

## **Vita**

Eakasit Weeratumanoon was born in Bangkok, Thailand on October 13, 1970. He attended Suankularb College, Bangkok from 1983-1988. He decided to serve the army as a pre-cadet at Armed Force Academy Preparing School in 1988 and became a cadet at Chulachomklao Royal Military Academy, where he received the Bachelor of Science degree in Electrical Engineering in 1994. After graduation, he was ranked as sub lieutenant in Royal Thai Army and worked at the 102<sup>nd</sup> Signal Battalion, Samuthsakorn. In 1996, he was awarded a scholarship from Royal Thai Army to pursue his attention towards Master's degree in Electrical Engineering at Virginia Polytechnic Institute and State University. The emphasis of his research was on the modified antennas, especially on spherical helix. After obtaining his Master of Science degree in January 2000, Lt. Eakasit will be working in Signal Department of Royal Thai Army in Bangkok, Thailand.
