

List of Tables

Table 2.1 ^1H and ^{13}C NMR data for boivinide A and its comparison to literature values.	40
Table .2.2 ^1H and ^{13}C NMR data for boivinide B and its comparison to literature values.	46
Table 2.3 ^1H and ^{13}C NMR data for boivinide C and its comparison to literature values.	50
Table 2.4 ^1H and ^{13}C NMR data for compound 4 and its comparison to literature values.	53
Table 2.5 Antiproliferative Activity of Cardenolides against the A2780 human ovarian cancer cell line	54
Table 3.1 ^1H and ^{13}C NMR data for compound 1	73
Table 3.2 ^1H and ^{13}C NMR data for compound 2 and its comparison to literature values	78
Table 3.3 Antiproliferative activity of triterpenoids 1 and 2 against A2780 human ovarian cancer cell line	79
