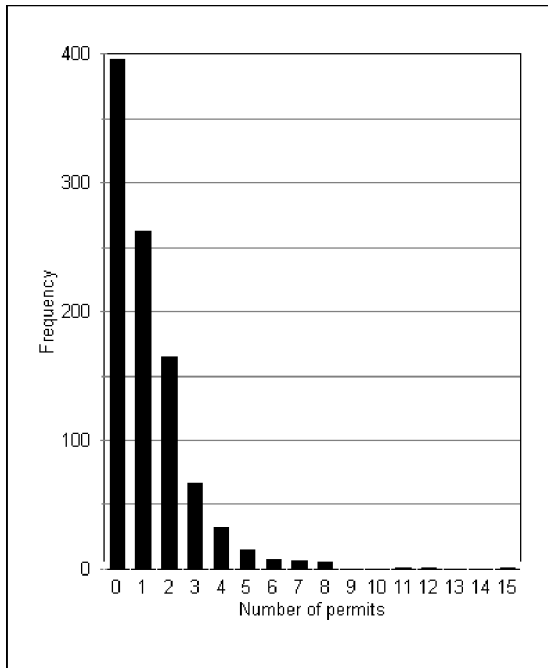

Figure E.1.e Histogram for municipalities with an average number of permits between 1.07 and 1.40.

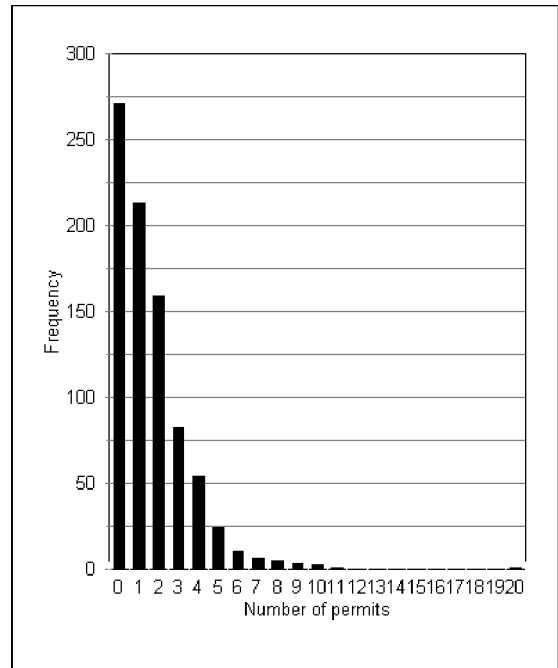

Figure E.1.f Histogram for municipalities with an average number of permits between 1.43 and 1.75.

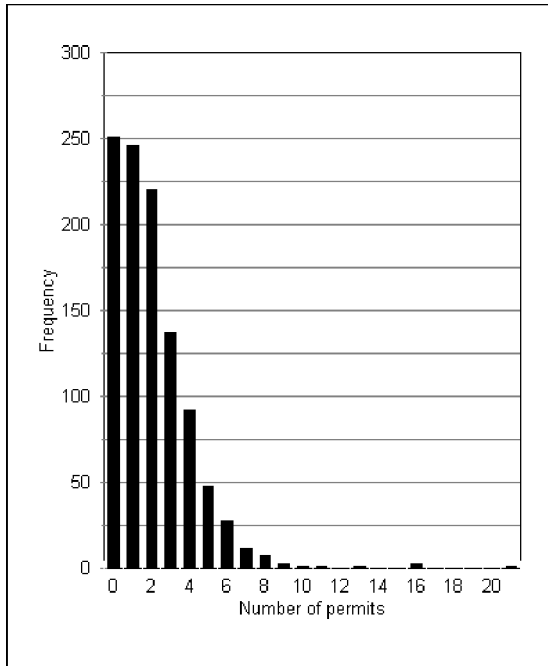

Figure E.1.g Histogram for municipalities with an average number of permits between 1.77 and 2.25.

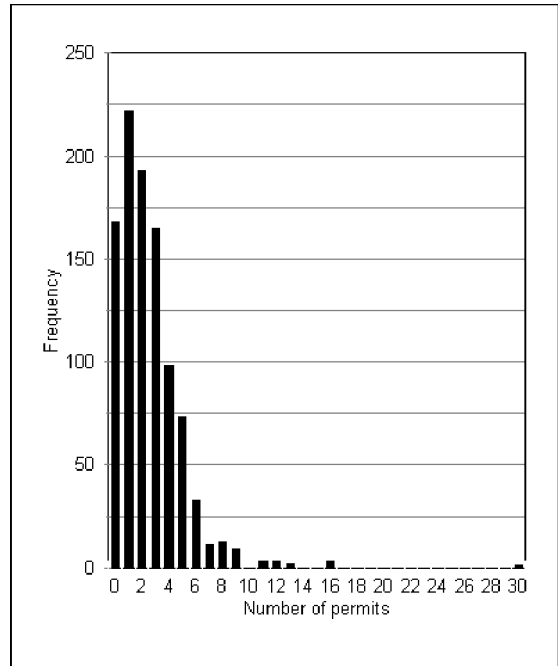

Figure E.1.h Histogram for municipalities with an average number of permits between 2.27 and 2.75.

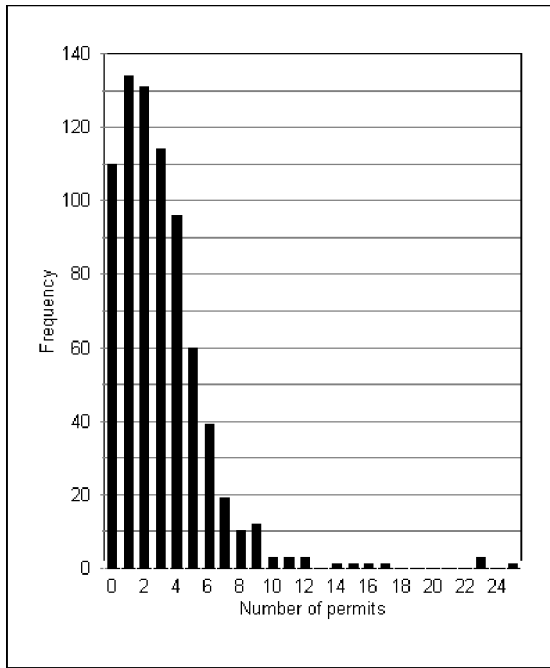

Figure E.1.i Histogram for municipalities with an average number of permits between 2.77 and 3.25.

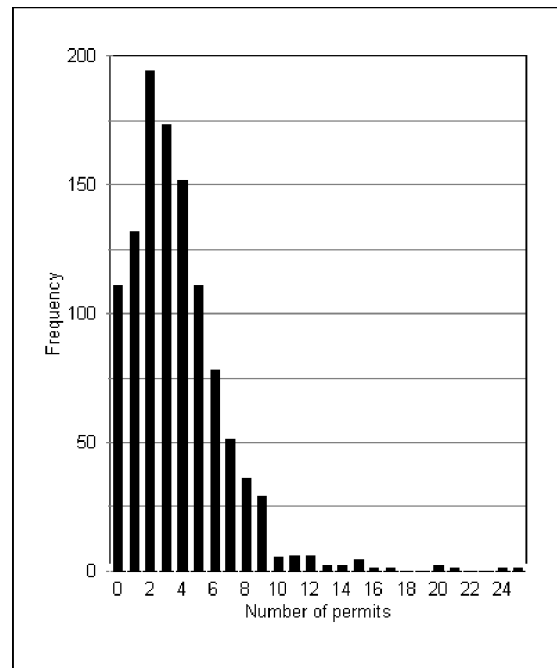

Figure E.1.j Histogram for municipalities with an average number of permits between 3.27 and 4.00.

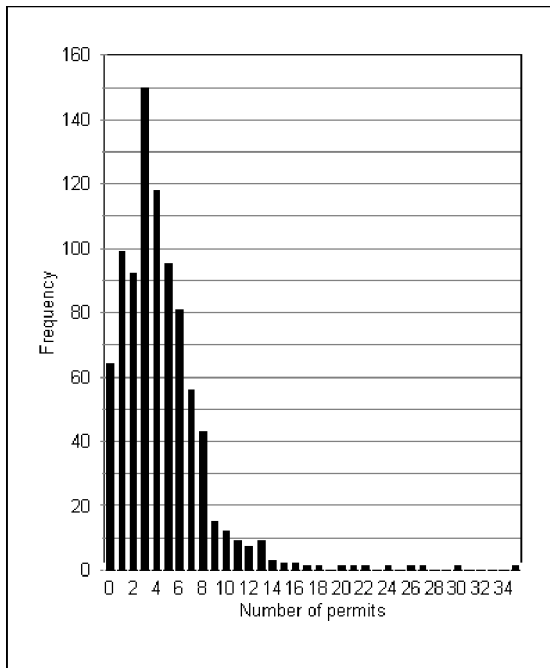

Figure E.1.k Histogram for municipalities with an average number of permits between 4.07 and 4.75.

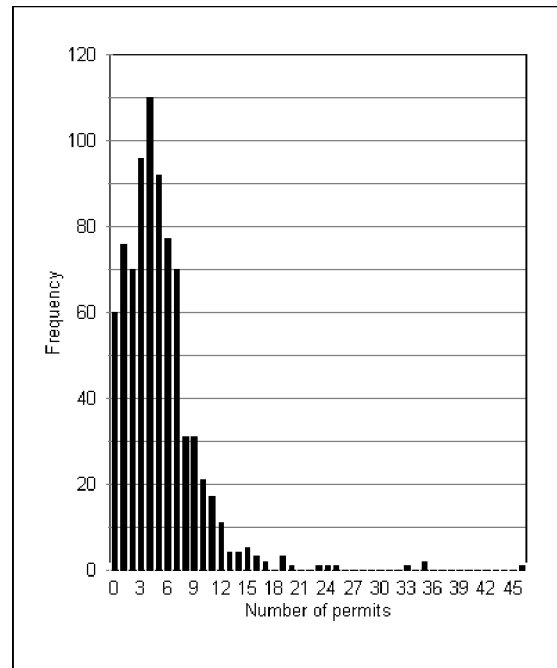

Figure E.1.l Histogram for municipalities with an average number of permits between 4.78 and 5.25.

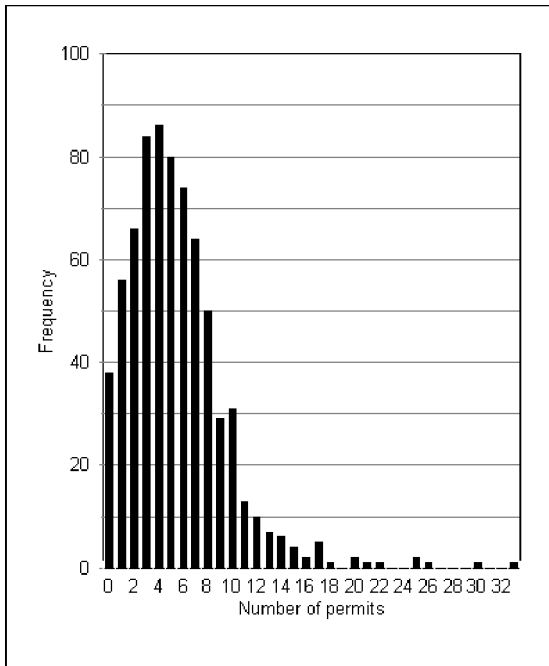

Figure E.1.m Histogram for municipalities with an average number of permits between 5.27 and 5.75.

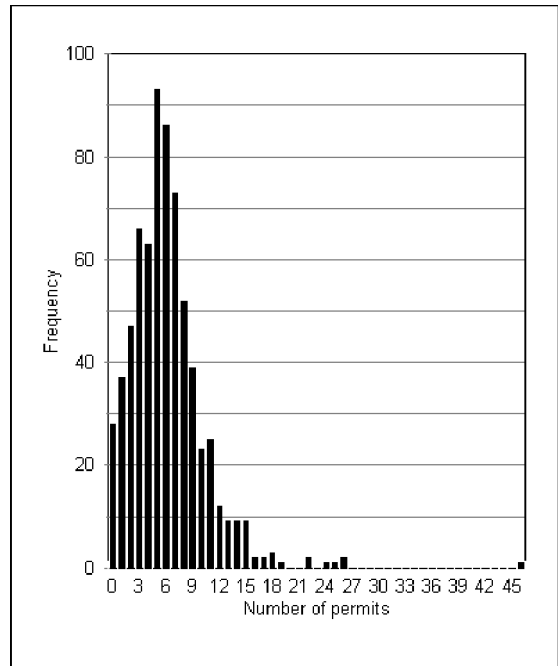

Figure E.1.n Histogram for municipalities with an average number of permits between 5.78 and 6.50.

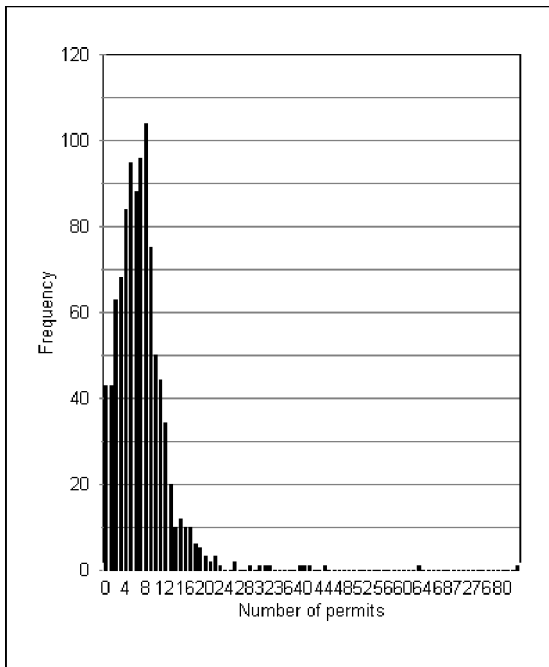

Figure E.1.o Histogram for municipalities with an average number of permits between 6.56 and 8.00.

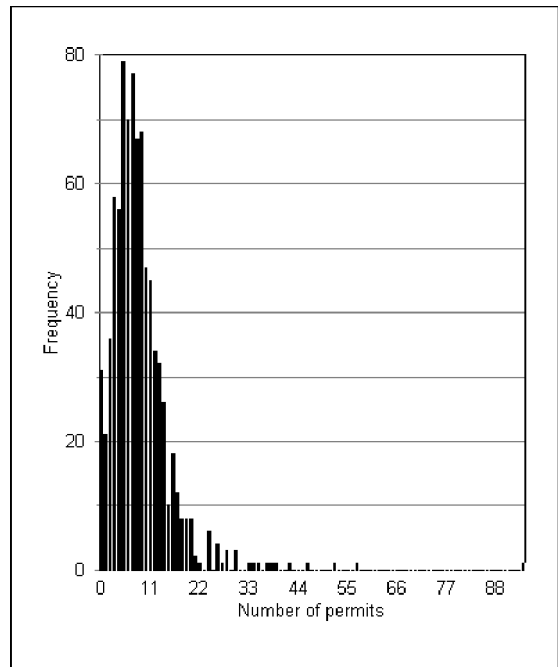

Figure E.1.p Histogram for municipalities with an average number of permits between 8.07 and 9.25.

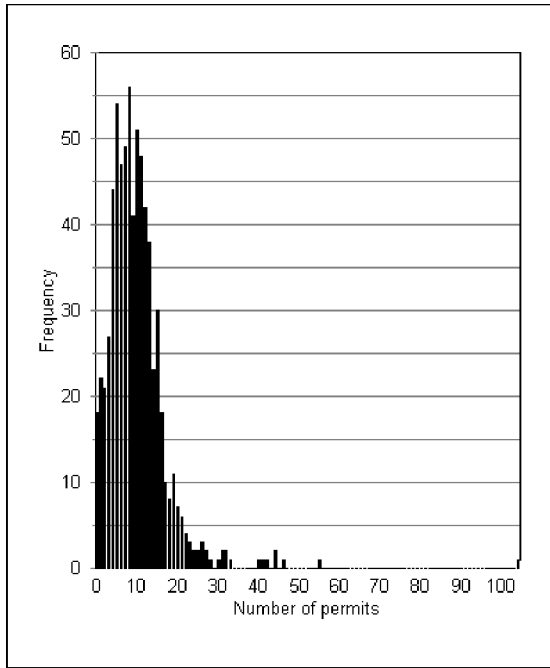

Figure E.1.q Histogram for municipalities with an average number of permits between 9.27 and 10.50.

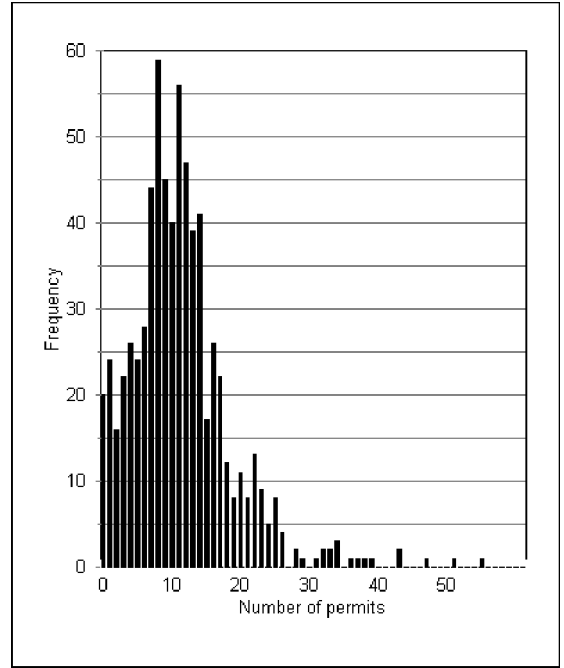

Figure E.1.r Histogram for municipalities with an average number of permits between 10.53 and 12.00.

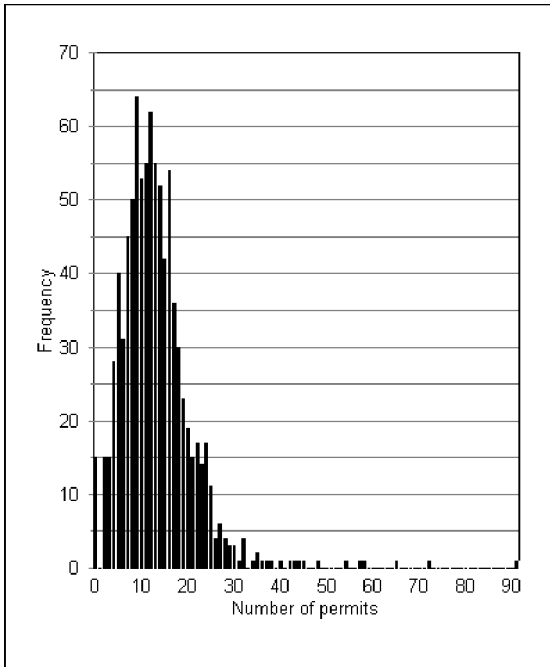

Figure E.1.s Histogram for municipalities with an average number of permits between 12.07 and 14.25.

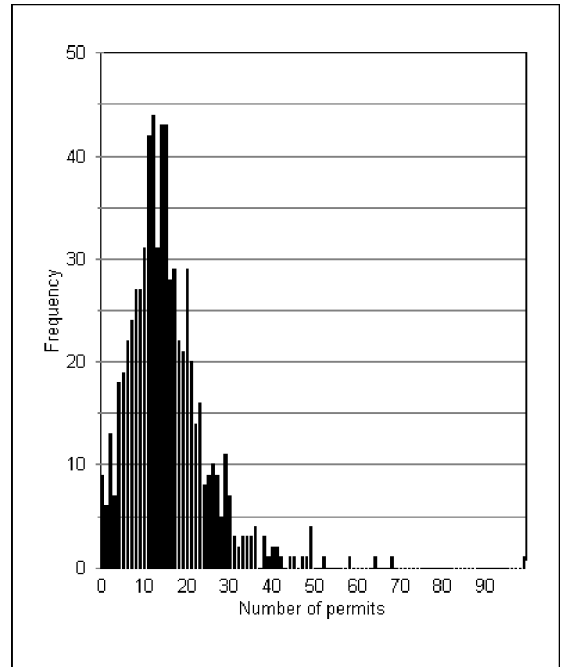

Figure E.1.t Histogram for municipalities with an average number of permits between 14.27 and 17.00.

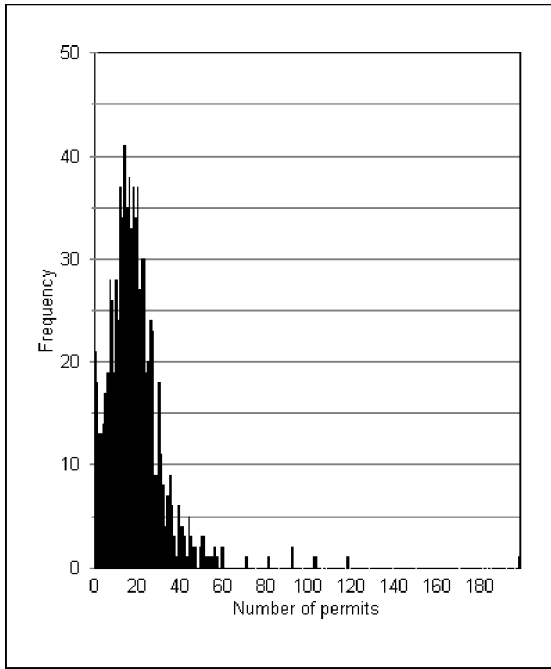

Figure E.1.u Histogram for municipalities with an average number of permits between 17.07 and 21.00.

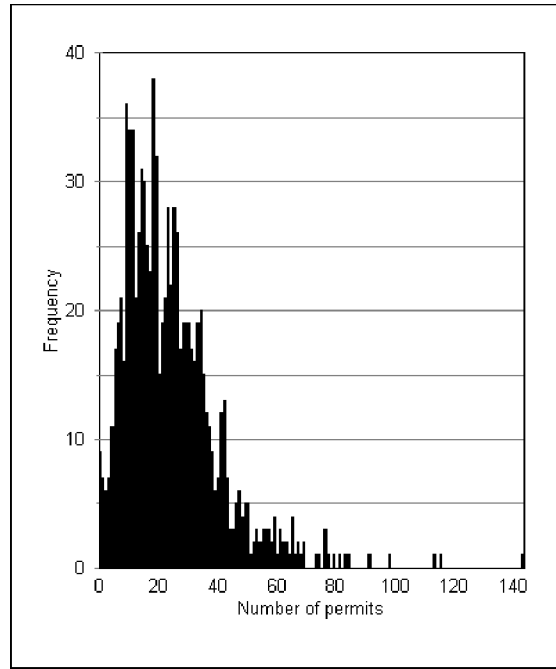

Figure E.1.v Histogram for municipalities with an average number of permits between 21.07 and 27.00.

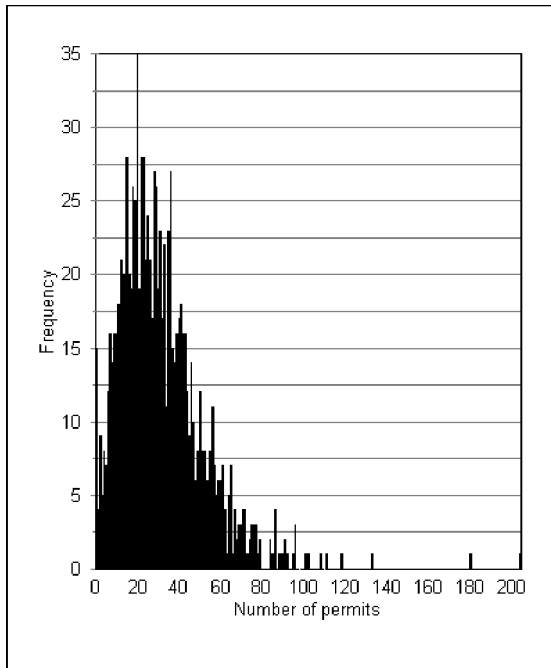

Figure E.1.w Histogram for municipalities with an average number of permits between 27.20 and 37.08.

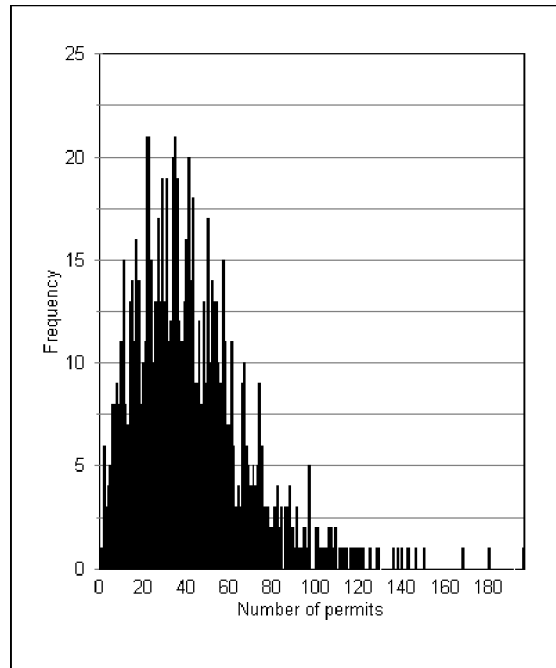

Figure E.1.x Histogram for municipalities with an average number of permits between 37.20 and 50.80.

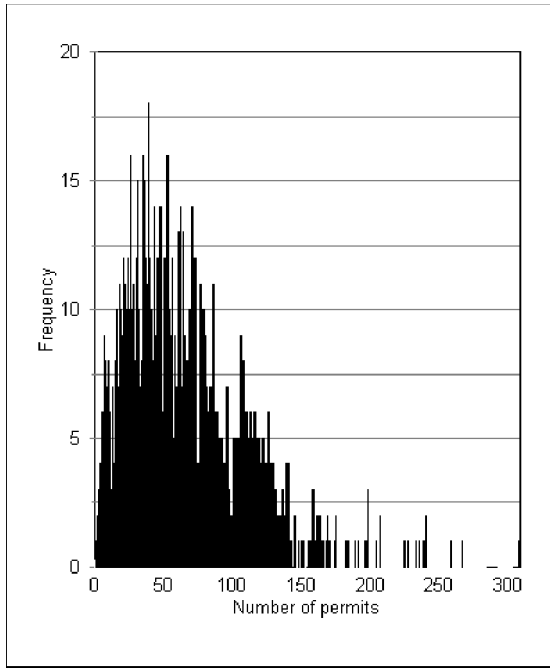

Figure E.1.y Histogram for municipalities with an average number of permits between 51.83 and 85.00.

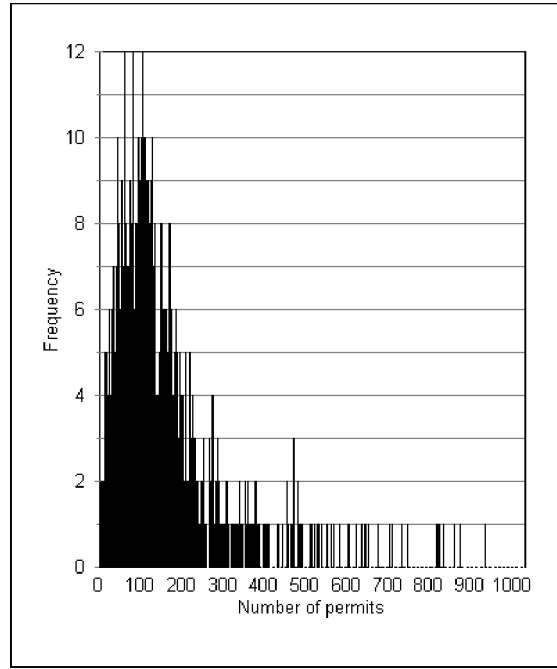

Figure E.1.z Histogram for municipalities with an average number of permits between 85.13 and 478.38.
