

# **An Optimal Approach to Geometric Trimming of B-Spline Surfaces**

By

Karthik Bindiganavle

Thesis Submitted to the Faculty of

Virginia Polytechnic Institute and State University

In partial fulfillment of the requirements for the degree of

Master of Science

In

Mechanical Engineering

Dr. A. Myklebust, Chairman

Dr. J. H. Bøhn

Dr. M. P. Deisenroth

March 1, 2000

Blacksburg, Virginia Tech

Keywords: Geometric, Trimmed, B-spline Surfaces
