

## **Vita**

### **Alexis A. Avgoustis**

Alexis Avgoustis was born in Nicosia, Cyprus on September 13, 1972. After completing the science section of the Lyceum with High Honors, he joined the Civil Engineering program of the Higher Technical Institute (H.T.I) in Nicosia, Cyprus. Upon completion of his studies at the H.T.I in June 1993 he worked in both the private and the governmental sector in Cyprus as a Civil Technician Engineer. In January 1995 he joined the University of Maine at Orono, where he graduated with a Bachelor's in Civil Engineering in December 1996.

In August 1997, he joined the Department of Civil Engineering at Virginia Polytechnic Institute & State University, to pursue a Master's degree with a specialization in Transportation Engineering. He worked as a Research Assistant at the Center for Transportation Research (CTR) at Virginia Tech. He is a member of the American Society of Civil Engineers (ASCE), the Institute of Transportation Engineers (ITE), the Intelligent Transportation Society of America (ITS America) and a full member of the Council of Civil Engineers in Cyprus.

He is expected to join the Denver Regional Council of Governments (DRCOG) in Denver, Colorado to work as a Transportation Engineer/Planner.
