Subject: FW: Copyright permission - QinetiQ image

Categories: Red Category

Dear Ms Morales

I refer to your below email that has been forwarded to me for response. I can confirm that QinetiQ give permission for reproduction of Figure 5, taken from Page 42 of the subject report in your dissertation, subject to appropriate acknowledgement and reference to QinetiQ.

As a final point, the principal author of our report, Anil Shukla, would be interested to see a copy of your doctoral dissertation when complete and wondered if you would be willing to send him one. He was also wondering who your dissertation supervisor is. Could you possibly let me know?

If you require any further confirmation, please do not hesitate to come back to me. Best of luck with your PhD.

Kind regards

Jenny Dzafic

Subject: Copyright permission

Dear Ms. Neetu Ogle:

Greetings, Ms. Debra Fox from the QinetiQ facility in Virginia gave me your contact information. My name is Lizdabel Morales and currently, I am completing a doctoral dissertation at Virginia Tech entitled "An Approach to Using Cognition in Wireless Networks." I would like your permission to reprint in my dissertation Figure 5 of page 42 on the following report:

A. Shukla, A. Alptekin, J. Bradford, E. Burbidge, D. Chandler, M. Kennett, P. Levine, and S. Weiss, "Cognitive Radio Technology - A Study for Ofcom," tech. rep., QinetiQ Ltd., 2007.

The requested permission extends to any future revisions and editions of my dissertation, including non-exclusive world rights in all languages, and to the prospective publication of my dissertation by UMI Company. These rights will in no way restrict republication of the material in any other form by you or by others authorized by you.

Can you please let me know your company's process to request this permission? Anticipated thanks for your help.

Sincerely,
Lizdabel Morales
PhD Candidate
