Subject: ask for permission to use one of your figures

Hi Oliver,

I would like to ask your permission to let me reuse one of your figures in the document Regulatory Aspects of Femtocells, published by femtocell forum in May 2008 (see the attachment). The figure is called Typical femtocell deployment scenario, located on page 3 of the document.

This figure will be reused in my Ph.D. dissertation.

Thank you very much,
Yongsheng
