

Electronic Mitigation of Polarization Mode Dispersion

by

Julien POIRRIER

Thesis submitted to the faculty of the
Virginia Polytechnic Institute and State University
in partial fulfillment of the requirements for
the degree of Master of Science
in
Electrical Engineering.
Defended July 25th 2000

APPROVED:

Roger H. Stolen, Chairman

Ira Jacobs

Robert J. Boyle

KEYWORDS: Fiber Optic Communication, Polarization Mode Dispersion,
Non Linear Cancellation, Equalization, Electronic Mitigation
