

Vita

Takeshi Ikuma received his dual Bachelor of Science degrees in Electrical Engineering and Computer Engineering in May 1999 from Virginia Tech. During his undergraduate years, he participated in the cooperative education program, working three semesters for the Kollmorgen Motion Technology Group in Radford, VA. In January 1999, Ikuma enrolled in Virginia Tech's 5-year BS/MS program, starting off his graduate study. After the completion of his MSEE, he will continue his study at Virginia Tech, pursuing the Ph.D. in Electrical Engineering. His research interests are in the areas of digital signal processing and stochastic signal processing.
