Bill,

Here is the picture I promised you.

Kambiz

Subject: RE: TTCI Sponsored Research - Release of Pictures

Monica,

Attached are the pictures that I am looking for higher resolution versions of.

The pictures don't have to be exact, I just need one that shows your system in the field.

If possible please send them to william.kirchner@gmail.com (this email server can handle larger attachments)Thanks,
William Kirchner

Quoting Kambiz Nayebi <knayebi@beenavision.com>:

> William,

>

> The picture on the top is related to Beena Vision. I do not know where you got it from, but that is not a proper picture. I will have to provide you with another one.

> And yes, you can use it.

> Subject: TTCI Sponsored Research - Release of Pictures

>

> To whom it may concern,
> I am a graduate student at Virginia Tech working on a TTCI-AAR sponsored research project. The subject of my research is acoustic health monitoring.

> I was hoping to use the attached pictures in my thesis to provide some background on current wayside technologies. If this request is reasonable, then I have two additional questions:

>

> 1. Are there higher resolution versions of pictures (or similar pictures) available?
> 2. Could you send me a reply that gives me your approval to use the pictures?

>

> Thanks in advance,
