Steven R. King was born the first son of Dale and Barbara King on December 19, 1973, in Cincinnati, Ohio. He began undergraduate studies at The Ohio State University, and completed a B.S. degree in environmental science in the spring of 1997. He began graduate studies in the department of plant pathology, physiology and weed science at Virginia Polytechnic Institute and State University under the guidance of Dr. E. Scott Hagood in the fall of 1997.
