Dear Samhun Yun,

Herewith, we confirm our permission to reuse Fig. 2 of the paper @Synthesis of an ultra-thin palladium membrane for hydrogen extraction" by Zhongliang Shi and Jerzy A. Szpunar published in the Reviews on Advanced Materials Science Journal vol 15 (2007) pp. 1-9.

Please, let me know if you need a a copy of the official permission letter on this point.

Sincerely yours,
Dr. Ivan Archakov,
Staff Editor

Dear Mr/Ms,

I am writing this e-mail to ask a permission to reuse one of figures in the Journal of "Reviews on Advanced Material Science" for my dissertation whose title will be "Fabrication of Ultrathin Palladium Composite Membranes by a New Technique and Their Application in the Ethanol Steam Reforming Reaction for H_2 Production".

Below is the detailed information about the article which I would like to get permission to reuse.

Author: Zhongliang Shi and Jerzy A. Szpunar
Title: Synthesis of an ultra-thin palladium membrane for hydrogen extraction.
Journal title: Reviews and Advanced on Material Science
Vol: 15
Year: 2007
Page: 1-9
Number of figure for permission: fig. 2

I would appreciate it if you send me a license agreement to allow me to reuse the figure for my dissertation.
I look forward to hearing from you soon.

Sincerely,
Samhun Yun
