

# **Complex Equilibrium of Laterally Curved Wakes**

**Semere Bereketab**

Thesis submitted to the Faculty of the Virginia Polytechnic  
Institute and State University in partial fulfillment of the  
requirements for the degree of

Masters of Science  
in  
Aerospace Engineering

Dr. William J. Devenport, chair  
Dr. Roger L. Simpson  
Dr. Bernard Grossman

October 25, 1999  
Blacksburg, Virginia

Keywords: Toroid, Tori, Plane wakes, Curved wakes, Far wakes,  
Self-preservation, Similarity, Equilibrium, Two-point measurements,  
Space-time correlations, Linear Stochastic estimation
