

## **ACKNOWLEDGMENTS**

I dedicate this project to my loving parents, Vareed and Annu Thommana, without whose love, affection, and encouragement this work would not have been possible.

I wish to express my most sincere gratitude and appreciation to Dr. R. Sivanandan for his guidance, patience, and encouragement throughout the development of this project. I would also like to thank Dr. Antonio Trani and Mr. Robb Alexander for their guidance and assistance in the development of this project report.

I would like to thank the Mid-Atlantic Universities Transportation Centers (MAUTC) and the Virginia Tech Center for Transportation Research for supporting me financially during the entire period.

I would like to thank my fiancée Kavita for her continued love, understanding, and support. Finally, I would like to thank my friends Jaydeep Ranade, Amit Bajpai, Deepak Venkat, Nanda Padmaraju, Ashish Shah, Sanjay Shenoy, Nikhil Verghese, John Mani, Kevin Saldhana, Nitin Mangalvede, and Rod Turochy for making my stay in Blacksburg a pleasant and memorable one.
