

**Ozone Decomposition and Acetone Oxidation
on Manganese Oxide Catalysts**

Yan Xi

Thesis submitted to the faculty of Virginia Polytechnic Institute and
State University in partial fulfillment of the requirement for the degree of

MASTER OF SCIENCE

In

Chemical Engineering

Dr. S. Ted Oyama, Chairman

Dr. David F. Cox

Dr. Brian E. Hanson

May 11, 2005

Blacksburg, Virginia

Keywords: Manganese Oxide Catalysts, VOCs
Ozone, Acetone, Foam, X-ray Absorption Spectroscopy.
