

VITA

Brian Edward Trice

Personal data:

Date and Place of Birth:

- June 19, 1975
- Easton, MD

Present Home Address:

- 5452 Laurel Grove Rd., Federalsburg, MD 21632

Education:

- Salisbury State University (Maryland)
Bachelor of Science, Chemistry, May 1997
- Virginia Polytechnic Institute and State University
Master of Science in Chemistry, December 2000

Thesis Title:

- "Nonlinear Luminescence Quenching in Eu_2O_3 "

Major Professor:

- Brian M. Tissue

Special Honors and Awards:

- 1995 Outstanding Organic Chemistry Student
- 1996 Henson Scholar, an SSU scholarship that rewards academic excellence.
- 1996 Undergraduate Award in Analytical Chemistry
- 1997 Student Award of the American Institute of Chemists Foundation in recognition of scholastic achievements.
- 2000 Granted membership in Phi Lambda Upsilon, a society for the promotion of high scholarship and original investigation in chemistry

Professional Experience

- 1997-1998 Research Technician, Perdue Farms Inc., Salisbury, MD
developed analytical GC method
- 1998-2000 Teaching Assistant, Virginia Polytechnic Institute and State University, Blacksburg, VA
