

The image shows a grid of 20 columns and 20 rows. The grid is composed of thin black lines. There are four vertical dividers that are slightly thicker than the grid lines, located at columns 2, 7, 12, and 17. These dividers divide the grid into five sections: a 2-column section on the far left, a 5-column section, a 5-column section, a 5-column section, and a 3-column section on the far right. The grid is otherwise empty.
