Abstract	ii
Acknowledgments	iv
Table of Contents	vi
List of Figures	x
List of Tables	xii
List of Appendices	xiv
Chapter 1. General Background	
Introduction	1
Literature Review	4
Bear damage in the USA and Canada	5
Bear damage compensation in the USA and Canada	5
Definition of habituation and food-conditioning	7
Objectives	8
Chapter 2. Magnitude and seasonal patterns of brown bear damage in Romania, Italy, Slovenia, Norway, Sweden, Norway, and Austria.	
Introduction	9
Study areas	9
Romania	10
Slovenia	11
Central Italy	13
Sweden	15
Norway	15
Austria	16
Methods	17
Results	18
Romania	18
Slovenia	21
Central Italy	21
Damages outside Abruzzo National Park	22
Sweden	24

Norway	24
Austria	37
Damage in Austria overall	37
Damage in Central Austria	39
Damage in Carinthia	39
Discussion	32
Limitations of data	32
Romania	33
Slovenia	35
Central Italy	37
Sweden	39
Norway	40
Austria	41
Conclusion and Recommendations	43
Chapter 3. Brown bear management patterns in five European countries.	
Introduction	45
Methods	45
Results	47
Romania	47
Organizations involved in the management of brown bears and their duties	47
Governmental organizations	48
Non-governmental organizations	49
Management History	50
Present Management	50
Management Plan	51
Compensation	51
Problem bear management	51
Slovenia	51
Organizations involved in the management of brown bears and their duties	51
Governmental organizations	52
Non-governmental organizations	54
Management history	55
Present Management	55
Management Plan	56

Compensation	56
Problem bear management	56
Abruzzo Region (central Italy)	57
Organizations involved in the management of brown bears and their duties	57
Governmental organizations	57
Non-governmental organizations	57
Bear management of Abruzzo National Park (ANP)	59
Bear management of the Italian Forest Service (IFS)	59
Bear damage compensation of ANP	59
Bear damage compensation of IFS	60
Problem bear management of ANP and IFS	60
Sweden	60
Organizations involved in the management of brown bears and their duties	60
Governmental organizations	60
Non-governmental organizations	60
Management history	61
Current bear management	62
Bear Management Plan	62
Compensation System	63
Problem bear management	63
Norway	64
Organizations involved in the management of brown bears and their duties	64
Governmental organizations	64
Non-governmental organizations	66
Management Plan	66
Damage compensation	67
Problem bear management	68
Austria	68
Bear management system	68
Management Plan	68
Compensation	69
Problem bear management	70
Attitudes of local people towards bears in the five study areas	
Areas where bears have always been present	71
Areas where bears recolonized naturally	72
Areas where bears have been reintroduced	72

Comparison between official and actual brown bear management patterns	73
Romania	73
Slovenia	74
Central Italy	74
Austria	75
Discussion	75
Limitations of data	75
Management Organizations	77
Governmental organizations	77
NGO-Government cooperation	77
Management Plans	78
Damage Management	80
Damage compensation	80
Damage prevention	85
Problem bear management	86
Management problems	88
Romania	88
Slovenia	89
Central Italy	89
Sweden	89
Norway	90
Austria	90
Management classification	91
Conclusion	92
Chapter 4. Summary and management recommendations to Austria	94
Bear management recommendations for Austria	96
Literature Cited	99
Appendices	106
Vita	113
