

# **Electronic Signal Processing in an Optical Fiber-Based Magnetometer**

by

Jaydeep V. Ranade

Thesis submitted to the Faculty of the  
Virginia Polytechnic Institute and State University  
in partial fulfillment of the requirements for the degree of  
**MASTER OF SCIENCE**  
in  
**Electrical Engineering**

Anbo Wang, Chair  
Richard O. Claus  
Kent A. Murphy

September 11, 1997  
Blacksburg, Virginia

Keywords: Optic Fiber, Magnetic Field Measurement
